Firstly I am pleased to report the excellent arrest of three Males from the Midlands in Malmesbury just before Christmas. Following information of their suspicious behaviour Officers were dispatched and recovered a stolen car and items from a nearby burglary. The 3 men have all been charged and remanded in custody to appear before a crown court.

You will see there has been a very slight increase in crime with a rise mainly in reported assaults, these are minor assaults and there is on the majority of cases, a victim offender relationship, rarely do we get stranger assaults. I am pleased to report a continued drop in anti social behaviour. Finally the last priority over the months of Sept to end of December the team were out and about in the town and many villages carrying out numerous speed checks and as a result warned and issued tickets to dozens of offending motorists.

Insp Mark Thompson
