Notice of motion No. 13

Improvements to Junction 16 – Councillors Mollie Groom and Ricky Rogers

“Wiltshire Council has failed to consult on or consider fully the impacts that improvements to Junction 16 will have on Wiltshire’s environment and people and I request that:

- a) Junction 16 improvements are put on hold until the impacts are consulted on and considered, and**
- b) effective public transport improvements for the Wootton Bassett to Swindon corridor are sought urgently, including rail, with the opening of Wootton Bassett station and one at Mannington, and that the cycle path is brought forward from the present schedule of 2021 to 2015”.**
