I am the owner of Brokeswood Country Park Ltd and we are the operators of a licensed campsite & Caravan Park, priding ourselves in offering the highest quality facilities, with peace & tranquility in the beautiful English countryside.

At approximately 2015 hrs on 19 July 2013, I was aware of loud music being played in the vicinity. I walked around the site to establish the source and following a chance remark by a customer, discovered the music coming from Club Lee on the West Wicks Trading Estate. We are located approximately 3 miles from this venue, across open fields.

At 2115 I rang Club Lee to speak to someone in charge, to be informed someone would call me back "within 10 minutes". Needless to say my call was not returned. I rang again at 23.30 but no joy. I rang the emergency Environmental Health number, log by: 112-318. On Sat. 20 July we had a stream of complaints regarding the continuous noise throughout the night. As the day progressed we became inundated with not only complaints about noise, but the foul language used by the D.J.

A customer has written the following, which was heard by his 4, 6 & 8 yr old Daughters "come up to the f.....g microphone, get your arse down, lick her f.....g cunt."

The language was appalling & gave us many complaints saying none or less the same thing. I contacted the Police & they spoke to the Club management. Police Log. No. 283.

Saturday evening arrived and at 8 p.m we were subjected to the noise all over again. This went on until 6.10 a.m Sunday morning. I telephoned the emergency E.H again & the same Office answered my call, gave me another log No. 195 & was visibly amazed that this disgraceful noise level was still being allowed to play. Music

was not being played, it was loud monotonous boom, boom, boom.
