In this Part 3 reference to any legislation includes reference to any successor legislation.

3. Principles

1. Wiltshire Council has a leader and cabinet executive model and as a result reference should be made to the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 to determine whether a function is a council or an executive function.
2. Section B of this Part 3 sets out the functions specifically reserved to the Council, Cabinet or Committees in accordance with Section B of this Part 3.
3. The Corporate Directors, supported by the Associate Directors, shall have responsibility for the overall corporate management of the Council.
4. Where a function has not been specifically reserved in accordance with Principle 2 above, the Corporate Directors and the Associate Director within whose remit the

Comment [a2]: Local Government Act 2000 S9C

matter falls are empowered to make decisions on behalf of the Council in accordance with Part 3 Section D 1 of the Constitution.

5. Directors may authorise officers to take decisions on their behalf provided a written scheme of sub delegation is recorded.
6. Directors may decide that any sub delegations they grant to officers within their team under their scheme of sub delegation may be subject to financial limitations. Whilst a Director may wish to consider using the signing and authorisation limits set for various officers under the Council's Budget and Policy Framework, they are not limited in this regard. The signing and authorisation limits set under the Budget and Policy Framework are financial management controls. A scheme of sub delegation is the delegation by a particular Director to other officers within that Director's team to make particular types of decision for and in the name of that Director and therefore such sub delegation can be given up to the maximum limits of the Director's own powers.
7. Decisions made under delegated powers should be recorded in accordance with Part 3 Section D 1 Paragraph 2.3 and 2.4.
8. Each Director must ensure that schemes of sub delegation for decision making for their service areas are in place. Directors are also responsible for ensuring valid instruments of appointment for any powers exercised by officers by virtue of any statutory appointments are in place. Directors must ensure that schemes of sub delegation and instruments of appointment are recorded on the Register.
9. Any decision taken by an officer on behalf of a Director shall remain the responsibility of the Director.
10. In making decisions officers will comply with requirements of this Constitution including but not limited to:
 - The Constitution (Part 2)
 - Access to Information Procedure Rules (Part 5),
 - Financial Regulations and Procedure Rules (Parts 9 and 10)
 - Procurement and Contract Rules (Part 11)
 - Leader's Protocol for Individual Decision Making by Cabinet Members (Protocol 5)
11. In deciding whether or not to exercise such delegated powers, officers should consider whether to consult the appropriate cabinet member(s) or committee chairman and have regard to their views. Officers shall always be entitled to refer matters for decision to the appropriate member body where they consider it expedient to do so.
12. These delegations should be interpreted widely to aid the smooth running of the organisation, the effective deployment of resources, the efficient delivery of services, and the achievement of the Council's goals.

Cabinet as a whole

In accordance with the terms of reference of Cabinet as set out at paragraph 3 of Part 3 of this Constitution, the Leader either directly or through Cabinet will carry out within the Council's Budget and Policy Framework all of the local authority's functions which are not the responsibility of any other part of the local authority whether by law or under this Constitution.

Cabinet is defined at Article 7 of Part 2 of this Constitution. The procedure rules governing meetings of cabinet are set out at Part 7 of this Constitution.

This does not include executive functions which are specifically reserved to the Council, the Leader and/or Cabinet, or officers.

In exercising delegated functions cabinet members must have regard to the Leader's Protocol for individual decision making, Protocol 5 of this Constitution which promotes good practice and ensures transparency and consistency in the decision making process.

Cabinet members may in consultation with the Leader refer matters to the Cabinet for decision if they consider that it is more appropriate to do so.

Where a Cabinet Member is unable to act because of absence, a conflict of interest or any other reason, the Leader may nominate another member of the Cabinet to exercise the function on their behalf.

An Area Board

This scheme of delegation records the arrangements made by the Leader for the discharge of executive functions by each of the 18 Area Boards constituted in accordance with paragraph 4 of Part 3 Section B of this Constitution

This Section should be read in conjunction with the Principles set out in Part 3 Section A.

D1. SCHEME OF DELEGATION

1. Scheme of Delegation to Directors
2. Decision Making
3. Record Keeping
4. Emergency Powers
5. Solicitor to the Council

D2. SCHEME OF SUB DELEGATION

D3. SCHEME OF DELEGATION SPECIFIC TO PLANNING

D4. SCHEME OF DELEGATION SPECIFIC TO LICENSING

SCHEDULE 1. INDEMNITY TO STAFF

SECTION D1

SCHEME OF DELEGATION

1. Scheme of Delegation to Directors

- 1.1 This Scheme of Delegation authorises the Directors to exercise the functions of Wiltshire Council as set out in this document. It repeals and replaces all previous schemes of delegation.
- 1.2 This scheme is without prejudice to the exercise of the council's functions by the Council, the Cabinet, and the Council's Committees, Sub-Committees and Panels.
- 1.3 Full Council, its Committees and the Cabinet will make decisions on matters of significant policy. The Directors have express authority to take all necessary actions to implement Council, Committee and Cabinet decisions that commit resources, within agreed budgets in the case of financial resources, as necessary and appropriate.
- 1.4 In relation to all delegated authority conferred on the Directors by this scheme, the Corporate Directors may allocate or re-allocate responsibility for exercising particular powers to any officer of the council in the interests of effective corporate management as he or she thinks fit.
- 1.5 Where a Director is absent from the workplace for a period of time that requires others to exercise delegated authority in that officer's absence, another officer should be nominated by the Corporate Directors. This nomination should be formally recorded in writing.
- 1.6 The Monitoring Officer will maintain a central record of all delegations under this scheme and make this available for public inspection pursuant to section 100G Local Government Act 1972.
- 1.7 Without prejudice to the generality of the foregoing, the Directors shall have the power:
 - a. To take all lawful action consistent with overall council policy to deliver agreed strategy, plans and policy **and to comply with statutory obligations** within their areas of responsibility and within approved budget. This shall include, but not exhaustively:
 - Invitation and acceptance of tenders
 - Submission of bids for funding
 - Write-off of irrecoverable debts
 - Virement (within the budget framework)
 - Disposal and acquisition of assets
 - Service and placing of any necessary statutory or other notices (other than those expressly reserved to Full Council, Committee or Cabinet)

Comment [a13]: Clarification that directors are empowered to take action to ensure compliance with statutory obligations within their area of responsibility.

- After consultation with the Solicitor to the Council, authorising the institution, defence, settlement or participation in criminal or civil proceedings in relation to any legislation which they are responsible for monitoring, enforcing or otherwise implementing on behalf of the Council;
- b. To put in place management arrangements, which define the area of responsibility of all officers under their service area.
 - c. To determine staffing arrangements within approved budgets, subject to agreement on grading with the Head of Paid Service after consultation with the other Corporate Directors and conformance with Council policies and the Finance Regulations and Procedure Rules (Part 9).
 - d. To take all action to recruit, appoint, develop, manage and reward employees within approved Council policies and procedures (including operation of policies for voluntary severance, early retirement, redundancy and redeployment) and relevant conditions of service.
- 1.8 Any member of the Council may request that decisions taken by officers under delegated powers are scrutinised by the appropriate overview and scrutiny committee.
 - 1.9 For the avoidance of doubt anything which is not covered by this scheme, including the appointment of a proper officer for the purpose of any statutory function, will be determined by the Corporate Directors after consultation with the Monitoring Officer.
 - 1.10 The council has given a general indemnity to any officer acting in the purported discharge of any authority delegated to him for any action, costs, claim or liability incurred by him or her as set out in Schedule 1.

2. Decision Making

- 2.1 In exercising these delegated powers the officers concerned shall have broad discretion, subject to complying with paragraph 2.2 below, to use the most efficient and effective means available (including the deployment of staffing and other resources within their control and the procurement of other resources necessary) whether within or outside the Council.
- 2.2 In taking any decision, the officer concerned must be satisfied that the following issues have been properly considered and completed where appropriate. All of these issues should be considered at the earliest possible stage:
 - a. A key decision should be taken in accordance with the relevant requirements **as set out in this Constitution (Parts 1 and 2) and The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012;**

Comment [a14]: Inserted to refer to new legislation and to allow cross referencing.

- b. The views of the relevant Cabinet Member(s), Committee Chairman, Area Board(s) following the application of the consultation criteria set out in paragraph (c) below;
- c. Consideration of the Area Boards and delegated decision checklist for officers on the issue in deciding when and how to involve local councillors and Area Boards in decisions about local services;
- d. The implication of any Council policy, initiative, strategy or procedure. Officers need to be aware of any potential impact of a delegated decision on other services. In such cases, consultation with officers, relevant Cabinet Members(s) or Committee Chairman from any affected portfolio and local members, where the issue relates to a specific area, should take place;
- e. Consultation in accordance with the Council's consultation strategy and the views emanating from that process;
- f. The range of available options;
- g. The staffing, financial and legal implications;
- h. The assessment of any associated risks in accordance with the Council's risk management strategy;
- i. The involvement of appropriate statutory officers and/or other Directors;
- j. The relevance of any regional or national guidance from other bodies;
- k. The Council's Constitution, including the Procurement and Contract Rules (Part 10) and the Financial Regulations and Procedure Rules (Part 9), all relevant guidance, legislation, codes of practice and protocols.

3. Record Keeping

3.1 In taking any Executive decision, the officer concerned must prepare a record of officer decision report setting out the following:

- a. A record of the decision including the date it was made;
- b. A record of reasons for the decision;
- c. Details of any alternative options considered and rejected by the officer when making the decision;
- d. A record of any conflict of interest declared by any executive member who is consulted by the officer which relates to the decision;
- e. In respect of any declared conflict of interest, a note of dispensation

The record of officer decision must be made available, as soon as reasonably practicable, at the Council main hub offices and on its website.

3.2 In taking any Incidental decision, the officer concerned must consider

Comment [a15]: Inserted in accordance with new regulations.

whether a record of officer decision report is required having regard to guidance from the Monitoring Officer.

4. Emergency Powers

- 4.1 The Directors are empowered to take all necessary decisions in cases of emergency;
- 4.2 For the purposes of this scheme, emergency shall mean any situation in which the relevant officer believes that there is a risk of damage to property, a threat to the health or well being of an individual or that the interests of the Council may be compromised.

5. Solicitor to the Council

- 5.1 The Solicitor to the Council is authorised:
 - a. To take any action to implement any decision taken by or on behalf of the Council, including the signature and service of statutory and other notices and any document;
 - b. To institute, defend, settle or participate in any legal proceedings in any case where such action is necessary to give effect to decisions of the Council or in any case where the Solicitor to the Council considers that such action is necessary to protect the Council's interests;
 - c. To instruct counsel, solicitors and other experts in relation to legal proceedings, public inquiries, and other matters involving the Council;
 - d. To enter objections to any proposal affecting the county, the Council or the inhabitants of the county.

SECTION D2 SCHEME OF SUB DELEGATION

1. The Directors may authorise officers in their service areas to exercise, on their behalf, powers delegated under this Part 3 and Part 3 Section D1 by way of a Scheme of Sub Delegation.
2. Any decision pursuant to a Scheme of Sub Delegation must be taken in the officer's name for and on behalf of the Director.
3. The Directors are responsible for recording all delegations under this part, in writing, in such form as the Monitoring Officer may prescribe.
4. The Directors shall be responsible for ensuring that their Schemes of Sub Delegation are valid and up to date in line with guidance from the Monitoring Officer.
5. All Schemes of Sub Delegation must be recorded on the Register maintained by the Monitoring Officer. The Directors shall send updated Schemes of Sub Delegation to the Monitoring Officer as he/she directs.
6. Any decision taken by an Officer under a Scheme of Sub Delegation must be made in accordance with paragraph 2 of Part 3 Section D1 and recorded in as required in paragraph 3 of Part 3 Section D1.

Comment [a16]: Inserted for clarity.

PART 3 SECTION D SCHEDULE 1 INDEMNITY TO STAFF

Wiltshire Council will, subject to the exceptions set out below, indemnify its employees and former employees against claims made against them (including costs awarded and reasonable costs incurred) and will not itself make claims against them for any loss or damage (other than claims falling within the cover provided to its employees under any policy of insurance taken out by the Council or any motor vehicle insurance policy taken out by the employee) occasioned by any neglect, act, error or omission committed by them in pursuit of their duties as they may from time to time undertake in the course of their employment with the Council whilst acting within the scope of their authority which shall include when they are acting for other persons or other bodies with the Council's consent.

Exceptions

- 1) The indemnity will not extend to loss or damage directly or indirectly caused by or arising from:
 - a. Fraud, dishonesty or a criminal offence on the part of the employee;
 - b. Any neglect, error or omission by the employee otherwise than in the course of his duties;
 - c. Liability in respect of losses certified by the district auditor as caused by wilful misconduct.
- 2) The indemnity will not apply if an employee, without the written authority of the Council, admits liability or negotiates or attempts to negotiate a settlement of any claim falling within the scope of this resolution, or where there is evidence that the employee had acted with reckless disregard for the consequences.
- 3) The indemnity is without prejudice to the right of the Council to take or institute disciplinary action against an employee in respect of any neglect, act, error or omission.

Part 3 Section D3

Scheme of Delegation Specific to Planning

1. The Associate Director, Economic Development and Planning Services (and any officers designated by that officer under a Scheme of Sub Delegation) is authorised to: -
 - determine any planning application and discharge conditions under delegated powers (including tree/hedgerow work applications);
 - deal with all enforcement matters (including deciding on the expediency of taking/not taking action and issuing enforcement notices, including listed building enforcement and urgent works notices and taking any further action, including prosecution and direct action in respect of any breach of control);
 - deal with all types of appeal and their format;
 - where an appeal has been lodged against a planning decision and Counsel advises that specific refusal reasons are unreasonable and/or likely to undermine or weaken the Council's case and time constraints prevent the matter being brought back to Committee, officers, in consultation with the Committee Chairman and Local Division Member are authorised to inform the appellant and the Planning Inspectorate that the Council will not seek to defend such reason(s) at appeal, provided any such action does not overturn the substantive decision of the Planning Committee;
 - make and confirm Tree Preservation Orders; Tree Replacement Notices and serve notices requiring action in relation to dangerous trees, and to initiate any associated direct action required to deal with dangerous trees; deciding whether to prosecute for breaches of the Planning Acts in relation to tree and hedgerow matters;
 - determining any applications made under the high hedges provisions of the anti-social behaviour legislation; including any necessary enforcement action;
 - deal with decisions, correspondence and consultations under relevant local government, social, planning, listed building, conservation, building and environmental and other legislation. This includes proposals to change legislation or national guidance and consultation by other planning authorities;
 - determine the requirements for, and amend when necessary the local validation list for planning applications;
 - make and confirm Article 4 directions restricting or removing permitted development rights;
 - nominate officers to represent the council on forums and working parties;
 - authorise officers to enter land and buildings in the course of their duties in accordance with the provisions of the Town & Country Planning Acts;
 - enter into, modify or discharge planning or legal agreements securing controls over development (e.g. Section 106 of the Town & Country Planning Act 1990);
 - make changes to conditions approved at Committee (in the light of changing circumstances between the meeting and the issue of the decision) provided this is in line with the principles of the Committee's decision. Any such

changes will be reported back to a subsequent Committee for members' information;

- annually recommend to the budget process all planning fees and charges
- refuse applications following a resolution to grant permission or consent if the required legal agreements are not completed by the applicant within the timeframe set out in the officer's report and present an information report for acceptance by the relevant Planning Committee on a quarterly basis ;
- institute and defend judicial reviews and statutory challenges in consultation with the Associate Director, Legal and Governance.
- Make and serve Building Preservation Notices.
- determine whether an application falls within the remit of Strategic Planning Committee or the relevant area planning committee after consultation with the relevant cabinet member.

With the following exceptions:

- 1.1 Applications submitted by Wiltshire Council will not be dealt with under delegated powers where an objection has been received raising material planning considerations.
- 1.2 Reference to Committee by Wiltshire Council Division Member

Division Members can request in writing/email that a planning application within their Division proceed to determination by way of an Area Planning Committee. (Any request must be received within 21 days of the circulation of the weekly list of 'applications received' in which it appears, and set out the material planning consideration(s) which warrant the application going before committee). Officers will confirm what action is being taken following receipt of the request.

Where it has not been possible or appropriate to call an application in within this time, officers will accept call in requests in the following circumstances: -

1. An application has not been determined and it can still go to Committee and be determined within the target date.
2. The application is already going to go out of time (because of negotiations/amended plans etc.) and taking it to Committee will make no difference to performance.

Where neither of the above apply, and the Division Member thinks there is a strong case to delay the determination of the application and take it to committee, they can discuss the case with the relevant Area Development Manager who will then make an informed decision whether or not to exercise delegated powers.

- a. It is perfectly acceptable for members to nominate a substitute(s) to undertake their planning responsibilities, including application 'call in', if

Comment [a17]: Should this refer to the Director and they can delegate to Area Development Manager under a Scheme of sub delegation? IRG/FC to confirm

they have a conflict of interest or during periods of absence such as holidays or illness.

- b. Applications for tree work, prior approvals, Certificates of Lawfulness; notifications and variations/discharge of legal agreements - where the latter would bring them in line with a planning decision already made by the Council, will not be eligible for call-in and will be dealt with under delegated powers.
- c. If private applications are made by
 - a member or their close relations;
 - a Director of the Council or their close relations; or
 - a planning officerand objections are received raising material planning considerations the application will be determined by a committee.

There will be occasions where it would be possible to deal with certain applications under delegated powers but where the Associate Director, Economic Development and Planning Services considers it inappropriate to do so, having considered any public representation and consultee responses. In these cases the applications will be determined by an appropriate planning committee.

1.3 The following applications shall be dealt with by the Strategic Planning Committee:

- Large-scale major developments which, by their nature (e.g. scale, location etc.) have wider strategic implications and raise issues of more than local importance. This will include applications of a similar nature by Wiltshire Council to develop any land of Wiltshire Council, or for development of any land by Wiltshire Council or by Wiltshire Council jointly with any other person which have similar implications or raise similar issues.
- Planning applications for mineral extraction or waste disposal, other than small scale works which are ancillary to an existing mineral working or waste disposal facility;
- Applications, which if approved, would represent a significant departure from the policies of the statutory development plan, where they are recommended for approval;
- Applications called in by a Division Member that cross the boundary of two Area Planning Committees;
- Any application that the Associate Director, Economic Development and Planning Services deems raises issues that should be considered by the Strategic Planning Committee.

Definitions

Planning application means any application submitted to the Council for determination and included within the Governments' PS1 and PS2 returns. (This is a

statistical questionnaire dealing with performance which local authorities have to submit regularly to the government and which divides planning application into distinct categories; householder, minor, major etc.)

'Large scale major development' means any application for 200 or more houses; residential development of 4ha or more or other development of more than 10,000 square metres or more than 2 ha, as defined by the Government in the PS1/2 return.

Householder development and the other descriptions of development referred to above shall have the meaning ascribed to them in the Government's PS1/2 return.

Enforcement notices includes all other formal notices under the Planning Acts used to investigate and remedy alleged breaches of planning control or improve the appearance of an area, including Breach of condition notices and Section 215 notices.

A private application is one which has no connection with a member or officer's council duties. For example, if an officer submitted a Regulation 3 application on behalf of Wiltshire Council it would not be a private application.

A close relation is defined as spouse, partner, sibling, parent or offspring.
