

Report to	Malmesbury Area Board
Date of Meeting	3 July 2013
Title of Report	Malmesbury Community Issues Update

Purpose of Report

To provide an update about Community Issues and invite members of the Area Board to:

1. Note the progress in dealing with issues.
2. Close 5 issues.

1. Background

- 1.1. One of the key roles of the area board is to help local people find solutions to things that are complex or non-routine which affect the community as a whole; not simply a few individuals.
- 1.2. The majority of routine problems can be dealt with by the council faster through direct contact and to help local people do this, the section of the area board web page has been updated to allow logging of simple issues direct with a person who can help them e.g. [Lost and stray dogs](#) and [Common road and highway problems \(CLARENCE\)](#). Where a problem does not fit into any of these categories or if the matter is causing widespread concern in the community, it should be reported to the Malmesbury area board via the [online community issue form](#).
- 1.3. At the time of writing (10 June 2013), a total of 148 community issues have been received, of which 132 have been closed and 16 are currently in progress.
- 1.4. If the area board approve the recommendations to close issues there will be 11 issues to progress by the area board, while others remain active but the responsibility of the Malmesbury Community Area Transport Group (CATG).
