### 2. Your project

Project Title/Name	Storage Shed for Village Hall		
What is your project about and what does it aim to achieve?  <i>Important: This section is limited to 600 characters only (inclusive of spaces).</i>	The construction of a large, freestanding, wooden storage shed at the rear of the Bisset Room. It will be used to store tables, chairs, modular stage sections and other equipment used at the hall. Our current storage facilities are now wholly inadequate and this project aims to address this problem.		
In which community area does your project take place? ( <i>Please give name – <a href="#">see section 3</a></i> )	Southwest Wiltshire		
I/we have discussed our project with the town/parish council?	Yes <input checked="" type="checkbox"/>	Date 18/09/2012	No <input type="checkbox"/>
I/we have discussed our project with our Wiltshire councillor?	Yes <input type="checkbox"/>	Date	No <input checked="" type="checkbox"/>

<b>Where will your project take place?</b>	Bowerchalke Village Hall
<b>When will your project take place?</b>	Jan-Feb 2013
<b>How did you discover there was a need for your project (please provide evidence) and how will your project benefit your local community?</b>  <i>Important: Please do not type/write in paragraphs – This section is limited to 700 characters only (inclusive of spaces)</i>	Over the last 2 years, with greater use of the hall for an expanding range of community activities and events, and the acquisition of addition equipment to support them, it has become obvious to both the committee and residents that our existing storage facilities are simply inadequate. This has become a significant factor, hampering the efficient delivery of our services. The new shed will solve this problem, enabling activities and events to be laid on much more efficiently.
<b>How many people will benefit from your project?</b>	450
<b>How does your project demonstrate a direct link to the local community plan for your area? (see <a href="http://www.wiltshire.gov.uk/areaboards">www.wiltshire.gov.uk/areaboards</a>) or priorities of your area board) Please provide a reference/page no.</b>	We do not yet have a formal Community Plan, but the Parish Council and Village Hall Committee agree this project is a key objective for early 2013.
<b>Any other information about your project. (Limited to a 1000 characters)</b>	
<p>We have approached 2 local contractors to quote for the shed construction work. We believe the bid from CRD Services of Bowerchalke offers the best value for money. The other quotation was slightly higher. We will get the electrical work done by JHM Electrical Contractors of Wilton, who have given us good service previously. To save money, we will clear and prepare the site ourselves, although we will need to buy some shingle. These 3 (emailed) quotations have been cut/pasted into the attached Supporting Information sheet. Although the Parish Council have given us funding support for other Village Hall projects, we have not approached them for help with this one, because their currently available resources are already committed to a separate, bus shelter project.</p>	
<b>To be completed ONLY where town/parish councils are making an application</b>	
<b>Is your project one which parish/town councils have powers to raise local taxes to fund?</b>	Yes <input type="checkbox"/> No <input type="checkbox"/>
<b>Could your project be funded from your reserves?</b>	Yes <input type="checkbox"/> No <input type="checkbox"/>
<b>Is your project urgent (having to be completed in this financial year? If you answer YES please provide evidence elsewhere on the application form)</b>	Yes <input type="checkbox"/> No <input type="checkbox"/>

If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

N/A; this is a single phase project that requires one funding allocation. Once implemented, it requires only minimal maintenance expenditure that will be funded from the hall's routine income.

How will you know whether your project has made a difference in the community? What information will be collected to enable you to know that the project has made a positive impact on your community and met the local need?

We will receive direct feedback from our residents, whom we consult on a regular basis. Many have urged the committee to get a storage shed built, because our current storage facilities are now wholly inadequate, with equipment and stores having to be kept in rooms inside the hall that we use for community activities.
