

Update for Devizes Area Board

Update from	EASTERTON PARISH COUNCIL
Date of Area Board Meeting	24 th March 2014

Headlines/Key Issues NEIGHBOURHOOD PLANNING & CORE STRATEGY

- Existing policies & supplementary planning guidance documents for this small village taken in context with The Core Strategy have, until now, been regarded as possibly sufficient to control development in this small settlement, without resorting to a Neighbourhood Plan (noting that Neighbourhood Plans cannot provide for less development).
 - With the Core Strategy having been rejected by the Planning Inspectorate pending an upgrade of numbers of new homes planned for the county what level of development control can we expect in the interim period before the Core Strategy is found fit for purpose and adopted, and when is this adoption likely to be achieved?
-
