1. What do you want the funding for (describe what your project is about)?

Our project involves buying some hoodies or a sign with the Leisure Credits logo on. This is to prevent confusion among the public, as at times people jump to conclusions about a group of young people working in the community, thinking we are young offenders.

2. Where will the project take place?

N/A

3. When will the project take place?

N/A

4. What will be the benefits of the project for the young people involved / the local community (e.g. leading healthier lifestyles / keeping physically healthy, learning new skills, making a positive contribution, access to transport or other services, challenging bullying or discrimination)

The project will benefit the local community by challenging negative stereotypes members of the public may have.

5. How much funding do you want from the Area Board? (standard grants up to £1000)

£

6. List all of the things you need to buy or pay for to run your project (please provide copy of quotes)

£

30x hoodies (10xXS, 10xS, 10xM) - £298.50
Sign- £15-£20

(please note Wiltshire Council will pay funding to a 'supporter' e.g. youth worker, school, parish council)

7. How will you know your project has been successful?

People will recognise that just because we are a group of young people in the community, doesn't mean we are all bad. Also, hopefully it will provide some advertising for Seeds 4 Success and Leisure Credits, a fantastic project which provides unique opportunities to young people.

8. Any further information

The cost of the hoodies could be brought down, but this may make them less sustainable as the prints could come off, unlike the embroidery.
