**Statement in Support of Application for Dispensation**

The Planning Committee of Landford Parish Council consists of 6 councillors. A planning application (ref 10/95323) for the use of a house as a day school for pupils aged 2-16 has been received by Landford Parish Council for comment from the New Forest NPA. This property is in ~~the~~ a residential area and the application is likely to generate a lot of public interest. Four of the six councillors believe that they need to declare prejudicial interests and this would leave the committee inquorate.

I am councillor Westmore and am seeking dispensation to discuss and vote on any matters pertaining to this application both at the forthcoming meeting of the Planning Committee and at any subsequent meetings of this committee.

I am a governor of The New Forest (VA) C of E School at Landford, Nomanland & Hamptworth. My wife is employed by The New Forest School and I am paid to maintain the school grounds. I have two children attending the New Forest School. I rent the field to the rear of the application site, - one field is rented from the immediate neighbour of the application site.
