#### **Purpose of Report**

#### **Background**

2. This report has been prepared by the Council's external auditor (KPMG) and it summarises the conclusions and key issues arising from the recent audit of the Council's financial statements and their assessment of the Council's arrangements to secure value for money (vfm) in its use of resources.

#### **Main Considerations for the Council**

3. The headlines are incorporated into section two of the KPMG report. These are summarised as follows:
  - KPMG anticipates issuing an unqualified audit opinion by 30 September 2012.
  - KPMG identified five audit adjustments to the draft financial statements, however these amendments relate to technical accounting adjustments and do not affect the "cash" surplus position of the Council. These have all been adjusted by the Council.
  - KPMG concluded that the council continued to evidence a strong financial reporting process. Additionally, the Council has implemented all the recommendations in the ISA260 Report 2010/2011 in relation to the financial statements.

- KPMG have concluded that the Council has made proper arrangements to secure economy, efficiency and effectiveness in its use of resources. KPMG anticipates issuing an unqualified VFM audit opinion by 30 September 2012
