3. Main Considerations

3.1 The Trowbridge Area Board has a budget of £113,785 for 2013/13 and currently has £66,683 remaining. It is proposed that £10,000 is allocated for a special project funding scheme for WW1 events organised by the local community.

3.2 The project funding scheme would consider bids of up to £1,000 from local community groups and parish councils who wish to put on events/activities that are specifically to commemorate the WW1 centenary.

3.3 The budget will be delegated to the Community Area Manager who will consult with the Chairman and Vice Chairman re the approval or refusal of any funds. The guidelines for applicants to be as follows:

- Groups can apply for up to £1,000 to run events/activities that will commemorate the WW1 centenary for the benefit of the local community.
- Groups must have the bank account of a constituted organisation to pay the grant into.
- A simple application form will be made available; applications will only be accepted on this form.
- The deadline for applications to be 20 March 2014. After that date all applications will be considered and decisions made on funding. If there is

more funding requested than is available then the applications will be considered in date order of those received.
