The stock that was damaged included some very expensive vases, some of which we hire out for weddings, parties and other functions, which we had to replace immediately as they were booked to be used for a wedding. This was an expense we did not want to have.

On other occasions my staff have arrived into work only to find vomit, take away wrappings with food in, half full bottles of alcohol and even vomit smeared all over our recently cleaned windows. Me and my staff feel that unless something drastic is done about these occurrences it will continue and even get worse.

MRS COOK MR BURFORD

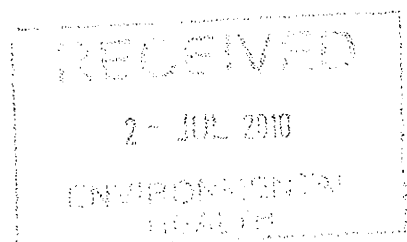

RE KARMA NIGHTCLUB

DEAR SIR OR MADAM

WE HAVE LIVED ON STATION HILL FOR NEARLY 22 YEARS SINCE THE SNOOKER CLUB WAS HERE FIRST, THEN BUDS AND NOW KARMA, THE SITUATION HAS GOT WORSE WITH LOUDER AND LOUDER MUSIC GOING ON TILL 2.30 PLUS IN THE MORNING, OUR TWO FRONT BEDROOMS CANNOT BE USED AT WEEKENDS AS NOISE UNBEARABLE WITH PEOPLE GOING UP HILL TO KARMA, SWEARING AND SHOUTING, AND GENERAL DRUNKEN BEHAVIOR, WE HAVE TO SLEEP IN BACK BEDROOM WHICH IS DOUBLE GLAZED, BUT WE CAN NOT HAVE WINDOW OPEN AS THE SHEER NOISE KEEPS YOU AWAKE, SO IN SUMMER WE SUFFER, WHICH IS NOT RIGHT AS WE ARE ALL ENTITLED TO A NIGHTS SLEEP. THE THUMP THUMP COMING FROM KARMA GOING ON TO 2.30 AT LEAST, AND BANK HOLIDAY SUNDAYS THEY ARE OPEN AS WELL, SO ITS 4 NIGHTS A WEEK, WHICH IS NOT GOOD ENOUGH. WE AGREE WITH POLICE THAT TROUBLE HAS ESCALATED OVER THE LAST YEAR. WE HAVE HAD OUR GLASS BROKE BY PEOPLE LEAVING KARMA AND WE KNOW OTHER BUSINESSES HAVE SUFFERED WORSE THAN US, ALSO ITS PEOPLE URINATING AGAINST OUR WALL AND BEING SICK WE HAVE TRIED TO BE TOLERABLE BUT ITS TO MUCH NOW, WE THINK KARMA SHOULD BE SITED OUT OF TOWN NOT IN A RESIDENTIAL AREA. WE ALL PAY OUR RATES SO WE ARE ENTITLED FOR SOMETHING TO BE DONE

1. The prevention of harm to children	Every Fri/Sat + some Sundays 12-4 AM I believe the noise, anti-social act can have a physical and emotional impact on the child residents of the area
2. To prevent public nuisance	please see attached

OBJECTIVES	EVIDENCE
3. To prevent crime and disorder.	There have been numerous incidents of vandalism, damage to cars/property, fights and assaults attributable to attendees of the nightclub
4. Public Safety	There have been incidents of drunken people wandering on the road amongst traffic. Copious vomit is always seen with the risk of communicable disease

Please list below any suggested actions that you feel the applicant could take to address your concerns.

- No Sunday opening
- Ensure any doors and windows are kept closed and all sound insulation measures are effective
- Steps should be taken to manage the immediate area to ensure 'revellers' leave the area in an orderly manner rather than carry out anti-social behaviour in the surrounding residential area

## 2. To prevent public nuisance

I have observed people upon leaving Karma nightclub using (via the Rotary club parking area) St Mary's Place to urinate, have sex, consume a variety of substances and generally be excessively noisy at times varying between 1:30 and 4:00 in the morning. On almost all occasions, when challenged, they are abusive.

The noise from the nightclub in the form of loud music is excessive particularly in the warmer weather as doors and windows are opened negating any sound insulation the nightclub may have. In the hot weather residents may wish to have windows open to ease the heat but this is impossible due to the excessive noise which normally lasts from midnight to at least 3:00 AM.

On Bank Holiday weekends the nightclub opens on a Sunday to the same timings as it would on a Friday and Saturday. As not all residents have the Bank Holiday Monday off from work this means that there is no respite from noise at all over these weekends.

On Friday and Saturday (and occasional Sunday, as mentioned above) I get no sleep before 4:00 due to the noise - we are in a conservation zone as well as listed buildings and so are restricted in being able to fit double-glazing.

Wiltshire Council,  
Monkton Hill Offices,  
Chippenham.

Regarding Review of Premises Licensing, by the Police, on Karma Night Club,  
Station Hill SN15 1EQ: Section 51 of the Licensing Act 2003.

Dear Sir/Madam,

I have over the last few months written letters to the Environmental Health Department regarding Karma Night Club. My chief complaint has been the sheer volume of noise/music being played. Bearing in mind that I have the bulk of St Mary's church between me and Karma AND I have modern double glazing the throbs of the lower register notes of the music are clearly audible from the lounge at the front of the house. It is also audible from the back of the house where I sleep. I don't need to remind you that the current licence extends to 3a.m. Karma regularly have club nights on Thursdays, Fridays and Saturdays; that is three nights out of seven that I have to live with this disturbance to my life and sleep.

Finally having written the notes above I question the authorities policy of issuing a licence for my night club in what is an area that has some retail outlets AND is also a residential area too. Note that Karma's nuisance value extends well beyond Station Hill.

Yours Sincerely,

ALLAN CLYDE.

## Re: Review of Premises license (Karma Nightclub)

Dear Sir/Madam,

I write to you in response to your review of the premises licence for the Karma nightclub on Station hill.

Our business, Phase Patch Craft, is currently situated next door to the nightclub on the same side of Station hill. We have been operating there for nearly 4 years and have known both the previous and current owners of the nightclub.

Since the business has been under new ownership, the following changes have taken place:

- The outside of the building has been greatly improved. It has been repainted and redesigned, making it look smarter and improving the look of the area.
- The "day" staff are excellent. They ensure that the whole area is kept clean and tidy. This does not just include the area outside Karma, but they also wash and brush most of the street.
- As a central shopping/business area of Chippenham, the success of the club has brought more people to the area. Although, there have been some issues with minor disorder issues, more people coming into an area helps all local businesses working within the area.

We understand that there are obviously issues with the Karma – Council/Police relationship, but this should not detract from the benefits that can be seen to the local economy through successful local businesses. Such as:

- The club employs many local people and provides one of the few worthwhile meeting places for young people in Chippenham.
- Chippenham's other pubs/takeaways benefit from the increased footfall of people coming into Chippenham during the weekend. Chippenham is struggling enough already, without further business being pushed to other local cities.

I believe that one of the main issues with a club of this sort, is that the success has outgrown the areas ability to handle the numbers of people that are being attracted on a busy night. This is obviously something that the Council and police need to work in conjunction with the club to alleviate. Restricting or removing the
