What will your project involve?

Use the box below to say why/how you identified the activity, what you want to do, where, when and how you plan to do it. The more detail you give us the better. Please use a separate sheet if you need to.

The idea is that people (Business/Volunteers) in the Pewsey Area offer to run a session(s) for a specified number of teenagers (aged between 13 and 17) eg 4 people to 10 people for the session. The types of sessions are endless but we intend to approach activities such as clay pigeon shooting, Archery, baking a cake, first aid, cooking (Indian, Chinese etc), bowls, tennis, football, rugby, sewing/knitting, arts and crafts to name a few.

Because this project is for the Pewsey Area we intend to provide transport to and from the activities depending where the activity is being held.

Once all the offer activities have been gathered we would publish all the offers and the teenagers would be able to enrol in the sessions they would like to experience.

Pewsey Vale School have offered the resources to push out communication to parents as a way of getting volunteers and other Parish Councils could ask for volunteers in their communities. We can also leaflet the teenagers who come into Pewsey and ask other Parish Councils to liaise with their young people too.

How long will the project last?

Start Date:
14 September 2013

End date:
26 September 2013

Other Information

PAYC will be the custodians of the funding which will be held and ring fenced by Pewsey Parish Council.

We believe that by involving the Pewsey area it will be of benefit to a wider audience of young people across the community area.

Karen Brown will be the project leader given her experience in this area and partnered by Pewsey Area Youth Council, Pewsey District Carnival Committee, The Shak, St John Church and The Scouts.

This is an ideal opportunity to get the young people in the Pewsey Area involved in the community that will benefit all of those that take part.
