Wiltshire Local Transport Plan Strategy 2011 - 2026

The Council has a statutory duty to review and publish a new Local Transport Plan (LTP) by the end of March 2011. In essence, Local Transport Plans steer the implementation of national transport policies at the local level.

The Wiltshire Local Transport Plan is made up of:

- A long-term transport strategy that seeks to:
 - support economic growth
 - reduce carbon emissions
 - contribute to better safety, security and health
 - promote equality of opportunity
 - improve quality of life and promote a healthy natural environment
- A shorter-term implementation plan based on a realistic assessment of available funding, and
- A number of supporting strategies and technical documents.

In addition, the Local Transport Plan provides the framework for all other organisations with a direct or indirect involvement in transport in Wiltshire.

Consultation on the draft Local Transport Plan will run from **4 October to 26 November 2010**.

The preferred method of communication is for comments to be submitted online at: <http://consult.wiltshire.gov.uk/portal>, where electronic copies of all the documents will be available. Paper copies of the summary document, questionnaire and a reference copy of the Local Transport Plan will also be available from all libraries and main Council offices.

The Council's Cabinet and full Council will consider the results of the consultation in February 2011 prior to the publication of the final Local Transport Plan in March 2011.
