This is a major social inclusion, community involvement and minority engagement project across Salisbury. 95% of all the users in this project are minorities, particularly those with issues such as elderly, disability, isolation, single parents, Young Carers, Mental Health, rurally isolated children and their families, homeless in transition, Challenging behaviour youth, disabled Youth, Brain injured, etc, etc, etc. The project has successfully developed by direct feedback and public demand over the past four years. Please see the enclosed feedback from previous user groups and previous project report. More than 30 community based learning workshops will be run leading to a huge street parade just before Christmas 2010.

The growing success of this now annual project and the proven progression of it's inclusion and minority provision has made it one of the most socially engaging community projects in the South of Wiltshire fulfilling many social, educational, volunteering and community needs.
