3. Performance and Other Local Issues

Pc Greg Ferguson joined the team as Community Beat Manager on the 12th July 2014.

Greg has a wealth of police experience and I hope that residents are already getting to know him.

On the 9th August SPS Sarah Pickles for Wiltshire Police led a cross boarder operations tackling cross boarder criminality where 30 special constables from Dorset Hampshire and Wiltshire target rural crime. Throughout the night officers engaged in high visibility patrols across the whole area, conducting stop checks on persons and vehicles. Following two separate stop checks in Wimborne and Christchurch two males were dealt with for Possession of Cannabis. In Tisbury several suspicious vehicles were located and checked by officers. Over 200 checks were carried out, officers located three known person who were suspected of poaching on private land, stop and accounts were completed on the males. They all commented on how shocked they were to see so many Police in the rural area so this could have only sent a good message out.

There is a minor reduction in both Dwelling and Non Dwelling burglaries for the period. We have seen an increase in Violent crime, the increase appearing to be mainly in private space.

Also the ASB data has been changed to reflect a full 12 month comparison as per the crime data in an effort by the performance dept to give more consistency.
