# Updates:

- The team have carried out a successful week of rural village engagement, in total ten surrounding villages were visited.
- We have secured dates in place until December for allocated, routine speed gun patrols.
- We have initiated regular drop in visits to youth centres on our patch. If you have any individual ones in the villages please do let us know so that we can attend.

Two juveniles are being dealt with for criminal damage at Bradford on Avon Library- we engaged with the library and youth deterrence workers for a holistic approach. One youth received an out of court disposal, the other has opted for interview and investigation.

- We are working with the Rural Crime Team to tackle issues the community feel strongly about with the development of housing on the old golf course site to ensure no offences are committed.
- Two people have been charged with theft of a delivery van in Bradford on Avon.
- We now have a permanent fixing for our drop in surgery- on the 1<sup>st</sup> Tuesday of every month, come down to The Hub to have a chat with the team, 10am-11am

# Crime Stats for Bradford on Avon

JUNE- AUGUST 2023 V JUNE- AUGUST 2024

# Next Steps:

Statistics show that there has been a rise in some offences within the area, which tie in with the national picture.

We have also experienced the least amount of social media interaction and engagement in this area compared to Trowbridge and Melksham. As such our drive is to booster our contact and communication with the public and drive attendance at our drop in surgeries which provide crime prevention advice.

This drive will include:

- \*Business Crime awareness to help bring down the rise in thefts from stores.
- \*Bike marking events
- \*Joint youth offending deterrence work
- \*Burglary advice surgeries promoting the DNA selecta kits
- \*Days of action with plain clothes patrols to target theft and ASB working alongside The Canal Trust, BTP and A&S police
