The Development of Community Campus Facilities

Lucy Murray Brown
Transformation Programme

Background

- A campus is a building, or buildings, in a community area that will provide the services the local community needs in an accessible location
- Local community involvement critical to the success
- Reduces the long term financial, environmental and operational pressures on operating aging, low quality buildings
- Potential to co-locate with partner and voluntary organisations
- Encourages the council to explore wide ranging innovative management and operational arrangements
- Core criteria to all campus buildings include shared reception, community space, accessible IT provision, personal care facilities and catering facilities
