Representation form

This form must be returned within the statutory period, which is 28 days from the date the notice was displayed on the premises or the date specified by the Public Notice in the newspaper. Please contact the licensing section to confirm this date.

Any individual, body or business can make a representation to the licensing authority in relation to an application, regardless of their geographic proximity to the premises. Any representation must be relevant, in that the Representation relates to one or more of the licensing objectives.

Your name	CHRIS CASWILL

<ul style="list-style-type: none"> - An individual? - A person who operates a business? - A person representing residents or businesses? - A member of the relevant licensing authority (ie, elected councillor of the licensing authority)? <input checked="" type="checkbox"/> 	WILTSHIRE COUNCILLOR
If you are representing residents or businesses who have asked you to represent them?	/

Your representation must relate to one of the four licensing objectives, which are detailed below. Please detail the evidence supporting your Representation and the reason for your representation. If necessary, separate sheets may be used.

Objectives	Evidence
1. The prevention of harm to children	/
2. To prevent public nuisance	Extension of the alcohol licence till 330 and dance (2 music) till 4 will increase the risk of late night public nuisance in the street & to local residents

Objectives	Evidence
3. To prevent crime and disorder	Longer weekend hours will require additional Policing. There is an infernal history of crime & disorder in this part of town
4. Public safety	Longer drinking times will increase the risk of drunken behaviour in the street, which is a threat to public safety

Please list below any suggested actions that you feel the applicant could take to address your concerns.

Stringent noise controls must be enforced on the additional room. There are people living nearby who are already badly affected by noise.

We do not need additional late night noise and alcohol consumption in the town centre. Restricted hours have been imposed on another night club in the area and an extension of time here would be inconsistent with that policy.

If a hearing needs to be held to determine the premises licence application, the councillors will generally only be able to consider matters that have previously been disclosed. However, additional information in support of your representation may be considered if all parties at the hearing agree. We advise that you detail all matters that you wish to be considered on this initial Representation, attaching additional sheets if necessary.

If you do make a representation you will be invited to attend the licensing sub-committee hearings and any subsequent appeal proceedings relevant to your representation.

All representations in their entirety, including your name and address, will be disclosed to the premises licence applicant. A copy of representations will be annexed to the licensing officer's hard copy report, which is a public document circulated to the licensing sub-committee and to all those who have made relevant Representations.
