

WILTSHIRE COUNCIL

Item 6

AMESBURY AREA BOARD
21 OCTOBER 2010

ISSUES UPDATE

1. Purpose of the Report

- 1.1. To update the board on the issues received and in progress since the last meeting in September 2010.

2. Background

- 2.1 An online system has been designed to enable anyone from the Amesbury Area to submit an issue for the Community Area Manager to respond to, by identifying the relevant officer, councillor or partner to assist.
- 2.2 The system is currently being reviewed to ensure its ease of use by members of the public and any one wishing to submit an issue, and to ensure that the process by which issues are addressed is fully robust and efficient.

3. Overview of the issues received on the online system:

5. **Other issues that the Area Board continues to track include:**

(a) Bulford Bridge works – the following update has been provided by Highways:

“Works on the bridge are progressing well, with the piling and foundation work finished and all the service diversions in place.

The north edge beam (closest to the temporary footbridge) and the skew span deck have been completed, and the demolition of the main bridge span will be undertaken during the week beginning the 11th October, followed by the placing of the precast beam and casting of the infill deck. Sections of the southern edge beam are also due to be cast during the week beginning the 11th October, and finishing touches such as pilasters, parapet walls, carriageway/footway resurfacing and railing will follow over the proceeding weeks.

It is planned that the road will reopen in mid November.”

(b) Broadband access – Peter Smith, Secretary to the Stonehenge Broadband Group will say a few words at the October board meeting, with a view to delivering a fuller presentation on the Group’s work in December
