Summary of announcement:

Barrier Busting Proposals

Many people have great ideas about how they could make their neighbourhood a better place to live. Volunteers, community groups and social enterprises of many kinds would like to play a bigger role in local life. But sometimes barriers get in the way. Red tape, rules and regulations stop people putting good ideas into action. Not only is this frustrating – it means that local people miss out.

The Government have a 'Barrier Busting Team' to help with this problem.

New rules have been put in place for the way in which 'Barrier Busting' proposals can be submitted to government by local authorities, under the Sustainable Communities Act.

The rules retain the requirement that Wiltshire Council consults its communities and reaches agreement on proposals before submitting them.

The new rules mean, however, that the Local Government Association (LGA) can ask the Secretary of State to look again at proposals submitted by local authorities that have been turned down.

Examples of previous proposals submitted can be found on the government's Barrier Busting Portal:
<http://barrierbusting.communities.gov.uk/>

Anyone can use the portal to submit proposals directly. However, asking Wiltshire Council to submit a proposal means that the LGA can choose to appeal the decision if they are unhappy with the result.

If you have a suggestion for a barrier busting proposal that you think Wiltshire Council should submit, please say why and email these to: David.Bowater@Wiltshire.gov.uk
