

Wiltshire Involvement Network (WIN)

Report to Wiltshire Area Boards

June 2012 to August 2012

WIN is one of a nationwide system of Local Involvement Networks (LINks) set up under the *Local Government and Public Involvement in Health Act 2007* to listen to the concerns of local people, community groups and organisations about their health and social care services. They all want to see these services change for the better. By sharing your views and experiences of health and social care in Wiltshire, you can help influence how services are planned and run. The work that WIN has carried out from June to August 2012 is set out below:

- The WIN Outreach Group met three times to discuss its work plan and arrangements for representing WIN at all area board meetings.
- The WIN Officer attended the Regional LINks meeting in Taunton to hear updates from the Great Western Ambulance Service, the Care Quality Commission and NHS South West.
- The WIN Chair, Phil Matthews, attended a meeting of Wiltshire Council's Shadow Health and Wellbeing Board, on which he represents WIN. He also represents WIN on Wiltshire Council's Health and Social Care Select Committee.
- The WIN Enter and View sub group met to discuss its work programme and plan informal visits to Athelstan House, Malmesbury, and Hungerford House, Corsham. These took place in July. (WIN has the statutory power to enter and view any health or social care facility in Wiltshire.)
- In June, WIN held a public meeting in Chippenham with speakers from the Great Western Hospital Foundation Trust ("GWH") who gave an update on the services they provide within the Wiltshire community, and their Productive Ward initiative. The Royal United Hospital Bath gave an update on their work with in-patients with dementia, and the NHS Wiltshire representative spoke about the setting up of the shadow Clinical Commissioning Group for Wiltshire. 49 people attended the meeting.
- In July, WIN held a public meeting in Salisbury with speakers from Wiltshire Council updating attendees on how Healthwatch in Wiltshire might look, and on their digital online initiative. The GWH representative spoke about the services it provides within the Wiltshire community, and a speaker from the Wiltshire Wildlife Trust gave a presentation about the *Wiltshire Wellbeing Project* and its work with people who have mental health problems. 44 people attended the meeting.
- WIN members and staff attended the following events:
 - The launch of NHS Wiltshire's *Falls and Bone Health Strategy* and participated in the consultation.
 - the Wiltshire Equality Network meeting in Trowbridge
 - Wiltshire and Swindon Users' Network welfare reform event.

- Wiltshire Council's Friary Voices consultation event.
 - *GWH Developing a Nursing Strategy* consultation event
 - NHS Wiltshire's Long Term Neurological Conditions Steering group event
 - AWP LINK Stakeholder event
- The WIN Healthwatch Implementation Task Group met with a representative from Wiltshire Council to be updated on the progress of Healthwatch Wiltshire.
 - The WIN Chairs met with the Wiltshire and BANES Compliance Inspector for the Care Quality Commission (CQC) to share information and discuss issues of concern. These meetings take place on a bi-monthly basis and enable WIN to have open and clear communication with the CQC.

A report of all meetings attended by members and staff is produced and shared with the wider membership and published on the WIN website.
