

ID	Summary of Issues Area Board 26 th May 2010	Update
920	Hook Street Pot holes. Informed that the pot holes were too large to be filled in by the parish steward using the materials that he has available to him. It requires a machine which is not at present available. Permanent repairs requested	In progress – Detailed response from Highways re how this is being taken forward through inclusion in the major maintenance programme of works and possible use of the ‘velocity patcher’ machine which is now in the Area Office.
189 580 630 787 652 556	<p>-Unacceptable high volume of traffic through Lyneham village on the A3102 and the B4069.</p> <p>-Speeding traffic in Lydiard Millicent</p> <p>-Speeding vehicles through the village of Broad Town where there is a 30 & 40 mph speed limit .</p> <p>-Latton has had a continued problem of speeding motorists -Up to 14 school buses transiting Lydiard Millicent morning and evening every school day to and from Swindon.</p> <p>-Cross Lane Junction – B4553. It is not clear who has right of way</p>	<p>Parish roads & traffic forum with Adrian Hampton planned for 14th June to discuss and prioritise these issues.</p> <p>189-In progress – joint approach required, in partnership with Calne and Chippenham CA parishes.</p> <p>580 - Metrocount recorded average speed of 31.7 m.p.h.</p> <p>Local Police contacting area to make local checks at times and places to suit.</p> <p>Some success recorded from VSI with motorists slowing down.</p> <p>630- Road works in village delayed metrocount. This has now been requested, along with a second count in the 60 mph zone just on the edge of the village.</p> <p>787- Metrocount in Latton determined that it meets criteria for CSW. Parish has the results and now needs to find volunteers. Officers investigating licensing of burger van that may be attracting HGVs onto that route. Cllr Colmer has requested review of weight limit.</p> <p>652 – Officers from transport, highways and passenger transport met to consider options on March 26th. Update now received should be discussed at parish meeting on June 14th. Letter from Thamesdown transport received, they will take up issue re bus drivers speeding and lack of care with drivers within their organisation.</p> <p>556-Junction lines have been changed, however remains an issue</p>
804	Staffing of the Cricklade Youth Centre following the move of the Youth Development Coordinator	Discussed at the Area Board Co-ordinating Group meeting on March 4 th and again on 27 th April. Funds have been made available to support youth activities in the Wootton Bassett and Cricklade Area and how that funding will be used is on the agenda of the May 26 th AB meeting.
644	NHS after care in particular with stroke patients, relatives suffering as a result of the postcode	The configuration of PCTs is determined by central government, DoH. The local authority and local PCTs are not able to determine local restructuring. Maggie Rae presented information at the Health Workshop in Wootton Bassett on March 24 th . This should now be raised with the new government.
542	Young people and adults are unaware of what day time and evening activities and opportunities are available	Young People’s activities task group developed and activities identified – on going. Update on AB agenda.
185	Flooding - Wootton Bassett and Cricklade	In Progress – Flood Working Group ran multi agency Flood Forum, Maps requesting up to date information sent out to all Parishes, Cricklade Town Council has returned up to date information. Volunteer Flood Wardens required
