

MVCAP

Report for Area Board meeting on Wednesday 6th May 2015

We're now moving to a totally volunteer driven model to reduce costs for the charity. This means that we will be focussing on a few projects and will be unable to provide the range of advice and support that we used to. We can however still provide services such as help with small amounts of printing (up to A3 and laminated) and setting up simple free websites for community groups and charities.

Community Facebook Groups:

We recently set up and are moderating Facebook groups for the parishes of Crudwell, Luckington, Oaksey and the Somerfords. They have proved popular and, along with the group we've run for Minety for a couple of years, now have over 450 members.

Malmesbury Area Pathfinders (MAP):

As we move towards summer we will be working to waymark the White Walls Way (WWW) route and provide high quality maps and directions free of charge on the WWW website.

For more about the White walls Way and leisure walking in the area – see the website at malmesburypathfinders.org.uk

Great War Project (GWP):

Our ongoing living memorial project to mark the centenary of the First World War. We have developed a small travelling exhibition with reproduction memorabilia and audio accompaniment. It includes a scheme to collect the views and stories of the current generations which relate to WW1. It will be available for communities to borrow - please get in touch to find out more.

Green Matters:

This is our what's on guide to green issues in Wiltshire and Gloucestershire. The website covers the local ecology, nature, wildlife, environmentalism, sustainability and climate change events within about one hour's travelling from Malmesbury.
