Rudloe Pre School children's play area and disabled access

#### **2. Project summary:**

We come from a deprived area with a low income serving the local community we are the only pre- school in the area and a lot of our parents don't have transport. Many of our children live in flats with no enclosed area to play in. For health and safety reasons we need a suitable disabled access and fencing to discourage other people gaining access and stop our YP getting out. we are a charity funded pre school with not a lot of money we need a fence as we are getting a lot of vandalism from older children also we planted a lot of seeds to return after the weekend to find our pots had all been turned upside down as well as our toys being put on the roof broken.
