

Royal Wootton Bassett & Cricklade Area Board

Creating a Legacy of 2012

Grant scheme application form

1. Group/Club name and contact details

Please include contact name, postal address, telephone number and email address

Wives Community Group

2. Your project/initiative

Please outline the details of your project here, including where and when it is intended to take place. Please be as specific as possible about how your project will deliver exceptional benefits to the community and contribute to a lasting legacy of 2012.

We are holding a Summer Fete. To be held on Sunday 1st September 2013 at Lyneham Primary School at 11am until 15.00.

Everyone is welcome to this event.

The Fete will have a variety of stalls selling home made cakes, crafts, plants, Chocolate decorating, cheese's, children's pocket money toys and more.

There will be music and children's entertainment.

Food will be available in the form of a BBQ, curry and chilli.

There will be a selection of inflatable items & games, obstacle course, bungee run, sumo suits, bouncy castle, a giant buzzer and connect 4 – these should cater for every age and we are hoping to have these available for free.

There will be an Ice Cream Van.

The local public house will be running a beer tent.

The military are loaning us tents, tables and benches.

Local businesses will be invited to get involved and a raffle will run with prizes from local business and villagers.

We will be holding a collection of sporting races to be participated by parents and children.

Local groups such as scouts, rainbows etc have been invited to either hold a stall or put on some kind of show.

Some equipment is being loaned to us via the Tockenham Fete.

This event is open to everyone, the event will be advertised in all the local businesses and leaflet dropped to all of Lyneham.

This event is being organised by local wives, the idea behind the Wives Committee is to bring the civilian and military wives back together after the closure of the RAF camp.

Our hopes and admirations from organising such an event is that the community really starts to pull back together and to really bring the community together and alive again

3. What is the desired outcome of this initiative and what legacy goal will it address?

Please refer to the guidance notes, in particular the 'What does Legacy of 2012 mean in practice?' and outline how your project will fulfil one or more of the goals listed.

Our legacy goal is to bring the community together, to incorporate the new military families in to the village and show the local villagers that with the closure of the RAF camp, all was not lost and the community spirit that was very much alive then is still here and bursting to come out and play and keep the community thriving.

4. Who will project manage this initiative?

The creator of the Wives Community Group.

5. Costs/quotes/ match funding?

Please provide a breakdown of how the funding is intended to be spent and details of any other project income, and please be prepared to produce quotes/estimates if requested)

Description of item/activity	Cost
Entertainment	250.00

----------------------------------	----------------

Details of any income/funding (including in kind)	Cost
Funding from AWS	200

Total income (B)	£200.00
-------------------------	----------------

Amount applying for from the Area Board (A minus B)	£500.00
--	----------------

6. Monitoring and evaluation

Please tell us how you intend to monitor the outcomes of your project and please be prepared to feed this back to the Area Board at a later date. Ideas could include a report, photographs, video, diary, display or a news article on the [community blogsite](#)

On the day photographs will be taken and also a review of the day will be printed on the monthly Lyneham Community Newsletter also created by myself that goes out within Lyneham.

A local newspaper will also be invited to come along and the local Swindon radio station "Heart" will be invited.

7. Additional information

Please tell us anything else about your project which you feel is relevant
