Youth Grants Area Board funding application

1. Purpose of the Report

To ask the Area Board to consider one application seeking 2015/16 Youth Grants funding:

Aldbourne Youth Council. A project which will provide positive activities for young people aged 13-19 to engage in during the summer holidays.

The application submitted is available on the following link:

Background

1.1 Area Boards have authority to approve Youth Grants area applications as per the Leaders Guidance for Community Area Grants on positive Activities for Young People, adopted by Marlborough Area Board. Area Boards will allocate their dedicated youth funds in accordance with this guidance issued by the Leader, meeting requirements of the Constitution. These decisions will take place at the public meetings to ensure that consideration on how the Youth Grants funding is deployed is open and transparent.

1.2 Area Boards must comply with the statutory equality and safeguarding duties as well as the council's rules on contracts and procurement and the code of conduct, as well as ensuring the Community Youth Grants criteria is met. Area Boards have been delegated the responsibility to ensure positive activities for young people are secured sufficiently to improve their well-being and to ensure support from Wiltshire Council Children's Services has been received. This support will fundamentally come from the local areas Community Youth officer so Area Boards need to be sure this resource has been offered and enabled.

1.3 The Community Youth Officer is required to provide recommendations from the Local Youth Network management group through a report submitted to the Area Board. These recommendations will be generated from the Local Youth Network management group through the use of a scoring sheet matrix of each Youth Grant

funding application. Community Area Boards must take into account these recommendations, advice and guidance.

1.4 When considering funding applications, the Area Board must ensure there is evidence that young people have participated in the decision making process. This will have been verified by the Community Youth Officer.

1.5 Area Boards must ensure that safeguarding and quality assurance standards have been met and that and must have the necessary policies and procedures in place to meet legal requirements. The Community Youth Officer will have carried out these checks on the group that has submitted an application for funding.

1.6 Applications of up to and including £5000 can be made for a Community Youth Grant and those that have sought match funding will carry more weighting.

1.7 Applications that involve and benefit groups of vulnerable young people will be given extra weighting when coming to a decision.

1.8 Applications must help meet the identified needs, priorities and outcomes for young people in the area that the Local Youth Network has provided through its community needs analysis.

1.9 Applications must be for positive activities for young people aged 13-19 (up to 25 years of age for young people with special additional needs and or disabilities and must be for new projects and or support community projects, not retrospective applications. The Community Youth Grant funding is for revenue based positive activities for young people and is ring-fenced for this purpose.

1.10 Those applying for funds must be a voluntary or community sector organisation or have a sponsor organisation. Applications may be received from a parish/town council or school or other statutory service, providing conditions of application have been met, as per criteria. Groups of young people may apply providing they have the support of a supporting/sponsor organisation.

1.11 Area Boards will not consider Community Youth Grant applications from town and parish councils or schools/other statutory bodies for purposes that relate to fund their normal services and or activities

1.12 The funding is not to replace other local funding which is used to support services and activities for young people and the Area Board is required to ensure the funding enhances and complements local provision/resources.

1.13 The Area Board will ensure that impact assessment will form a condition of any funding decision to enable monitoring of the effectiveness of positive activities. The Community Youth Officer and the Local Youth Network management group will carry this role out. This will include recipients completing and returning evaluation forms and accounts of expenditure.

1.14 The emphasis of this Community Youth Grants funding is to support the ethos of the community-led model for the provision of positive activities for young people,

which supports young people and their communities to come together to develop a local response to meet local needs. Therefore, applications that embrace and evidence this should be encouraged.

1.15 Area Boards will consider funding applications at every meeting whilst there is still funds available.

1.16 The funding criteria and application forms are available on the council's website: <http://www.wiltshire.gov.uk/council/areaboards/communityyouthactivitiesgrants.htm>

2.2. Councillors will need to decide and be assured that young people and the community will benefit from the funding being awarded and the project/positive activity proceeding.

2.3. Councillors will need to ensure measures have been taken in relation to safeguarding children and young people.

2.4 Councillors will need to ensure that young people have been central to each stage of this Community Youth Grant funding application.

4. Recommendations

The LYN Management Group met to consider an application from Aldbourne Youth Council on the 29th April 2015, where the applicant requested the sum of £5.000 to run a summer activity for young people 13 – 19, up to 25 years if disabled and with special educational needs in the Marlborough Community Area.

The LYN Management Group agreed that there were further information that was required and clarity on the recorded finance – therefore it was unanimous decision to defer the application until the 16th June 2015, where the applicant would have sufficient time to provide the information requested.

Following the Area Board meeting on the 19th May 2015, a unanimous decision was agreed to defer the AYC application until 16th June 2014 in line with the LYN Management's recommendation.

The minutes from the Area Board meeting can be found on the Wiltshire Council website: <http://cms.wiltshire.gov.uk/ieListDocuments.aspx?CId=165&MId=8761&Ver=4>)

It was highlighted that as the grant requested by AYC was for summer activities for local young people and the only one available in the Community and as there will not be another scheduled Area Board until 21st July 2015, it was agreed that an 'Extraordinary' meeting would be arranged, in order for the Board to make their final decisions based on the LYN Managements recommendation from the 16th June 2015.

A letter to Aldbourne Youth Council has been sent from the LYN Management Group inviting them to their meeting on the 16th June and where they will be informed of the recommendation decision. The meeting will be held at the Children Centre George Lane from 7pm.

The Extraordinary meeting has been scheduled for 18th June 2015 and will be held at 11am at the Town Hall in Marlborough, where a final decision will be agreed in line with the LYN Management's Group's recommendation. This recommendation will be published as an agenda supplement prior to the extraordinary meeting of Marlborough Area Board.
