3. Performance and Other Local Issues

Overall we see a fairly stable picture crime wise when compared to this time last year. This is encouraging and compares well with other Wiltshire towns that are seeing some increases. Last week saw a significant but very localised spike of theft and burglary offences in Laverstock numbering about a dozen offences over a couple of days. Your neighbourhood team, with support from other officers, launched a plain clothes operation which led to the arrest of four individuals in the act. They currently remain on conditional bail and our priority crime team will assist us in considering other possible linked offences. In the coming weeks we will continue to focus on these kind of offences and disrupt other linked people in the group that are thought to be offending elsewhere in Salisbury.
