1. Which type of grant are you applying for?

Community Area Grant

2. Amount of funding required?

£501 - £5000

3. Are you applying on behalf of a Parish Council?

Yes

4. If yes, please state why this project cannot be funded from the Parish Precept

£6000 of the precept and reserves is earmarked for play ground updates; the remainder is retained in reserves as recommended by the SLCC. (Up to the amount of the precept can be reserved, which is £11000).

5. Project title?

Defibrillators for Coombe Bissett and Homington

6. Project summary:

A request for help to fund two community defibrillators. As a rural community, Coombe Bissett and Homington, are at least eight minutes from the ambulance station and the hospital. This target is not always achieved. It is considered the installation of a defibrillator in both villages would be beneficial. There are 125,000 cardiac arrests every year and 80% of those occur out of hospitals. Following an arrest there is a 5% survival rate without a defibrillator. With defibrillation there is a 50% survival rate. 12 to 16 young people arrest every week and there is a primary school in Coombe Bissett. To save just one life, whether young or older would be a huge achievement.

7. Which Area Board are you applying to?

Southern Wiltshire

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?

Those who will benefit could be any of the 565 residents of Coombe Bissett and Homington; 100 pupils at the village school as well as staff; visitors and anyone travelling in the vicinity. They would benefit by being resuscitated and enjoying a longer life. This would enable their families and friends to feel very fortunate and probably extremely happy.

14. How will you monitor this?

Communication with the ambulance service, the police and liaison with the Community Heartbeat Trust, which is the charity that administrates and manages community defibrillators.

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

It would be a one off payment. Any repairs or maintenance would be funded by the precept or community fund raising.

10. Finance:

10a. Your Organisation's Finance:

Your latest accounts:

We are a small community group and do not have annual accounts or it is our first year: yes

Why can't you fund this project from your reserves:

School budget cannot be used to fund community projects although existing school facilities can be offered in kind to the community. Current funds have been raised through the Friends of Winterslow School and 90% of money raised in the last financial year has already been put into the pool renovation side of the project. Â£2k currently available to the project from this source and further fundraising events planned with funds raised ring fenced for this project.

11. Have you or do you intend to apply for a grant from another area board within this financial year?

No

12. If so, which Area Boards?

Southern Wiltshire

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?

Local community - families, uniformed organisations, health group swims (e.g. sessions for the elderly, aquafit), pre-school, cluster schools and toddler groups. Improved health, recreational opportunities. Ensuring leisure facilities are available and affordable.

Maintaining local facilities. Possibility of employing seasonal lifeguards which will provide employment opportunities and encourage skill development. Potential partnership with Salisbury Lifeguarding Club for lifeguarding and personal survival skill development with all age groups. Drowning prevention sessions provided FOC. School children will also benefit from changing facilities.

14. How will you monitor this?

Swimming club applications; use of pool by community user groups and individuals (signing in and out procedure in place already as part of health and safety requirements); employment of lifeguards.

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

Capital injection required to allow community use. Ongoing costs will be funded through school payments for utilities / consumables, funded through modest payments to school for use where appropriate (e.g. in previous years, families have paid Â£30 to use the pool for the entire season). This allows FOC use for some community groups e.g. pre-school and makes out-of-school use of the pool cost neutral.

16. Is there anything else you think we should know about the project?

Costs all included in overall financial information given above. Refurbishment of pool and surrounding landscaping has already taken place. Changing facility is the only remaining element to provide community access.

1. Which type of grant are you applying for?

Community Area Grant

2. Amount of funding required?

£0 - £500

3. Are you applying on behalf of a Parish Council?

Yes

4. If yes, please state why this project cannot be funded from the Parish Precept

We have not allowed for this project in our budget. We would be willing to put a small amount toward it.

5. Project title?

Bench for the village, especially the elderly and mothers with young children

6. Project summary:

We have a Book Exchange that we have set up in the village at the top of the hill. After some research by Gwyneth Doran, from villagers, the older members have stated that they love the idea but would struggle to walk up the hill and back again without a rest. When Gwyn talked to them about the idea of a bench at the top of the hill for people to 'rest' on route, they were really keen on the idea. Mothers with young children and pushchairs are equally keen to use it and will benefit too from the rest

7. Which Area Board are you applying to?

Southern Wiltshire

Electoral Division

Alderbury and Whiteparish

8. What is the Post Code of where the project is taking place?

SP5 3RF

9. Please tell us which theme(s) your project supports:

Children & Young People

Arts, crafts and culture

Health, lifestyle and wellbeing

Inclusion, diversity and community spirit

If Other (please specify)

It covers all 4, as it is for the inclusion of older people to use the book exchange and to walk.

£0.00

Why can't you fund this project from your reserves:

At the moment the reserves have been allocated toward the Linear park that is due to complete very shortly. The final bill for that is expected to reach over £14000.

We are a small community group and do not have annual accounts or it is our first year:

10b. Project Finance:

Total	£402.00			£200.00

11. Have you or do you intend to apply for a grant from another area board within this financial year?

No

12. If so, which Area Boards?

Southern Wiltshire

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?

All of the villagers will benefit from this Seat, especially the elderly and parents with young children. We have a high percentage of older people in the village and this will encourage them to walk and allow them to rest after the climb up the hill, to visit either the Village Hall, the Church or the Book Exchange. Mothers with pushchairs and young children will also benefit. The seat will allow people who visit the book exchange to rest and enjoy the books. This project is an inclusion project for young and old, in fact all of the villagers. There are health benefits too.

14. How will you monitor this?

By regularly talking to people. Mrs G. Doran has already conducted a survey in respect of this project.

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

By collection from the public.

16. Is there anything else you think we should know about the project?
