<b>What evidence is there that this project/activity needs to take place/be funded by the area board?</b>	Following criticism in local press and from members of the public who considered Trowbridge Christmas Lights to be of a poor standard compared to lights in surrounding towns.		
<b>How will the local community benefit?</b>	By "refreshing" the lights this will enhance the town centre streets, encouraging more people to visit the town and ultimately increase the business across Trowbridge. The night life will become more dynamic as people travel in to see lights, shop, visit the cinema, eating establishments and local pubs. Hopefully with more people out on the street the town will develop a more welcoming nightlife.
