## Amesbury Neighbourhood Policing Team

### Amesbury Town Beat Area May 2023

PC 2967 Ryan MEARS [ryan.mears@wiltshire.police.uk](mailto:ryan.mears@wiltshire.police.uk)

PCSO 9364 Mark DOUSE [mark.douse@wiltshire.police.uk](mailto:mark.douse@wiltshire.police.uk)

### Pro-Active Work

- Op SCEPTRE National Knife Crime Amnesty Bin placed at Amesbury Baptist Church, with weapon sweeps by officers of Harvard Park, The Glenn Collier Skatepark and Bonnymead Park.

- Assist Team 5 Response officers with traffic control and recovery of broken down vehicle on A345. Subsequently return elderly occupants to home address.
- Plastic debris causing an obstruction removed from live carriageway A303 eastbound.
  - Metal debris removed from A338 live carriageway.
- Two year Amesbury Pubwatch Group Banning Order, hand delivered to recipient at their home address.

- Serve Notice of Seeking Possession of a property on Maple Way, Amesbury, in company with Sanctuary Housing Association officer. This is a final step before eviction of the tenant due to several years of criminality and anti-social behaviour, emanating from the property and individual in question. Any further reported incidents will result in an automatic court order reclaiming the property.
- Assist Roads Policing Unit & Serious Collision Investigation Team, with three vehicle road traffic collision A360.

- Cannabis grinder containing traces of the drug seized from 17 year old youth in Harvard Park. Subsequently booked in for destruction.

## Community Engagement

- Officers based themselves out of The Stonehenge School for the whole day shift on 19/05/2023. Including drop off & collection patrols on Holders Road, and hi visibility clerical work throughout the day. Engaged with approximately 300 students, during walkarounds of morning and lunch breaks, including passing hardcopies of Op SCEPTRE literature.

- 50 x anti-social behaviour surveys and letters hand delivered to dwellings on Finnis Road, Kilford Close & Lyndhurst Road, following reports and concerns raised by residents.
  - Working in the community at Evergreen Café.

- Assist elderly resident following Rogue Trader/Cold Caller incident at home address.
- Crime prevention advice, literature and door stickers passed to all residents at dwellings on Geneville Rise

## Priority Patrols

- Regular marked vehicle patrols targeting Rural Crime, Poaching, Hare Coursing & Dog attacks on livestock at Viney's Farm, Ratfyn Farm, Park Farm & Countess Farm.

- Marked vehicle & foot patrols of Boscombe Down Airbase perimeter, service personal housing estates & infrastructure, following request from Base Commander. Ongoing working relationship with Station Community Support Flight Sergeant, in addressing issues identified by officers.
  - Harvard Park – following reports of anti-social behaviour made by residents.
    - The Lynchets – following reports of drug use & anti-social behaviour
    - Woodland to the rear of Fairfax Close – following reports of cannabis use
      - Central Car Park toilets – following reports of drug use on site

## Foot Patrol

11 hours 30 minutes of foot patrol around Amesbury Town Beat Area, recorded in officers Pocket Note Books.

**Numerous other activities have been carried out, which cannot be disclosed for operational reasons**

## DORSET & WILTSHIRE FIRE & RESCUE SERVICE

### STONEHENGE AREA BOARD REPORT

#### Community Safety Plan

DWFRS Community Safety Plan can be found on the DWFRS website;

<http://www.dwfire.org.uk/community-safety-plan/>

#### Prevention

We are committed to making a real difference to the lives of people in Dorset and Wiltshire. Our aim is to reduce the level of risk and harm to our communities from fire, targeting those most at risk. We do this primarily through our Safe and Well visits.

A Safe and Well visit is **FREE** and normally lasts about one hour covering topics such as:

- Using electricity safely
- Cooking safely
- Making an escape plan
- What to do if there is a fire
- Keeping children safe
- Good practice – night time routine and other points relevant to you
- Identifying and discussing any further support the occupier may need

Are you or anyone you know:-

- Over the age of 65?
- Need a smoke detector?
- Have a long-term health condition?
- Suffer from poor hearing or sight loss?
- Would you struggle to escape in the event of a fire?

If you can answer yes to more than one of these questions, then please call us on 0800 038 2323 or visit <https://www.dwfire.org.uk/safety/safe-and-well-visits/>

## Protection

On-going interaction by Protection Team members with Local Authorities, Private landlords and tenants regarding fire safety-related matters: external cladding systems; fire detection and warning systems; fire resisting doors (& self-closers); combustibility/fire resistance of construction materials; commercial and residential sprinklers systems and water-mist suppression systems

### **General Enquiries**

If you have a general fire safety enquiry regarding commercial property, please email [fire.safety@dwfire.org.uk](mailto:fire.safety@dwfire.org.uk) and the Fire Safety Team will respond in office hours.

### **Fire Safety Complaint**

If you wish to tell us about fire safety risks in commercial premises, such as locked or blocked fire exits, you have three options:

- You can email the fire safety department at [enforcement@dwfire.org.uk](mailto:enforcement@dwfire.org.uk)
- Call 01722 69 1717 during office hours (9am-5pm).
- Call our Service Control Centre on 0306 799 0019 out of office hours (5pm-9am)

## On Call Recruitment

Have you always wondered if you could join the fire service, but haven't had the opportunity to find out more? Have you found yourself seeking your next challenge, keen to give back to the local community or wanting to learn new skills including leadership and teamwork? Then becoming an on-call firefighter is for you.

As a paid position, on-call firefighters commit anywhere between 60 to 120 hours per week, during which time they must be able to respond to the station immediately.

Many have 'normal' jobs during the day, then upon their return home make themselves available overnight or during the weekends. Some of our crew respond from their workplaces during the day, and we are very grateful to their employers for releasing them to perform their vital duties.

Anyone over 18 years old can apply (although you can also apply once you are 17½) you must be able to respond and attend the fire station within 5-8 minutes, you have a good standard of physical fitness (i.e. you are generally active), and you must have the right to work in the UK.

Further information on becoming an On Call Firefighter can be found at [www.dwfire.org.uk/working-for-us/on-call-firefighters/](http://www.dwfire.org.uk/working-for-us/on-call-firefighters/) or should you have any questions, you can call **01722 691444**.

## Recent News & Event

### Businesses encouraged to accept free fire safety checks

Local businesses are being encouraged to accept a free fire safety check if they are contacted by Dorset & Wiltshire Fire and Rescue Service.

Business fire safety checks involve firefighters visiting selected premises, based on their detailed local knowledge, and meeting with the Responsible Person. The aim is to give simple advice on how to make the property – and the people within it – safer from the risk of fire or confirm that the right things are being done.

More on business fire safety, including how to complete a fire risk assessment, can be found at [www.dwfire.org.uk/business-fire-safety](http://www.dwfire.org.uk/business-fire-safety)

### National campaign supports Biker Down initiative

Dorset & Wiltshire Fire and Rescue Service has joined forces with the National Fire Chiefs Council (NFCC) to support its national Biker Down safety campaign, which runs between 3-9 April.

Biker Down is a free three-hour course that provides practical and potentially lifesaving advice. It gives riders an awareness of what to do if they are involved with or see an injured motorcyclist, and how to reduce their own risk of being in a collision. The sessions are suitable for riders of all experience levels, whether riding for work, pleasure, or both.

More information and advice can be found at [www.dwfire.org.uk/biker-down](http://www.dwfire.org.uk/biker-down)

### Carbon monoxide safety reminder

We've been reminding everyone to make sure that they have both carbon monoxide and smoke alarms fitted at home.

It follows an incident last month when firefighters rescued a woman who had been rendered unconscious by carbon monoxide after a smouldering fire seeped smoke into her flat.

For advice on carbon monoxide and making your home safer, visit [www.dwfire.org.uk/carbon-monoxide](http://www.dwfire.org.uk/carbon-monoxide)

# Stonehenge Area Board

## End of Year Report

May 2021 - March 2023

# Stonehenge Area Board

Stonehenge Community Area is made up of the towns of Amesbury and Durrington along with the villages of Netheravon, Berwick St James, Bulford, Durnford, Enford, Figheldean, Fittleton cum Haxton, Great Wishford, Milston, Orcheston, Shrewton, South Newton, Stapleford, Tilshead, Wilsford cum Lake, Winterbourne Stoke and Woodford.

The Area Board is the local cabinet for Wiltshire Council for these areas, bringing local decision making into the heart of the community area. The Area Board is made up of 6 unitary councillors. The Councillors are the voting members of the board, and all those who engage in the board's work are equal members, able to influence decisions, shape and deliver on local priorities. The community has a large military population with the Bulford Camps within its boundaries and has a wide range of resources, including vibrant and active community, cultural and sporting hubs, a range of voluntary and community sector support organisations and a collaborative town and parish councils.

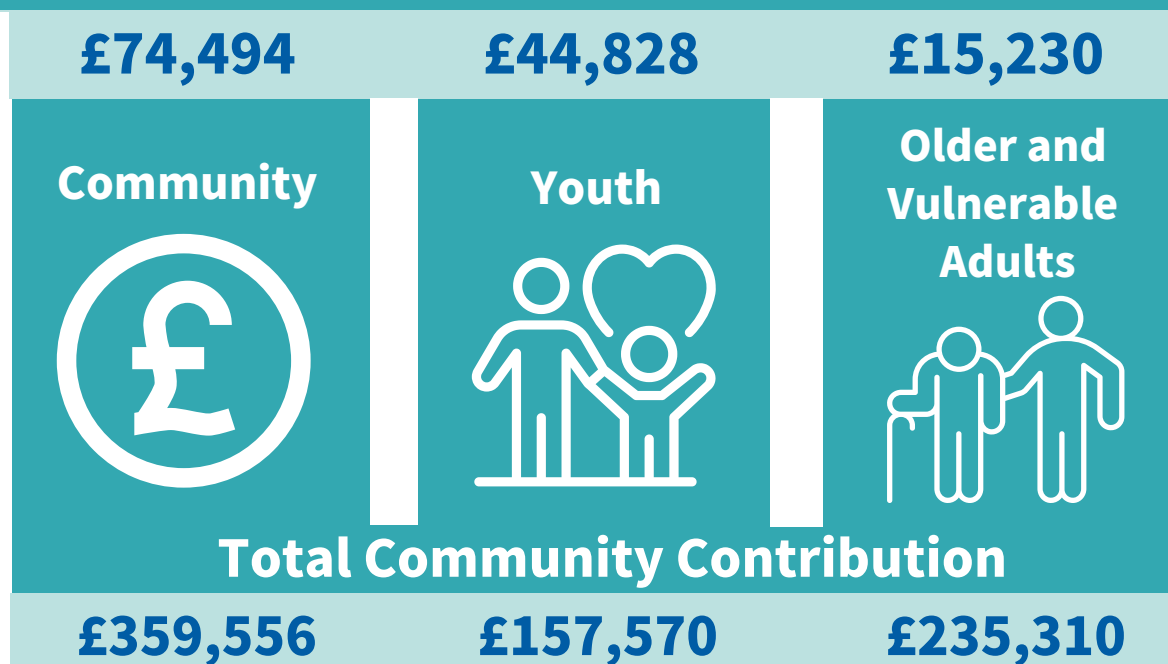

**Total  
Population  
36,357**

## Area Board Investment

The Area Board invests in local community projects and initiatives that meet local priorities and deliver exceptional outcomes for residents. The Area Board aims to work in partnership to achieve maximum value for its investment. They take a long term view to invest in prevention and early intervention, focusing on tackling inequalities and improving social mobility.

### Total Area Board Investment

The total amount invested in projects through additional community contribution, from fundraising, grants, services in kind or volunteering

# Local Priorities

The Stonehenge Area Board reviewed available local data and evidence and integrated this with local knowledge and community conversation to agree the following local priority themes. The Area Board has undertaken a series of more specific local actions to positively address them, including the key achievements below:

## Youth engagement

Stonehenge Area Board has continued to support several projects which are providing positive activities for young people. The rural youth outreach project continues to provide youth activities for young people isolated due to living in rural areas.

Several other youth organisations have been supported with grant funding including God Unlimited Outdoor Therapy, the Army Welfare Service, the Wiltshire Outdoor Learning Team, Durrington Youth Services and others including sports and arts groups.

## Reducing our Carbon Footprint and protecting our environment

Stonehenge Area Board has continued to improve access on footpaths, byways and other rights of way, in order to make them more accessible and increase use via the Paths4All scheme with £3,000 worth of funding allocated to improve the network across several projects.

It continues to encourage grant applications for improvements to infrastructure such as the new heating system at Figheldean Village Hall. The AB is planning an environment/climate change themed event later in 2023

## Improving the health and wellbeing of our community

The health and wellbeing group has focused on supporting older and vulnerable adults by providing events that reduce social isolation and loneliness. This includes concerts both at Christmas and to mark the Coronation of King Charles III, as well as regular coffee mornings.

The group has also supported various groups and projects aimed at improving Health and Wellbeing of older and vulnerable adults such as, Silver Amesbury, Celebrating Age Wiltshire, Durrington and District Day Centre, the new Men's Shed group, Read Easy South West and Almost Wild Camping for the Bereaved.

The Stonehenge Community Area Board has developed a strong, well established and highly functioning network of local partners, organisations and residents in the community. The Board recognises the talents, expertise and knowledge of the local community and empowers and facilitates community led action to co-deliver local services.

A shining example of the type of support and change that area boards can drive forward through community-led action is the development of the Rural Youth Outreach Project. This has included hosting numerous pop-up youth events, the last of which at Shrewton Village Hall attracted over 60 young people to attend. The group are working on developing some potential volunteers to create a sustainable youth offer in these settings.

Another example would be the work of the Celebrating Age within the community. In particular the work done alongside the Health and Wellbeing Group to host two extremely popular free concerts. These events were both sold out and the feedback from attendees was overwhelmingly positive – many of the older people attending really value these opportunities to get out and socialise especially at Christmas and other times of national celebration when they would otherwise feel extremely isolate.

# Engagements

The Stonehenge Area Board works alongside other organisations to make things happen in the local community. These groups include the city council, voluntary and community groups, youth organisations, sports clubs and local charities.

The Area Board wouldn't be able to achieve what they do without these partners working on the ground with them. The Area Board hosts regular business meetings, engagement activities, events, surveys and working groups to stimulate and support local community action.

# Local Highways and Footpath Infrastructure group

The LHFIG is a sub group of the Stonehenge Area Board, which deals specifically with highway issues. They aim to find solutions for local transport issues, such as road repairs, traffic problems, road layouts and parking.

The amount allocated is dependent on the geographical size and population for the community area and the funding allocation is for capital expenditure and can be used to provide new and improved highway infrastructure.

## LHFIG Projects

- Bulford Horse Warning signs
- Shrewton Upper Backway dropped kerbs
- Cholderton village gates
- Wylde 20mph Speed Limit
- Durrington Glebe Rd/School Rd signing
- Durrington 20mph speed limit
- Woodford Valley speed limit
- Amesbury London Road Bus Shelter replacement
- Shrewton London Rd Substantive Bid

**Investment**

By agreeing and delivering to local priorities, the Area Board is able to proactively address issues by focusing its resources and working in partnership with local organisations, volunteers and residents. To effectively select local priorities it is important that there is a regular review of the evidence available and the views of the residents are sought. To aid Councillors to agree their priorities, the list below provides some of new sources of data and evidence:

- **JSNA Wiltshire Intelligence**: The 2022 Wiltshire JSNA presents data on the current and future health and wellbeing needs of people in Wiltshire
- **Census 2021 results**: results from the 2021 census are being released in a phased manner, which started in June 2022
- **VCSE research - Wessex Community Action**: state of the Wiltshire voluntary and community sector 2022
- **Annual report - Wiltshire Citizens Advice**: Wiltshire Citizens Advice annual report 2022

As well as being evidence led, priorities should be selected where the Area Board believes it can realistically make a positive impact upon them. To aid the delivery of the chosen priorities, the Engagement and Partnerships team will support the Area Board councillors through the development of the Area Board local action plan.

Based on the work undertaken in 2022/23 and the new evidence available, some of the key priorities that the Board may wish to consider are as follows:

- **Supporting health and wellbeing**
- **Supporting young people**
- **Getting around and improving access**
- **Protecting the environment and reducing carbon footprint**
- **Parish Engagement**
- **Addressing social and economic deprivation**

It is recommended that for each priority selected, an area board councillor takes responsibility for overseeing its delivery and reporting back to the Area Board on progress. The Engagement and Partnerships team will support the Area Board councillors in undertaking this work.
