Project Title/Name	Tidworth Mums Community Group		
Please tell us about the project /activity you want to organise/deliver and why? <i>Important: This section is limited to 600 characters only (inclusive of spaces).</i>	Tidworth Mums was set up as a result of the "Army Wives" Tidworth Voices film and now consists of a committee of 10 local women who are championing numerous initiatives to support mums and toddlers in the area. Since March, TM has piloted two playgroups for local mums and toddlers (both civilian and military), established a successful community Facebook group and developed a trial community website. The increasing popularity of these projects has proven an ongoing need for this provision. Funding is required to support the transition from pilot status to long term ongoing community projects.		
Where is this project taking place?	Tidworth leisure Centre		
When will the project take place?	From September 2012		
What evidence is there that this project/activity needs to take place/be funded by the area board?	The pilot playgroups have become increasingly popular, attracting 30+ toddlers and carers at a time (military and civilian). The TM Facebook group has 292 members (01/09/12) and is still growing.		

How will the local community benefit?	The local community will benefit from increased opportunities for mothers to meet, helping to reduce social isolation and develop confidence. Toddlers will benefit from the opportunity to play with other children and have access to toys and activities that support their learning and development. A laptop will enable the committee to function more effectively and support the long term maintenance of the Facebook page and website, enabling significantly better local information sharing.		
Does this project link to a current Community Issue? (if so, please give reference number as well as a brief description)	Large number of vulnerable families		
Does this project link to the Community Plan or local priorities? (if so, please provide details)	Area board priority, families JSA		
What is the desired outcome/s of this project? The two additional playgroups per week at Tidworth Leisure Centre set up by Tidworth Mums will be better supported by developmentally targeted, good quality toys and play materials. With the provision of a laptop, the committee will be able to operate more effectively and professionally and work to increase the numbers signed up to their facebook page (currently around 300) and ongoing development of the currently temporary website.
