- **Village Summer Party Sat 4 Jul:** Well attended – 70+; plenty of activities – bouncy castle, air rifle target shooting; general games; BBQ; music. Tremendous evening, but marred by an accident at 7.45pm:
 - One our children fell awkwardly while exiting the bouncy castle, causing what subsequently turned out to be a fractured bone on her elbow.
 - Parish Councillors dealt with the incident, calling 999 for an ambulance. Wilts Air Ambulance deployed a helicopter to the scene, arriving within 10 mins of the call. The casualty was taken to Salisbury District Hospital.
 - The child had a succesful operation in the early hours of the night and arrived home the following afternoon.
 - NHS support proved to be highly effective during this incident
