**Question from Mr Philip Matthews, Mayor of Wilton Town Council**

**Question 1**

Four years ago the A30 section in Wilton in West Street and Shaftesbury was resurfaced .

The materials used were supposed to last for five years but after two years holes started to appear in the West Street section . This situation has now got worse. I understand that this work was under guarantee but will not be rectified until next year. Is this information correct?

**Question 2**

Wilton Town Council has a grounds maintenance contract with Wiltshire Council which has about two more years to run. Was Balfour Beatty made aware of this when the contract between Wiltshire Council and Balfour Beatty was drawn up? During the handover for over two weeks no grass cutting has been done in the Town Cemetery!
