March 2013 update

Now that Wiltshire Council Cabinet has approved all of our proposals and agreed to provide the capital funding, work is under -way now to prepare a design brief ready for the competing architects tender process.

Keep your eye out for Area Board updates in the coming months or go to our website to keep up to date with our work.

What is the campus, and where?

The Pewsey Area Campus will be largely clustered on the present Leisure Centre site, which currently provides leisure and youth facilities, and the new library which has some potential for wider use.

This is where you will be able to access a range of local services, including the most important themes arising from our canvassing including:

- Leisure
- Youth
- Community Services - those provided by Wiltshire Council as well as partners.

All of the above will be affordable/ sustainable over the next 25 years, plus. We have also identified a requirement for a mobile satellite service to take some of these community services to outlying villages. One of the most significant features of the new facility will be the physical and, where possible, the functional integration with the Pewsey Vale Academy.

Who and What are the Campus Team?

We are a group of local people who were appointed by the area board in May 2011. Our details can be found on the WC website, under 'Area Boards/Campuses'.

What have we been doing so far?

We have consulted you and reported back to the Area Board on a regular basis, you can view the notes of our Team meetings on the website to keep up to date with our discussion.

So what is happening next?

In the coming few months we will:

- Finalise the design brief.
- Take part in selecting a chosen architect.
- Submit the planning application during early Autumn 2013.
- Continue discussions with our On-site partners. (Pewsey Vale School, Pewsey Primary School, Children's Centre, Leisure, Youth and library services).
- Continue discussions with WC service providers and other voluntary and community sector organisations.
- Start to prepare the ground for a programme of road shows so that you can see what is being planned.

How can I keep up to date with the project or get in touch with the campus team?

We welcome your views and feedback on the campus proposal. You can get in touch through the campus website or email

CampusConsultation@wiltshire.gov.uk

It will be important, and you are strongly encouraged, to come back to us with comments and further suggestions; we value highly your input into what will be a long-term service centre for you and your families.

Best wishes from,
