Wiltshire Fire and Rescue Service draft Public Safety Plan 2013-16 "Have your say"

The new draft Public Safety Plan 2013-16 (Integrated Risk Management Plan) is now available to view on the Wiltshire Fire and Rescue Service website. The plan shows what the service has been doing and how it intends to build on that for the future. Part of this is around how they operate as an emergency service, utilising personnel differently to have greatest impact on local communities.

The service very much welcomes your thoughts and opinions on its plans for the future. The consultation period will run from 10 June until 01 August. Please send any comments or feedback to consultation@wiltsfire.gov.uk. or Sarah Hargreaves, Wilts FRS HQ, Manor House, POTTERNE, SN10 5PP.

To view the plan please use the following link below or for a paper copy contact Sarah Hargreaves as above.
