Last season 39 girls joined the club to form a new junior section within our thriving Academy. Following the recent successes of the England Ladies team an increase of 25% is expected for this coming season. Interest is likely to be stimulated further by a nationwide coaching scheme sponsored by the England Cricket Board (Chance to Shine) and by involvement in the coaching programme of the former Australian Ladies international , Lisa Keightley.. To accommodate this demand the club urgently needs to install female toilet facilities on the first floor adjacent to the changing rooms. At the same time advantage will be taken of the planned alterations on the first floor to provide increased storage facilities to accommodate the additional equipment required for the girl's section. Additionally to cope with the increased female footfall through the club it is planned to refurbish the ladies toilets on the ground floor. Finally, to cater for this anticipated growth, additional cricket equipment is required. The figures for this equipment are based on supplying two standard bags of equipment taken from a national coaches' association catalogue.

Any other information about your project.
Almost 40 strong the current membership of the girls' section can be broken down as follows

Under 9 -6
Under 11 - 20
Under 13 - 13

Increased interest is anticipated across all age groups with more parents and visiting sides using the club's facilities. Interest has also been stimulated on the coaching side with 3 of our ladies completing level 1 of a national coaching qualification In time the Club aims to field a senior ladies team.

If your project is intended to continue after the Wiltshire Council funding runs out, how will you continue to fund it?
The only ongoing costs are likely to be maintenance costs which will be covered out of the Club's normal cashflow

If you were not awarded the full amount requested, what would be the impact on your project?

It would have to be scaled down with most likely the refurbishment of the downstairs ladies toilets being delayed until possibly next year

How will you know whether your project has made a difference in the community?

2) By increase in fixtures for our girls section against other clubs
