Re: Rose & Crown East Street Warminster

Dear Maggie

Following a conversation with your colleague today as you were on leave, please find my comments on the Rose & Crown East Street Warminster Application

As the local councillor for this area I have been made aware of a number of objections to this application (some of which have been forwarded to you already)

Mainly on the grounds of.....

Noise Car parking and anti social behaviour

In my opinion I can agree with these objections and would ask you to consider them most strongly when deciding your recommending your decision

Thank you

Regards, Andrew Davis (Warminster East)
