Dear Cllr Humphries and Marlborough Area Board.

LPSA Performance Reward Grant Bid

I am writing further to your bid for LPSA Performance Reward Grant for Marlborough Christmas Lights. The bid was presented to the Performance Reward Grant panel on 22nd July 2010.

I am sorry to tell you that this bid was not approved.

The Panel did not feel that this was a suitable bid for PRG money and the bid had little support from Thematic Delivery Partnerships. It was also felt that it would set a precedent for other areas to attempt to bid for this kind of thing if it were approved. However, it was suggested that the Area Board might like to consider this request from the money you have available to allocate to energy efficiency initiatives.

Thank you for your interest in the Performance Reward Grant Scheme.

Yours sincerely,

Karen Spence
