Agenda Item 5

Chairman's Announcements

Subject:	Electoral Review of Wiltshire Council- Update Consultation on New Division Boundaries
Web contact:	committee@wiltshire.gov.uk / https://consultation.lgbce.org.uk/node/14518

The Local Government Boundary Commission for England has decided up on a future council size for Wiltshire Council of 98.

A consultation on a pattern of electoral divisions for that council size will run from 28 August 2019 to 5 November 2019. Any person or organisation can access the consultation portal and respond at this [link](#). If you would like to make a submission please see the link to the briefing note below to assist you.

Any proposals must align as closely as possible to an electorate size of 4291 per division (projected figures for 2024), reflect community identity, and provide convenient and effective local government.

Wiltshire Council will be making a submission on a pattern of divisions, and welcomes any representations from any person or organization to assist it in preparing that submission. Any representations should be sent to committee@wiltshire.gov.uk

For more detailed background information and next steps please see this [briefing note](#).

Chairman's Announcements

Subject:	Localised Labour Market Intelligence (LMI)
Web contact:	https://workwiltshire.co.uk/

The Employment and Skills service have produced labour market intelligence documents broken down by parliamentary constituencies which are now available to view on the [Work Wiltshire website](https://workwiltshire.co.uk/).

They have been published as easy-to-read, user-friendly documents; providing advice and tips about breaking into a range of industries. Each section has been produced as an infographic which can be used separately from the rest of the document.

The Local Market Intelligence documents offer inside knowledge on trends and facts on the job market so people can understand what types of employment opportunities are around and to help plan for the future.

They include sections on:

- Demographics - who is employed, what type of employment they have, what qualifications residents in the area have and average earnings
- Employment breakdown - industry sectors in your area
- Destinations – highlighting where Key Stage 4 and 5 pupils went after finishing their education
- Local businesses - links to interactive maps showing a selection of local businesses
- Employers in Wiltshire - how firms hire staff in the county
- Apprenticeships vacancies and opportunities
- Future jobs - employment and industry sector projections
- Definitions
- Comparison data

Also available on the website is a separate LMI series focusing in on priority industry sectors in the County, these include:

- Business and finance
- Construction
- Digital and creative
- Agriculture, environmental and animal care
- Health and life sciences
- Manufacturing and engineering

Laura Mayes, Wiltshire Council Cabinet Member for Children, Education and Skills, said: "These documents are a valuable resource, especially for newcomers to employment and training.

"They explain what industry sectors there are in your local area, what qualifications are needed to work in those industries, relevant apprenticeships,

Chairman's Announcements

how they recruit, examples of salaries, growth prospects, masses of information about Wiltshire employers, and where you can study.

"They are incredibly useful in giving young people and the wider public a better understanding of the labour market in their area."

Chairman's Announcements

Subject:	Animal Licensing
Web contact:	http://www.wiltshire.gov.uk/licences-permits-animal

A new licensing regime for Animal licensing is taking effect from 1 October 2018, with significant implications for Wiltshire Council's Licensing Team and new and existing licence holders

Links to the new regulations and DEFRA guidance documents are available on Wiltshire Council's website

<http://www.wiltshire.gov.uk/licences-permits-animal>

Below is a brief summary of the implications of the new regulations:

The Animal Welfare (Licensing of Activities Involving Animals)(England) Regulations 2018 define the animal based activities that require licences as follows:

- Selling animals as pets (or with a view to their being later resold as pets) in the course of a business including keeping animals in the course of a business with a view to their being so sold or resold.
- Providing or arranging for the provision of accommodation for other people's cats or dogs in the course of a business on any premises where the provision of that accommodation is a purpose of the business. (This includes home boarding)
- Hiring out horses in the course of a business for either riding, instruction in riding, or both.
- Breeding three or more litters of puppies in any 12-month period; or breeding dogs and advertising a business of selling dogs.
- Keeping or training animals for exhibition in the course of a business for educational or entertainment purposes, either to any audience attending in person, or by the recording of visual images of them by any form of technology, or both.

All four existing types of licence, together with the additional activity of keeping and training animals for exhibition, will be encompassed by one new 'Animal Activity licence'. If an applicant is running more than one licensable animal related activity, each activity will be assessed separately and set out in one licence. The length of licence (previously one year in most cases) may be anything between one and three years dependent on the outcome of their inspection, and the type of licence

Local Authorities current arrangements include locally set conditions. The new provisions contain nationally set regulations for each animal based activity, which cannot be changed in any way and form the basis for conditions on the new licences going forward.

The fees are now to be split into two parts – the application fee, payable at the time of submission to cover the Council's costs in considering and determining the application, and the licence fee, which covers ongoing enforcement and compliance requirements. Ahead of the implementation date, revised fees will be set to accommodate the changes.

Chairman's Announcements

Wiltshire currently has 269 licensed animal licensed premises and most licences under the existing legislation with the majority of licences expiring on 31st December 2018.

The Licensing Team are planning to hold information seminars for new applicants and existing licence holders early in October 2018.

Please direct any questions on the new regulations to
Publicprotectionnorth@wiltshire.gov.uk / or 01249 706555

Corsham Community Policing Report Area Board – 20th September 2018

Hello and welcome to this Community Policing Team report.

We have been asking our followers to start talking more about modern slavery and to familiarise yourselves with the different types of modern slavery happening here in the UK. To learn the signs to spot that might indicate someone could be being exploited and to share any information on modern slavery or any concerns you might have with police.

We have asked you to make informed and ethical purchase decisions when buying services and to question if a deal seems too good to be true. We all have the power to help end modern slavery.

Modern slavery is more than just not being paid a 'fair wage' for work done, or not being paid at all. There are lots of types of modern slavery, including labour exploitation where potential victims of modern slavery could be washing your cars, painting your nails and picking your vegetables. Violence, intimidation and threats are used to silence them.

Another type of modern slavery is sexual exploitation. The harrowing impacts of being sexually exploited are far and wide. Recent Home Office research has shown that a typical case of sexual exploitation leads to 388 rapes, 407 other sexual offences and 34 violent crimes being committed against each victim. Many victims of sexual exploitation also suffer from depression, fear and anxiety and catch sexually transmitted infections.

Victims of modern slavery and human trafficking can be any age, any gender, any ethnicity. But they all have one thing in common, they are all vulnerable and they all deserve our help.

Information from the public is vital in the fight against modern slavery. Together as a community we can eradicate slavery and trafficking in Wiltshire, and reduce the exploitation of the most vulnerable people.

To report your concerns call us on 101. If you or someone else is in immediate danger call 999 straight away.

On the 17th September 2018 our Force will engage in a two week Op Sceptre knife crime campaign.

This campaign is multifaceted in its approach it will look to tackle prevention and awareness amongst children and young people, whilst also dealing with criminals who carry weapons to facilitate other types of activity such as County Lines in line with our Control Strategy.

COMMUNITY MESSAGING

We are constantly reviewing our visibility and how we can develop this and work with our communities. We cannot physically be everywhere all of the time and we want to ensure consistent information with our communities and to be able to provide the information that matters to you when you need it. There has been some good feedback from our new way of working using Community Messaging so please sign up and use it. <https://www.wiltsmessaging.co.uk/>

CONTROL STRATEGY - Every year, the Force assesses its operational priorities for the year. Through a combination of research and consultation, the Intelligence team identify the areas of criminality that present the biggest threat, harm and risk to our communities as well as the areas where we most need to fill gaps in terms of our understanding, intelligence or capability.

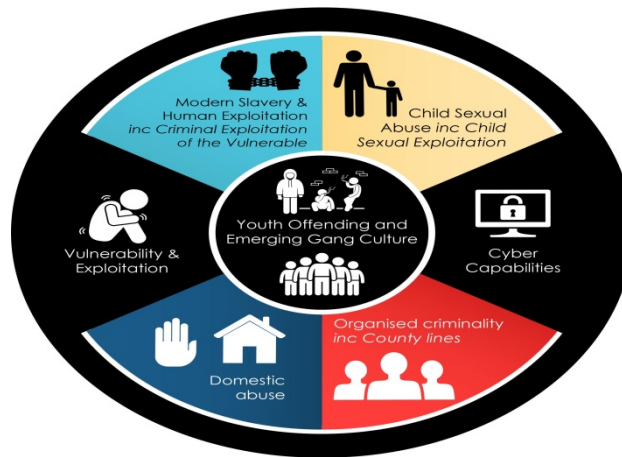

feedback@wiltshire.police.uk

The resulting document is known as the Control Strategy which outlines the following operational priorities:

1. Modern Slavery & Human Exploitation (including Criminal Exploitation of the Vulnerable)
2. Child Sexual Abuse (including Child Sexual Exploitation)
3. Organised Criminality (including County Lines)
4. Domestic Abuse
5. Youth Offending and Emerging Gang Culture

As has been the case in previous iterations of the Control Strategy, there are clear themes running through all the priority areas – ‘Cyber Capabilities’ and ‘Vulnerability and Exploitation’. Digital technology is used to carry out offending in all the above areas and at the heart of all the above there are vulnerable victims, witnesses or offenders that are often being exploited.

Below is our control strategy for your reference. This focuses on where how we conduct our operational Policing based on the Police & Crime Plan. We will continue to align our resources with the threat/harm/risks presented in line with the control strategy.

Whilst the report below gives a summary of Key Impact Crimes in your area such as Burglaries, the interactive element will allow you to see the statistics of the reports for your area and your local Police contacts. The website address remains unchanged and the interactive map can be found by following the below link.

<http://www.wiltshire.police.uk/article/832/Your-Area>

Our CPT priority: Persistent offenders and ongoing issues affecting the Community in line with our Force Control Strategy. Priority Offenders are established at a weekly Sector meeting, as a result priorities and taskings are raised as a way to effectively manage live intelligence and priorities that are developing in the northern hub.

LOCAL CRIMES

During the evenings/nights of 25th and 26th July 2018, the Community Tasking Team supported by Community Policing Team, officers from Tri Force and a Dog Handler, carried out a 2 day Police Operation to actively target prolific offenders and disrupt criminal activity within the North Wiltshire Community Policing area. Two men have been sentenced following a burglary at the Premier store, Colerne.

At 2.15 am on 7 August Wiltshire Police received a report that there was a burglary in progress at the shop on Market Place. PC Fletcher and PC Gratton were quickly on the scene and discovered a smashed window and could see movement inside. A man ran out of the store and threw a large bag at one of the officers. The officers ran after the suspect who was later identified as Matthew Cook, 39 of no fixed address in Bath. Cook was quickly caught and arrested on suspicion of burglary. Meanwhile back at the store, banging could be heard, the second suspect was found on the roof and ordered to get down. He complied and in doing so dropped a balaclava. Shane Reed, 36 from Whitehead Street, Swindon was arrested on suspicion of burglary. Searches of the men revealed the keys to a black Mercedes which was parked outside, neither man admitted to driving the car in which a crow bar was discovered. This resulted in both men being charged with burglary and failing to provide a sample. They appeared at Swindon Magistrates Court on 29 August 2018 and were sentenced as follows:

Matthew Cook: Failure to provide a sample - Disqualified from Driving for 17 months and Commercial Burglary – 18 weeks in prison and ordered to pay £263.95 compensation for the victim.

Shane Reed: Failure to provide a sample – Disqualified from driving for 36 months and Commercial Burglary – Two year Community Order, 25 days community work. Ordered to pay £263.95 compensation to victim and a £85.00 CPS charge.

DC Jo Chesshire said: "Thanks to the quick thinking of the member of public calling the police and the actions taken at the scene by PC Fletcher and PC Gratton who were first to arrive, two men were caught red handed.

"This is another great example of the public being our eyes and ears on the ground and calling suspicious incidents into the police as they are happening, giving local Community Police Teams the chance to catch criminals in the act. "Chippenham Crime Tasking Team worked closely with Chippenham CPT to make sure these criminals got punished by the courts."

Warrants – We continue to develop intelligence to assist with the preparation of further warrants in the future, so they may be executed in line with the Force Control Strategy.

The Emergency Services Show is back for a second year at its new Cotswold Airport, Kemble site, and we are joining forces with the other emergency services to put on a great event for the public – hopefully the weather will be kinder to us this year! If you haven't been before, it's a fantastic day out for the whole family on **Sunday 16th September 2018** from 10am to 4pm. Tickets to this year's show - the original and biggest outdoor show of its kind in the South West - are now on sale online – go to www.emergencyservicesshow.com/tickets/ Advance ticket prices are £6.00 for adults and £3 for children aged 3 to 16. Under 3's go free.

In addition to the Wiltshire Police website, Corsham CPT Facebook has 2248 followers. Please join us either on Facebook or Community Messaging.

Police Cadets who are aged 13-16 years of age can attend local events and assisted with community engagement, they are very keen to get involved in future events, please e-mail CPTNorthWiltshire@wiltshire.pnn.police.uk

If you are planning any event and require assistance from the Police to assist, please e-mail CPTNorthWiltshire@wiltshire.pnn.police.uk in advance as you may be required to complete an 'Events Form' and there may also be a cost incurred to ensure that you have dedicated officers throughout. If you would like the Cadets to assist with community engagement at events please e-mail the address above, there is no charge for this.

EVENTS... Don't forget that a toolkit is available from Wiltshire Council which gives fantastic guidance and advice for organizing most types of events, including topics ranging from traffic management to toilets, and gives contact details for which agencies and departments need to be contacted when applying for various licences or road closures. It can be found at <http://www.wiltshire.gov.uk/public-events-toolkit.pdf>, In essence, all organisers must be responsible for identifying any risks and putting in measures to remove or reduce them.

The e-mail address for the Wiltshire North Community Policing Team is

BIN A KNIFE SAVE A LIFE

DID YOU KNOW...

If you carry a knife or weapon you are more likely to be injured or killed.

You are putting yourself and others at immediate danger of serious or even fatal injury.

The consequences of knife crime will impact on the rest of your life.

Self-protection is not an excuse for carrying a knife. Possession of a knife carries a prison sentence of up to four years, even if it's not used.

BIN THE BLADES

This September we're inviting you to **bin the blades** by dropping your knife or bladed weapon into secure bins in police stations at:

- Melksham
- Trowbridge
- Marlborough
- Swindon Gablecross
- Monkton Park Chippenham
- Temporary police station located at the rear of Five Rivers Leisure Centre

You will not face prosecution at the point of handing in a knife or weapon, and you can do this anonymously.

Corsham Area Board Report – 20th September 2018.

Automatic fire alarms

Responding to automatic fire alarm (AFA) activations that subsequently turn out to be unwanted fire signals has been identified as a major draw on our resources, resulting in an inappropriate use of emergency crews and equipment.

Such activations cause resources to be diverted away from other, more important, activities, making them potentially unavailable to respond to genuine emergency calls.

Unwanted fire signals have a major impact on the Service and cause concern, as they:

- Render fire crews unavailable, creating the possibility of delayed attendance to genuine emergency calls.
- Create unnecessary risk to fire crews and members of the public when fire appliances respond under emergency conditions.
- Are disruptive to planned work, particularly training and community fire safety activities.
- Can cause a false expectation amongst personnel, especially those attending high numbers of false alarms.
- Impose significant financial burdens on the Service.
- Have a negative impact on employers who release on-call firefighters working the retained duty system.
- Cause problems for the occupiers of affected premises through lost production and general disruption to business continuity.
- Cause complacency among employees, reducing the effectiveness of automatic fire alarms by delaying the initiation of emergency procedures.
- Indicate other failings may exist within the premises' fire safety management.

A properly designed and maintained automatic fire detection system provides early warning of fire. However, a badly designed or poorly maintained system can become a potential hazard due to inappropriate or unwanted activations.

Management procedures should be set in place as part of an emergency plan. Suitably trained personnel should investigate the cause of the alarm activation before calling the fire and rescue service (with the notable exception of residential care providers who should not allow these procedures to cause undue delay in calling 999).

Chinese lanterns

Chinese lanterns (also known as wish, sky or flying lanterns) have origins that go back thousands of years, and they have become increasingly popular as a way of celebrating weddings, birthdays, anniversaries or other special events.

However, there is a high risk of fire from using such lanterns, either through incorrect handling, unspent fuel cells or unexpected flight patterns.

The lanterns are generally made from paper, supported by a wire or card frame that incorporates a holder at the bottom for a solid fuel cell. The paper outer may or may not be fire retardant. Flying times suggested by manufacturers vary from 6-8 minutes and up to 20 minutes, with achievable heights claimed to be up to one mile.

Whilst lighting and launch are largely in the control of the user, the actual flight path and ultimate destination are generally not. There is also no guarantee that the fuel cell will be fully extinguished and cooled when the lantern eventually descends, and any subsequent contact with a combustible surface could result in a fire developing.

It is best to avoid using Chinese lanterns if you are near:

- Areas with standing crops.
- Buildings with thatched roofs.
- Areas of dense woodland.
- Areas of heath or bracken, especially in dry conditions.

Top tips

- Lanterns should be used by responsible adults only.
- Adults should not be under the influence of alcohol or any substance that could affect their level of responsibility.
- When launching the lanterns, make sure you have a water supply to hand in case something goes wrong.
- Keep the launch area clear of combustible materials.
- Don't try and launch damaged lanterns – and be aware that writing messages on the paper can cause damage.
- Don't smoke whilst handling lanterns.
- Ensure that there is sufficient clearance for the lanterns to avoid obstacles such as trees, power lines or buildings.

- Avoid launching lanterns near roads, especially major roads or motorways, as they can be off-putting to drivers.
- Don't try and launch lanterns if it is windy, and be sure of the wind direction as this will affect the flight path.

Fireworks

Fireworks are safe if you use them properly. If you're putting on a home display, you should follow some simple steps to make sure that everyone has a good time without getting hurt:

- Plan your firework display to make it safe and enjoyable.
- Keep fireworks in a closed box and use them one at a time.
- Read and follow the instructions on each firework, using a torch if necessary.
- Light the firework at arm's length with a taper and stand well back.
- Keep naked flames, including cigarettes, away from fireworks.
- Never return to a firework once it has been lit.
- Don't put fireworks in pockets and never throw them.
- Direct any rocket fireworks well away from spectators.
- Never use paraffin or petrol on a bonfire.
- Make sure that the fire is out and surroundings are made safe before leaving.

Download further information on [giving your own firework display](#) or for display organisers and operators [working together on a firework display](#).

Did you know?

- It is against the law to carry fireworks in public if you're under 18.
- Fireworks must not be sold to anyone who is under 18.
- It is an offence to let off fireworks during night hours (11pm to 7am), except on Bonfire Night (midnight), Diwali, New Year, and Chinese New Year (1am).
- It is an offence under the Explosives Act 1875 to tamper with or modify fireworks.
- Sparklers can reach temperatures more than 15 times as hot as boiling water!

After the event

- Never put fireworks, even those which are fully spent, on the bonfire.
- Never dispose of fireworks by burying them.
- Safely dispose of fully spent fireworks.
- Soak misfired or partly spent fireworks in a container of water in an area where they cannot be tampered with (preferably away from the display site) and contact the manufacturer or supplier for advice on disposal.

Safe and Well Visits- Home safety

The Corsham area has a dedicated Fire Service '**Safe and Well**' advisor who can visit people, within their own homes, advising on home safety and wellbeing.

A Safe and Well visit is **FREE** and normally lasts about one hour covering topics such as:

- Using electricity safely
- Cooking safely
- Making an escape plan
- What to do if there is a fire
- Keeping children safe
- Good practice – night time routine and other points relevant to you
- Identifying and discussing any further support the occupier may need

If you have thatch property, are living alone, have a young family, are over 65 or a smoker please get in contact with us. We want to help make you safer in your own home. If you or someone you know has mobility or sight and hearing impairments, please suggest a Safe and Well visit.

Visit <http://www.dwfire.org.uk/news/new-name-new-contact-details-same-service/> to book one.

Recent Notable Incidents

The Service has been busy throughout this reporting period. The extended period of hot weather resulted in a large number of open space fires. These are resource intensive, take a long time to extinguish and can be extremely challenging.

Community Engagement

Dorset & Wiltshire Fire and Rescue Service provides a free service called a Safe and Well visit. We will visit a person's home by appointment and discuss any safety issues in the home. We will also have a conversation about improving an individual's health and well-being.

If you or someone you know need a smoke alarm, some advice or are worried about what to do in an emergency, contact us for a free Safe and Well visit;

The right healthcare, for you, with you, near you

NHS Wiltshire Clinical Commissioning Group (CCG) is responsible for commissioning a broad range of healthcare for the population of Wiltshire. We are led by experienced local GPs drawn from across the county, who provide clear clinical leadership to the big decisions affecting the future of healthcare provision in Wiltshire, carefully tailored to meet the differing needs of people locally.

Our vision is to ensure the provision of a health service which is high quality, effective, clinically-led and local. We are committed to delivering healthcare that meets the needs of Wiltshire people, to consult and engage with our population to enable them to be involved in decisions made about health services and to deliver those services to people in their own homes or as close to home as possible.

News

Free online patient education videos!

We have added an online library of [free patient education videos for Wiltshire patients on our website](#), to provide support and expert information on managing six long term health conditions.

The Sound Doctor library contains around 300 short, concise videos covering:

- Diabetes
- Heart Failure
- Chronic Obstructive Pulmonary Disease (COPD)
- Dementia
- Back Pain
- Weight Management Surgery

The video contents were co-produced with clinical experts in their field and disease specific charities, e.g. Alzheimer's Society, British Lung Foundation, & British Heart Foundation. All of the material adheres to National Institute for Care and Excellence (NICE) guidelines.

Sound Doctor videos provide patients access to expert advice from the comfort of their own homes, or on the move via Smartphones or tablets.

Access the Sound Doctor is via the [Wiltshire CCG website](#). Users are asked to confirm their GP surgery and provide their Wiltshire postcode in order to get instant, free access to the online video library.

Have your say on contracting arrangements for Integrated Care Providers

NHS England is consulting with stakeholders and the public on the contracting arrangements for Integrated Care Providers (ICPs) and runs until 26 October 2018.

[Visit the NHS England website to find out more and have your say.](#)

The consultation provides more detail about how the proposed ICP Contract would underpin integration between services, how it differs from existing NHS contracts, and how ICPs fit into the broader commissioning system.

There is widespread support for ending the fragmented way that care has been provided to improve services for patients and the NHS has been working towards this in a number of ways. ICPs are one of these ways, and are intended to allow health and care organisations to be funded to provide services for a local population in a coordinated way.

NHS England is also running [engagement events](#) during the consultation period to provide further opportunities for stakeholders and the public to share their views.

If you have any questions or other enquiries about the consultation, you can email NHSE England at england.icpconsultation@nhs.net.

Help shape and improve the future delivery of the child immunisation service in Wiltshire

Parents and carers are invited to express their views and opinions about children's immunisations at one of three focus groups taking place across Wiltshire.

It is important children receive the best start in life. Parents are being encouraged to protect their families by ensuring their children receive the right vaccines at the right time.

This is an important opportunity to share your opinions, experiences such as the challenges you may have faced, and ideas and suggestions you may have to help shape and improve the future delivery of the child immunisation service.

Focus groups will take place:

- 26 September 2018 in Calne 10am-1pm
- 27 September 2018 in Salisbury 10am-1pm
- 4 October 2018 in Trowbridge 10am-1pm

Please note that places are limited and booking closes on 23 September 2018.

OTC – easy as 1 2 3

Wiltshire Clinical Commissioning Group (CCG) is following new guidance set out by NHS England in March 2018, meaning that for 35 minor, short-term conditions, medicines that are available over the counter will no longer routinely be prescribed.

Medicines under the guidance include treatments for coughs, colds, dandruff, mild cystitis, nappy rash, warts and verrucae, ear wax, head lice and mild dry skin.

A full list of conditions is available www.wiltshireccg@nhs.uk/over-the-counter

This means that some patients who contact their GP Practice to make an appointment regarding any of the 35 conditions may be advised by the receptionist to seek advice from a pharmacist instead. There are certain scenarios where certain patients should continue to have their treatments prescribed.

To find out more visit www.wiltshireccg@nhs.uk/over-the-counter

OTC - easy as 1 2 3

- 1 Advice** - think 'pharmacy first'
Your local pharmacist is an expert in medicine. They can advise you about common ailments and provide over the counter medicines
- 2 Accessible**- the high street can help
You can buy a variety of affordable over the counter medicines from pharmacists, local shops and the high street
- 3 As good as prescribed!**
Many over the counter medicines are the same as those your GP can prescribe

Area Board Update

September 2018

Mental Health Priority Survey

Earlier this year we asked local people what they thought our priorities should be for the year ahead. Mental health was chosen by many people as a key area we should be focussing on.

We would now like to know what you think are the key issues within mental health so that we can focus our work.

Take part in the survey:
www.surveymonkey.co.uk/r/HealthwatchWiltshire-MentalHealthPriorities

New report!

Healthwatch Wiltshire has been gathering the views of local people on a new vision for health and care services in the county.

We spoke to 117 people about the new proposed vision statement being put forward by the Wiltshire Health and Wellbeing Board, which brings together local authorities, the NHS, public health and adult and children's services in a shared vision for the future.

The vision aims for everyone in the county to be empowered to lead happy, healthy and fulfilling lives and tackle the inequalities in health.

We found that most local people supported the vision, however almost a quarter of those interviewed didn't, and this was because they thought it was 'just words' or due to poor experience of health and care services. Most felt it was a good aspiration to lead a healthy life.

Report to	Corsham Area Board
Date of Meeting	20/09/2019
Title of Report	Community Area Grant funding

Purpose of the report:

To consider the applications for funding listed below

Applicant	Amount requested
Applicant: The Brunel Shed Project Title: Conversion from Office to Refreshment First Aid Area View full application	£500.00
Applicant: Corsham football club Project Title: Corsham town F.C shower room upgrade View full application	£2460.00
Applicant: Corsham Bowls Club Project Title: Renovation of Bowls Green View full application	£5000.00

1. Background

Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the [Area Board Grants Guidance](#)

[The funding criteria and application forms](#) are available on the council's website.

2. Main Considerations

2.1. Councillors will need to be satisfied that funding awarded in the 2018/2019 year is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

3. Environmental & Community Implications

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Financial provision had been made to cover this expenditure.

5. Legal Implications

There are no specific legal implications related to this report.

6. Human Resources Implications

There are no specific human resources implications related to this report.

7. Equality and Inclusion Implications

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

Community Area Grants will give local community and voluntary groups, Town and Parish Council's equal opportunity to receive funding towards community based projects and schemes, where they meet the funding criteria.

8. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

9. Applications for consideration

Application ID	Applicant	Project Proposal	Requested
3013	The Brunel Shed	Conversion from Office to Refreshment First Aid Area	£500.00
Project Description: To convert an office space into a refreshment area giving a separate space outside the workshop for tea-breaks and conversation. To also provide a space for a rest bed for medical emergencies and provide a full first-aid resource Work consists of removing a short stud-wall and re-building the opening re-locating electrical points and switches moving radiators and building a bench seat All the re-furbished work except the electrics will be completed by shed members			
Input from Community Engagement Manager: The Brunel shed have revived and hugely improved the hall and the improvements proposed will further do so.
