11 **Notice of Motion No. 2023-01 - Old Sarum Airfield**

Following circulation of the Summons it became clear that two planning applications had been validated about the Old Sarum site on 10 May 2023, which are therefore non-determined planning applications which could be called in to Committee for a decision.

Following consultation with the Monitoring Officer the Chairman has therefore confirmed that the motion would not fall within scope for the meeting in accordance with Paragraph 18.7.3 of Part 4 of the Constitution, which states:

18.7 Motions must be clear and concise and be about matters for which the Council has a responsibility or which affect the Council's administrative area. Motions will be rejected where they:

18.7.1 do not relate to a matter for which the Council has a responsibility or which do not affect the Council's administrative area or those living in that area;

18.7.2 are defamatory, frivolous, offensive, vexatious, unlawful or otherwise improper;

18.7.3 relate to any non-determined planning or licensing application;

18.7.4 name or identify individual service users, Members of staff or Members of staff of partner agencies; or

18.7.5 are considered by the Chairman to be inappropriate for the particular meeting or undermines the purposes of the constitution.

Accordingly, the motion will be rejected for consideration.

Item 7 – Public Participation

From Celia Beckett (Hilperton Area Action Group)

To Cllr Nick Botterill – Cabinet Member for Finance, Development Management and Strategic Planning

Background

Central government is now suggesting that housing targets should be only a starting point, with local circumstances also taken into account in the planning of an area.

Question (P23-08)

Does the Council agree with the Government's intention to give greater weight to Neighbourhood Plans and to extend protection for Neighbourhood Plans from 2 to 5 years?

Response:

The Council has welcomed the proposed change to paragraph 14 of the national planning policy framework to increase the protection to be given to neighbourhood plans that was put forward by Government through the recent consultation on reforms to national planning policy.

Question (P23-09)

If so, does the Council consider that large-scale development in the open countryside outside the Neighbourhood Plan allocations, where infrastructure provision is at an inadequate level, constitutes unsustainable development?

Response:

The development plan for Wiltshire includes both the Local Plan, prepared by Wiltshire Council as Local Planning Authority, and any neighbourhood plans that have been prepared by parish and town councils. Neighbourhood plans need to be in line with, and not conflict with, both national and Local Plan policy

Wiltshire's adopted Local Plan includes the Wiltshire Core Strategy and accompanying Chippenham and Wiltshire Site Allocation Plans. These contain allocations for large scale development in what could be said to be the

open countryside outside of an existing settlement. In preparing the Wiltshire Local Plan Review consideration is being given to where additional new greenfield allocations may be needed outside of existing urban areas to plan for the new homes and businesses that Wiltshire's growing community needs. Such growth is being planned so that it is supported by adequate infrastructure.

Appointment of Committees and Review of Allocation of Seats on Committees to Political Groups

1. This report guides the Council in constituting and re-appointing committees and following the legal requirements in allocating seats to political groups.

Legal Position

2. Under the Local Government & Housing Act 1989 (“the Act”) and subsequent Regulations, (“the Regulations”), the Council must review the representation of the different political groups on committees at the Annual Council meeting.
3. It is open to the Council when carrying out a review to adopt some arrangement other than that prescribed by the Act and the Regulations. Notice of such a proposal would have to be given in the Summons, and a decision would need to be made with no one voting against it. The remainder of this report assumes that the Council will not want an alternative arrangement to that prescribed by law.

Political Groups

4. There are currently 4 political groups on the Council. The respective strengths of those groups are as follows:

Name of Group	No. of Councillors in Group
Conservative	61
Liberal Democrat	27
Independent	6
Labour	3
Vacancy	1

5. Under the regulations, two or more Councillors may form and register a group by notice to the Proper Officer.
6. In accordance with the Council’s previous practice, it will treat a vacancy as being retained by the group which held the seat at the time a vacancy occurred, and undertake a review of the group allocations following a by-election when the impact on proportionality is known.
7. As a result, the allocations will be calculated on the basis of group strengths of Con 61, LD 28, Ind 6, Lab 3.
8. This report has been prepared on the basis of the strengths of the various political groups as they currently stand as set out in paragraph 7 above.

Principles

9. The Act sets out four principles which must be followed so far as reasonably practicable. They are:
- a) *Preventing domination by a single group:* All the seats on a committee should not be allocated to the same political group.
 - b) *Ensuring a majority group enjoys a majority on all committees:* If one political group has a majority in the full Council, that political group should have a majority on each committee.
 - c) *Aggregating all committee places and allocating fair shares:* Subject to the above two principles, the total number of seats on all the committees of the Authority allocated to each political group should be in the same proportion as that political group's seats on the full Council.
 - d) *Ensuring as far as practicable fairness on each committee:* Subject to the above three principles, the number of seats on each committee of the Authority allocated to each political group should be in the same proportion as that political group's seats on the full Council.

Application of Principles

10. The Council must review the establishment of its committees in accordance with the principles laid down in the Act.
11. Immediately after this is done, each political group should state the names of the Councillors it wishes to take its allocated places on committees, including substitutes, and when those wishes are known, the Council is under a duty to make the appointment of those Councillors as soon as practicable.
12. It is a legal requirement however that the Council formally approves the appointment of Councillors to committees and therefore it is essential that each political group notifies Democratic Services of their nominated Councillors to serve on committees.

Councillors not in a Political Group

13. In the case of Councillors who are not Councillors of a political group, a proportion of seats on committees equal to the proportion of Council Councillors who do not belong to a political group has to be reserved, with appointments to these seats being made by the Council at its discretion. There are no ungrouped Councillors on this Council at this time.

Committees of the Council

14. There are currently the following committees:
- Strategic Planning Committee
 - Area Planning Committees: Northern, Eastern, Southern and Western
 - Licensing Committee
 - Overview and Scrutiny Management Committee
 - Children's Select Committee

- Environment Select Committee
- Health Select Committee
- Standards Committee
- Audit and Governance Committee
- Staffing Policy Committee
- Officer Appointments Committee
- Electoral Review Committee
- Appeals Committee
- Wiltshire Police and Crime Panel (joint with Swindon Borough Council)
- Wiltshire Pension Fund Committee (joint with Swindon Borough Council)

15. Outside the scope of this report are the Cabinet, the Health and Wellbeing Board and Local Pension Board, as the political proportionality rules do not apply to these bodies. The membership of the boards will be included for noting in the motion, along with the non-committee working groups of the Corporate Parenting Panel and Safeguarding Children and Young People Panel, which are not required to be appointed proportionally but the council has chosen to apply such proportions. The Dorset and Wiltshire Fire Authority is a separate entity, and the current Wiltshire Councillors will be included for information.

Area Boards

16. Area boards are appointed by the Council under Section 102 of the Local Government Act 1972. These are constituted as area committees within the meaning of Section 18 of the Local Government Act 2000 and regulations made under that section for the purposes of discharging functions delegated by the executive (or not otherwise reserved). They are not subject to the rules on political proportionality. A list of these area boards is set out at Appendix 1 to this report.
17. All unitary Councillors representing the electoral divisions covered by the Area Board will be appointed to their respective area board.
18. Marlborough, Pewsey and Tidworth community areas are established as a single area committee known as the Eastern Wiltshire Area Committee. The area committee appoints three sub-committees, each of which operate as an Area Board, known as Marlborough Area Board, Pewsey Area Board and Tidworth Area Board respectively.

Local Pension Board

19. Under the Public Service Pensions Act 2013 and consequent amendments to the Local Government Pension Scheme Regulations 2013, each administering authority is required to appoint a local pension board to assist the administering authority to comply with relevant legislation and guidance, and to ensure the effective and efficient governance and administration of the Local Government Pension Scheme. Such Boards are constituted entirely under the Public Service Pensions Act 2013 and are not local authority committees.

Health and Wellbeing Board

20. Under the Health and Social Care Act 2012, the Council is required to appoint a Health and Wellbeing Board that works with partners, including the GP-led Clinical Commissioning Group (CCG), to prepare a Joint Health and Wellbeing Strategy for the Council and the CCG and to encourage the delivery of integrated services. The Board is to be regarded as an ordinary committee of the Council other than for proportionality and is therefore appointed by the Council, reports to the Council and with membership, as defined by the legislation, agreed by the Council as set out in the constitution

Children's Select Committee

21. This Committee must include nominees of the Church of England, the Roman Catholic Church and a number of elected parent governor representatives (historically there have been 3 appointed representatives – one from each school sector). They will be voting Councillors. In accordance with the principle set out at 7(b) above, the majority group are entitled to appoint additional Councillors to ensure it enjoys a majority. The Council also has discretion to appoint an unlimited number of co-opted Councillors onto this committee as representatives of children's organisations/agencies (historically this has been on a non-voting basis).

Joint Committees

Police and Crime Panel

22. The Wiltshire Police and Crime Panel as constituted under the Police and Social Responsibility Act 2011 is a committee of Swindon and Wiltshire and the two councils are required to meet a "balanced appointment objective" whereby its Councillors reflect both the geographical and political nature of the two councils plus the skills and experiences required to fulfil the Panel's functions. Wiltshire's Police and Crime Panel comprises 11 Elected Councillors, plus two independent members, with the ratio of Elected Councillors 7:4 in favour of Wiltshire Council.
23. The membership of the Wiltshire Police and Crime Panel must reflect the political proportionality of the two councils.
24. Following elections on 4 May 2023 Swindon's current political composition is as follows:

Conservative: 22
Liberal Democrat: 1
Labour: 33
Independent: 1
25. As noted Swindon Borough Council are entitled to 4 councillors on the joint committee, with Wiltshire Council entitled to 7 councillors.
26. When taken with the political composition with Wiltshire Council, and considering against the combined total of councillors, the allocation to the committee with each group considered individually would be:

SEATS		CON (Wilts)	CON (Swindon)	LD (Wilts)	LD (Swindon)	LAB (Wilts)	LAB (Swindon)	Ind (Wilts)	Ind (Swindon)
11		4	2	2	0	0	2	1	0
11		4.329	1.561	1.987	0.071	0.213	2.342	0.426	0.071

27. Swindon is therefore entitled to appoint 2 Conservatives and 2 Labour Councillors, leaving Wiltshire to appoint 4 Conservatives, 2 Liberal Democrats, and 1 Independent.

Wiltshire Pension Fund Committee

28. The Wiltshire Pension Fund Committee must also reflect the proportionality of both Wiltshire and Swindon Borough Council.

29. The Committee is constituted of five Wiltshire Council Councillors and two Swindon Borough Council Councillors. In addition to the seven elected Councillors, there are also two voting and two non-voting representatives co-opted representatives.

30. Using the same method as with the Police and Crime Panel as below:

SEATS		CON (Wilts)	CON (Swindon)	LD (Wilts)	LD (Swindon)	LAB (Wilts)	LAB (Swindon)	Ind (Wilts)	Ind (Swindon)
7		3	1	1	0	0	1	1	0
7		2.755	0.994	1.265	0.045	0.135	1.490	0.271	0.045

31. Swindon Borough Council is therefore entitled to appoint one Conservative and one Labour Member, leaving Wiltshire Council to appoint three Conservative, one Lib Dem and one Independent.

Dorset and Wiltshire Fire Authority

32. The political proportionality requirements of the Local Government and Housing Act 1989 applies to appointments to the Fire Authority. Wiltshire is entitled to appoint 6 Councillors to the Fire Authority, based on the respective strengths of the political groups the allocation of places is:

Conservative	61	4 seats (3.735)
Lib Dem	28	2 seats (1.714)
Labour	3	0 seat (0.184)
Independent	6	0 seat (0.367)

Method of Calculating the Allocation of Places to Political groups

33. The principles in paragraph 7 can be applied in the following sequence:
- i. Calculate the total number of seats with votes on all the ordinary committees.
 - ii. Calculate the proportion that each political group forms of the total Councillorship of the Authority. Reserve an appropriate number of seats for ungrouped Councillors.
 - iii. Apply those proportions to the total number of ordinary committee seats to give the aggregate entitlement of each group; the requirement to apply the

proportions “so far as reasonably practicable” can be met by rounding down fractional entitlements of less than half, and rounding up entitlements of a half or more; if this results in a greater aggregate than the number of seats available, the fractional entitlement(s) closest to a half should be rounded in the other direction until entitlements balance the available seats.

- iv. Apply the proportions to the number of Councillors on each ordinary committee to give provisional entitlement to seats on that committee.
 - v. If the provisional entitlement gives only one group seats on the committee, adjust the entitlement so that the next largest group has a seat (thus applying principle (a) in paragraph 9).
 - vi. Finally, adjust the seats on each committee so that the total allocated to each group is as near as possible to their aggregate entitlement, whilst preserving the results reached at steps (iv) and (v) (thus applying principle (c) in paragraph 9).
34. The Council is free to adopt any aggregate number of places on ordinary committees so long as it follows the principles in paragraph 9 and the sequence in paragraph 33.
35. A numerical guide to proportional representation on Committees is included at Appendix 2 to reflect the Council’s updated political composition. Group Leaders have agreed the allocation of the aggregate number of places on ordinary committees as follows:

Conservative: 107
Liberal Democrat: 49
Labour: 5
Independent: 11

This amounts to 172 committee places, not including the joint committees which will be allocated proportionately separately as detailed in this report.

36. A draft scheme of committee places will be provided at the meeting. With the joint committees allocated separately as detailed in this report the net position is that Labour would decrease by one seat on ordinary committees, Independents would decrease by one seat on ordinary committees, and Conservatives would gain two seats on ordinary committees.
37. A numerical guide to proportional representation on Committees is included at Appendix 2 to reflect the Council’s updated political composition.

Proposal

38. The Council is asked:
- i. To note this report and the legal requirements.
 - ii. To re-appoint the following committees with the terms of reference as set out in the Constitution:
 - Strategic Planning Committee

- Area Planning Committees: Northern, Eastern, Southern and Western
 - Licensing Committee
 - Overview and Scrutiny Management Committee

 - Staffing Policy Committee
 - Officer Appointments Committee
 - Electoral Review Committee
 - Appeals Committee
 - Wiltshire Police and Crime Panel (joint with Swindon Borough Council)
 - Wiltshire Pension Fund Committee (joint with Swindon Borough Council)
 - Health and Wellbeing Board
- iii. To re-appoint those Area Boards, constituted as area committees as set out in Appendix 1 of this report and within the constitution to comprise the Unitary Councillors for that area.
- iv. To re-appoint the Local Pension Board established under the Public Service Pensions Act 2013 and consequent amendments to the Local Government Pension Scheme Regulations 2013.
- v. To appoint Councillors to the Dorset and Wiltshire Fire Authority, in accordance with the guidance set out in this report.
- vi. To approve a scheme of committee places which sets out the number of seats available to Councillors of the Council and to political groups (Appendix 3).

Appointment of Councillors to Committees

Introduction

1. Following on from the decision to formally re-appoint committees and allocate seats to political groups, the Council must formally agree the appointment of councillors and substitutes to those Committees in accordance with the scheme of committee places that is agreed.

Appointment of Councillors and Substitutes

2. Each political group should state the names of the councillors it wishes to take its allocated places on committees and when those wishes are known, the Council is under a duty to make the appointment of those councillors as soon as practicable.
3. It is a legal requirement, however, that the Council formally approves the appointment of councillors to committees and therefore it is essential that each political group notifies the Democracy Manager (Democratic Services) on behalf of the Proper Officer of their nominated councillors to serve on committees by noon Monday 15 May 2023. Group Leaders may also wish to bear in mind the advantages of achieving a geographical spread of appointees particularly for area planning committees.
4. The Constitution currently provides that the Council will appoint substitute councillors to serve on each committee. Each political group is currently entitled to appoint up to four substitutes where it has a councillor on that committee. As with nominations of committee members (see paragraph 2 above) it is essential that each political group notifies the Democracy Manager (Democratic Services) on behalf of the Proper Officer of their nominated substitute members to serve on committees.
5. Councillors are encouraged to make use of the substitute system to ensure committees are fully represented in the case of absences by the appointed members. If a councillor finds that they are unable to attend a meeting, then they should contact Democratic Services to make their apologies and state in writing who will substitute for them at that meeting.

Committees of the Council

6. There are specific issues that need to be considered under the appointment of councillors.

7. The statutory rules regarding senior officers appointments embodied in the Council's Constitution require the Officer Appointments Committee to include at least one member of the Executive.
8. The Staffing Policy Committee requires two members of the Cabinet be included, as Cabinet representation is required on its sub-committees by the Council's constitution.
9. The Standards Committee currently allows for up to 8 non-voting co-opted members to be appointed, half of which must be town or parish council representatives. In May 2021 Full Council agreed that 4 co-opted members should be appointed, and delegated the appointment to the Standards Committee to appoint for the remainder of the council term.
10. As part of the Council's arrangements for dealing with Code of Conduct complaints, the Council is required to appoint at least one Independent Person whose views must be sought and taken into account before the Council makes a decision on an allegation it has decided to investigate. The Council in May 2021 appointed three Independent Persons for a four year term.
11. The Children's Select Committee must include nominees of the Church of England, the Roman Catholic Church and a number of elected parent governor representatives (historically there have been 3 appointed representatives – one from each school sector). These would be voting members. The Council also has discretion to appoint an unlimited number of co-opted members onto this committee as representatives of children's organisations/agencies (historically this has been on a non-voting basis).
12. Wherever possible the members of Area Planning Committees should be made up of local councillors. The geographical consideration does not apply to the Strategic Planning Committee where applications of a more strategic nature are determined and where members are expected to apply a more strategic approach.
13. All unitary councillors representing the electoral divisions covered by an Area Board will be appointed to their relevant area board as set out in Appendix 1 to this report.
14. Para 6.2.2 of Part 2 of the Constitution states that the chairmen of each Scrutiny Select Committees should have a seat on the Overview and Scrutiny Management Committee. It has also previously been considered appropriate that the Chairman of the Financial Planning Task Group should also have a seat on the Overview and Scrutiny Management Committee. Similar conventions have previously been in place in respect of the chairmen of the 4 Area Planning Committees having a seat on the Strategic Planning Committee. Group Leaders are therefore asked to consider these conventions when submitting their nominations for committee places.

Item 15 – Members’ Questions

From Cllr Carole King – Westbury North

To Cllr Caroline Thomas, Cabinet Member for Transport, Street Scene, and Flooding

Question (23-04)

With WC’s extensive road network and the current state of their roads, as is the problem nationally, including the extent of potholes, has WC applied for any further grants to help with their maintenance? Specifically, have they expressed an interest in the scenario as described below, and if not, would the Council consider offering to run a future trial?

I am aware (MPA summer 22 magazine) that new research has shown that the introduction of hydrated lime (calcium hydroxide) in asphalt can extend the life of road surfaces. A long term trial on a stretch of the A38 in Devon in 2021 is being monitored by the British Lime Association alongside Devon CC and their partners Aggregate Industries and South West Highways and others who provide technical support and annual surveys.

It is hoped that these trials will prove that road maintenance and resurfacing intervals can be extended, helping LA budgets to stretch further.

“The British Lime Association is interested in hearing from other highway authorities who may be interested in running a similar trial.” (For details contact the BLA at www.britishlime.org.)

Response:

The Department for Transport (DfT) provides annual grant funding to local highway authorities for highway maintenance purposes. The amount made available is based on a formulaic approach that looks at the total length of highway and its classification. The amount made available to the Council for 2023/24 stands at £20,727m. In addition, and in recognition of the deterioration of the highway network nationally through the 2022/23 winter period, the DfT have made available an additional grant of £3,684,800m in 2023/24 to help address carriageway condition.

The trials in Devon using hydrated lime are known about and the results will be monitored. The Council through its own contracts and supply chain keeps in touch with innovations in surfacing materials at a national level and will look to use once proven.

Item 15 – Members’ Questions

From Cllr Edward Kirk – Trowbridge Adcroft

To Cllr Phil Alford, Cabinet Member for Housing, Strategic Assets and Asset Transfer

Question (23-05)

Please can the Cabinet Member responsible confirm that Wiltshire Council will make an estimated net saving of £365,000 per annum from Trowbridge Town Council willingly agreeing to the Service Delegation and Asset Transfer Package (inc. The Down Cemetery) and that the Service Delegation and Asset Transfer was not forced upon Trowbridge Town Council and that it was therefore entirely their decision to forgo these Services previously provided by Wiltshire Council as part of Council Tax?

Response:

Trowbridge Town council approached us to discuss a service devolution and asset transfer package. We have a policy in place that allows for local councils to take on service provision at their own expense if they wish to do so. This enables local communities to have more influence over the standards of service in their local environment and we were delighted to work with Trowbridge Town council to enable them to take ownership of these responsibilities.

Throughout the discussions, Trowbridge Town Council were made fully aware of our current costs and the savings that would be made by us, they also fully understood the costs that they were taking on in this delegation, including with the cemetery. The estimated savings to Wiltshire Council include £270,000 in the street scene budget and £95,000 for the delegation and transfer of Down Cemetery, totalling £365,000. At no point were these services forced upon Trowbridge Town council, they were free to decide and were keen to take them on. We have made it explicitly clear that we will continue to provide a statutory level of service across all areas of our street scene responsibility, but should a local council wish to provide a more tailored service we will support them in doing so through the service delegation process.
