### **Late Representations**

#### **Applicant**

Comments have been received from the applicant confirming their position, that the development will not cause drainage issues.

The applicant also draws attention to specific comments and letters of support for the proposal which highlight the extent of local support including the importance of retaining young people in the village by providing affordable homes, that the development is needed to retain the public house and the need for 2-bed dwellings in the village. No new issues are raised and these matters are discussed fully in the report.
