<p>25/01/2014 Saturday</p>	<p><b>Report by Officer</b></p> <p>25/01/2014 at 03.11hours there were only 2 door staff at 03.35 hours, officers drove around the block and returned a few minutes later, still only 2 door staff. At 03.40 hours one of the door staff walked to the back of the Heart Foundation and appeared to be looking through towards The Beach. It had already been ascertained that The Beach had already closed. At 03.43 hours Favourite Chicken closed their doors and shortly after all the lights were out. 1832 PS Philpott.</p>

<p>26/01/2014 Sunday</p>	<p><b>Report by Officer</b></p> <p>26/01/2014 03:35 hour's only one door supervisor could be seen at the front of the premises, when conferring with the door supervisor it was ascertained that there was one further member of door staff by the counter inside. It was confirmed that there was only 2 door staff. I was informed that The Beach was busy so the third door supervisor wasn't able to attend. At 03.50 hours there were still only 2 door staff, the owner came out to me stating that another one would attend at 04.00 hours from The Beach, he was informed that he was breaching his license by trading with only 2 door staff. At 03.55 The doors were closed and the lights turned off. 1832 PS Philpott.</p>

I attended a takeaway business named Best Favourite Chicken which is located in Market Street Trowbridge.</p> <p>I spoke to the owner Mr OLMEZ and enquired as to where his door staff were as I am aware he is required to have two after midnight, and there were none present. Mr OLMEZ informed me that one was on his way. When I asked him if anymore were coming he replied no.</p> <p>My shift finished at 0300 hrs and up until that time I only saw one door man working at the premises.</p> <p>Collar No.: 26 PS Suter</p>

I am aware that a condition of his licence requires two door staff to be working from midnight until 0330 hrs, with a third door man between 0330 hrs and 0500hrs.</p> <p>I entered the shop and spoke to Mr OLMEZ.</p> <p>I asked Mr OLMEZ where the staff were, and he replied he did not need door staff until 0100hrs. I explained my understanding of his licence was that two were required at midnight. He continued to argue the point with me and was adamant that they were not required until 0100hrs.</p> <p>At 0405hrs the same day I attended Favourite Chicken following a report of disorder at the premises. Whilst at scene I spoke to a door man who reported that a female had been assaulted inside the premises and that the suspect had then left the shop and punched the main window causing it to break.</p> <p>I noticed that the security cameras inside the premises and also one outside that was looking down at the area where the suspect would have been standing when he smashed the window.</p> <p>I spoke to Mr OLMEZ regarding the CCTV he said the cameras inside were working but not the one on the outside.</p> <p>Collar No: 0026 PS Suter</p>

### **Summary**

Wiltshire Police have considered the extensive licensing history of this premises documented by the Licensing Authority, the response to concerns by the Premises Licence holder and the continued breaches of the Premises Licence.

Attempts have been made by previous Licensing Committees and Magistrates to balance the Premise's Licence holders right to operate his business with the statutory duty of the responsible authorities to reduce crime, disorder and anti social behaviour.

In spite of these efforts the premises continues to be the focal point for crime and disorder associated with the night economy, Wiltshire Police have no confidence in the premises licence holder to promote

the licensing objective – the prevention of crime and disorder. Conditions applied at previous hearings are not complied with and there are no further conditions which would effectively counter the concerns.

The revocation of the licence is now the only effective option to properly promote the Licensing objectives.

I am Police Constable 2413 OAKLEY and I work from Trowbridge Police Station .

On Saturday 31<sup>st</sup> January I was on duty in full uniform work in the company of PC 2541 LAPPIN.

At 0309hrs we were tasked to Trowbridge, to Best Favourite Fried Chicken, to a report of a disorder.

Trowbridge CCTV had been monitoring a group that were possible causing issue, and a black male dressed all in black was trying to fight with other people.

At 0314hrs we arrived at scene, as we pulled up outside I noticed that there was a group of people out side of Best Favourite fried Chicken, there was a black male about 5'9 in height and a taller black male over 6ft, they seemed to be trying to fight one another, the shorter male dressed all in black was being held back by a white male, this black male seemed to be trying to get to the other black male, and try to punch him, for this reason, I had to step in and tried to prevent the male from fighting and attacking the male, at this point the 5'9 black male has pushed me with both of his hands to my chest with force and I have gone backwards, the male then quickly reacted and calmed down, he apologised for pushing me, and stated he did not realise I was police and thought I was a member of public trying to get to him, for this reason took no action, as I believed the male did not realise at first I was a police officer and I then calmly spoke with the male.

I asked him to calm down, and to go home, but he refused as he wanted some food, I sated that he could go and get some food, as long as he did not cause on more trouble, the male went into Favourite Chicken, and ordered his food, whilst trying to pay he stated he did not have his wallet and it had been stolen from him.

The male become aggressive, I asked him to clam down and he started accusing all the customers in the takeaway, there were about 15-20 people in total.

I stated to the male that for him to go out side, and we would discuss the matter outside, the male went outside and he informed me that he last had his wallet in The Beech Nightclub, I attended the Beach night club with the male , the wallet was not there and had not been handed in, is stated I would take a report of theft of his wallet from him but he refused details saying the police never do anything.

PC 2541 LAPPIN was in company with us, the male then headed back to Favourite Chicken , I informed him he would need to clam down, the male seemed calmer, but was drunk, his breath smelt of intoxicants , he still would not leave and I was worried there would be a further disorder, on arriving back outside Favourite chicken I saw the black male approach a white male, he went up and asked him if he had seen his wallet, at this point I was discussing a section 35 dispersal

[REDACTED]

order with PC 2541 LAPPIN and was about to contact the inspector, I was stood about 2-3 meters away from the Black male, he went foot to foot with the white male, and I saw him clearly head butt the white male, the white male I now know to be [REDACTED] did head butt the male back. But the black male was the main instigator [REDACTED] had not come to attention before this incident and seemed very clam.

At 0325hrs I arrested the black male I now Know to be [REDACTED] on suspicion of ABH, i stated " YOU DO NOT HAVE TO SAY ANYTHING BUT IT MAY HARM YOUR DEFENCE IF YOU DO NOT MENTION WHEN QUESTIONED SOMETHING WHICH YOU LATRE RELY ON IN COURT ANYTHING YOU DO SAY MAY BE GIVEN IN EVIDENCE "

Necessity prompt and effective investigation and to prevent further harm and injury ,he was placed in handcuffs, and placed in the rear of the police vehicle.

The male made no reply, but kept commenting about his wallet being stolen, which I did explain I was trying to deal with .

I spoke with [REDACTED] who informed me that earlier on in the evening the male I had arrested had punched him to the face, the male had a bruised swollen nose, he stated he saw the male that I had arrested groping a female, he went and intervned and the male punched him to the face.

[REDACTED] also Had a small lump appearing to the left hand side of his face above left eyebrow .

[REDACTED] was transported to custody arriving at 3045hrs.

I would like to add that on attending Best Favourite Fried Chicken Market Place Trowbridge, i am aware that there are conditions and after 0300hrs there are meant to be three door staff present.

On attending at 0314HRS there were no door staff present, and the owner was serving food over the counter and they were still open .

There was a disorder outside and also inside, and at no time did any door staff present them self , or show up at Favourite Chicken.
