Agenda Item 5

Chairman's Announcements

Subject: Banning of Sky Lanterns and Balloon Releases on Wiltshire Council Land.

Large scale balloon and sky lantern releases are familiar sights and are often carried out at events to remember lost loved ones or mark other special events. Wiltshire Council is the latest to pass the ban on the release of balloons and sky lanterns on its land, following a report on the environmental and wildlife impact. The ban includes biodegradable balloons, as balloons cannot degrade quickly enough to not prove a hazard for wildlife.

The council understands that there are different reasons that people may wish to take part in organised balloon / sky lantern release events, however there are other activities that can be undertaken. We hope this move by Wiltshire Council will help to raise awareness of the issue and will encourage other Town and Parish Councils to take a similar approach.

Corsham Community Policing Report Area Board – 14th November 2018

Hello and welcome to this Community Policing Team report.

As part of **Op Sceptre** - the national knife crime prevention initiative was launched, bringing together police forces co-ordinating ways to tackle knife crime, appealing for people to hand in unwanted or illegal knives and bladed weapons during the period of the amnesty: Monday 17 - Sunday 30 September. Our two week campaign featured case studies from people whose lives have been affected by knife crime - from the victim of knife crime to the police officer who had to deal with a serious stabbing. Knives are used as an everyday tool in the home and in industry, but when placed in the wrong hands or adapted for the wrong purpose can have devastating consequences.

A fine example of this was on Wednesday 3rd October 2018 at approximately 14:00 hours a report was received from a member of public regarding a possible drink driver on Easton Lane. Police were on scene in minutes following a short pursuit and the male ran from his vehicle, the suspect was detained and arrested. On searching his vehicle a sword was found. The 29 year old male from Thingley has been charged with fail to stop, dangerous driving, drink driving and possession bladed article. Sgt Mark SIMPSON wanted to thank the member of public who called this in. Thank you

Special amnesty bins were available at six locations across the county: Swindon's Gablecross Police Station, Marlborough Police Station, Melksham Police Station, Chippenham's Monkton Park, Trowbridge Police Station and the Temporary Police Station at the rear of Five Rivers Leisure Centre in Salisbury. The knife amnesty gave people the chance to dispose of knives and weapons by simply taking them to one of the specified police stations and dropping them in to an amnesty bin. During the period of the amnesty those handing in knives and weapons will not face prosecution for possession of a knife or weapon and can remain anonymous.

Of the 43 forces across England & Wales, Wiltshire had the 29th highest number of serious knife crimes reported. However, for possession offences Wiltshire ranked 34th of 43 - only Gloucestershire was ranked lower within the South West.*

feedback@wiltshire.police.uk

Between August 2017 and July 2018, there was a total of 800 offences in Wiltshire, where a knife or blade was used, a reduction of 3% on the previous year. **

However, any incidents of knife crime are a major concern but the public should be reassured that we will continue to vigorously investigate offences linked to any knives or weapons recovered.

Assistant Chief Constable Gavin Williams said: "We want to raise the awareness of the dangers of carrying a knife or owning an illegal weapon. As a county Wiltshire cannot be compared to what is happening in cities like London or Manchester but we cannot be complacent; we must take action to educate the public and do what we can to remove knives from our streets.

"Most people in Wiltshire or even in the country don't carry a knife; it should not be considered the 'norm'. A very small minority choose to leave the house with a knife or blade, but the reality is they themselves are more likely to get injured.

"I would also like to appeal to parents across the county to talk to their children. We know that some young people carry knives for what they consider to be protection, but it is placing them and those around them in danger.

Angus Macpherson, Police and Crime Commissioner for Wiltshire and Swindon, said: "Knife crime wrecks lives - not only the life of the victim but their families and friends. There are many people directly and indirectly linked to just one incident - not just the victim and perpetrator.

"The amnesty is great way to encourage people to do the right thing and hand in any illegal weapons.

"Parents and schools can do their bit by checking what their children are carrying in their bags; it's a good way to educate youngsters too that being caught with a knife could mean they end up in serious trouble as well as risking being injured themselves.

"Long term - good education and prevention means the wider community becomes a safer one."

An innovative campaign enabling those who feel vulnerable in pubs and clubs to discreetly approach staff and request assistance is being rolled out across Swindon and Wiltshire. Available at participating venues throughout the county, the 'Ask for Angela' initiative aims to reduce sexual violence and vulnerability by providing customers with a non-descript phrase they can use to gain assistance from staff members in order to be separated from the company of someone with whom they feel unsafe due to that person's actions, words or behaviour. The initiative was originally launched by Lincolnshire County Council in 2016 and since then has received nationwide attention.

By “asking for Angela”, an individual is alerting staff that they require help. They will be taken aside, or to a safer location, so they can speak in confidence to that staff member about what assistance they need.

Options available to staff include: offering to call a taxi for the individual; contacting their friends or family; or requesting that an individual causing the distress leaves the venue.

Sgt Stephen McGlynn, Licensing Lead for Wiltshire Police said: “We want people to feel safe and enjoy their time across Swindon and Wiltshire’s pubs and bars however; there are times when an individual can be made to feel uneasy and not quite know how to remove themselves from a potential harmful situation. Popularity of dating apps means more people might find themselves in difficult situations. The Ask for Angela campaign aims to make people feel safer in these situations.

“Our licensing teams, alongside both Swindon and Wiltshire council are working with licensees to promote the scheme and will offer guidance to staff on how to manage these situations when they arise.”

The initiative has also been supported by Angus Macpherson, Police and Crime Commissioner for Wiltshire and Swindon. He said: “Anyone who finds themselves in a precarious or uncomfortable position in a pub or club in Wiltshire needs to be safe in the knowledge that there is help at hand. I would encourage people to spread the word and make sure their family and friends are aware. This is an excellent example of how partnership working, between Wiltshire Police, Wiltshire Council, Swindon Borough Council and participating venues can make a difference within our communities and keep people safe.”

Officers from Wiltshire Polices’ Licensing teams will be delivering the posters advertising the service to venues across the county. They will be placed in the toilets of those establishments, so as to be discreet.

We're launching a new campaign that aims to increase the amount of intelligence we receive on modern day slavery.

The campaign, called #TellUsWhatYouSee, aims to educate the public on the signs and indicators of various forms of Modern Day Slavery, and how to report this information, in order to help us tackle this crime.

Forces in the South West have seen a 5% increase in intelligence reporting between 2016 and 2017, receiving a total of 3272 pieces of intelligence. Forces anticipate this figure will rise next year, having already surpassed the 2017 figure with two months left till the end of the year.

While the increase is positive and in part down to increased media attention on modern slavery in nail bars and car washes, there are still many forms of lesser-known modern slavery going on, in neighbourhoods and local communities across our force area.

Labour exploitation, which is linked with industries such as car washes, nail bars and building sites, is the most common form of intelligence we've received information on, followed closely by sexual exploitation, which covers brothels and sex workers. Reports of criminal exploitation and domestic servitude are minimal and are lesser known to the public as modern slavery.

We know domestic servitude is happening across the UK but there is very little information on it due to how invisible this form of modern slavery can be. Only one force has received a report of domestic servitude out of the hundreds of reports we've received year on this form of modern slavery. We are keen to hear from anyone who suspects domestic servitude is happening. Some of the signs to look out for include an individual who is not only responsible for children 24 hours a day, but also for the cleaning or day-to-day housework and is never allowed to leave home alone.

Assistant Chief Constable Craig Holden, Chief Officer Lead for Modern Slavery and Human Trafficking at Wiltshire Police, said: "I welcome the fact that intelligence submissions we receive from the public are already up on the previous year. This goes to show that the local communities of Wiltshire and Swindon are taking this issue seriously and are supporting us in our fight against this horrific crime.

"However, we need the public to continue being our eyes, telling us what they're seeing and sending that information in, either direct to police on 101 or through the Modern Slavery Helpline on 08000 121 700."

CONTROL STRATEGY - Every year, the Force assesses its operational priorities for the year. Through a combination of research and consultation, the Intelligence team identify the areas of criminality that present the biggest threat, harm and risk to our communities as well as the areas where we most need to fill gaps in terms of our understanding, intelligence or capability.

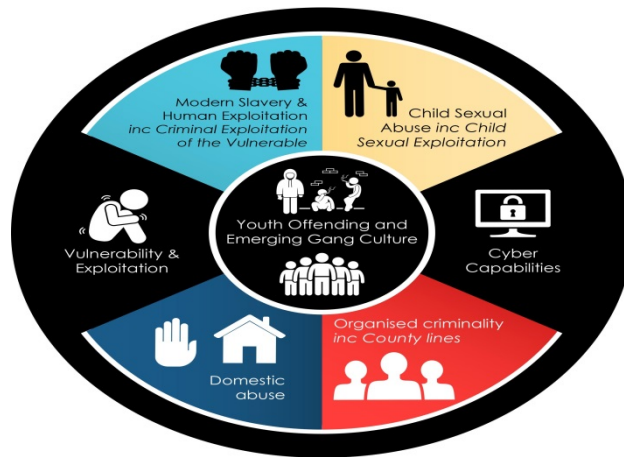

feedback@wiltshire.police.uk

The resulting document is known as the Control Strategy which outlines the following operational priorities:

1. Modern Slavery & Human Exploitation (including Criminal Exploitation of the Vulnerable)
2. Child Sexual Abuse (including Child Sexual Exploitation)
3. Organised Criminality (including County Lines)
4. Domestic Abuse
5. Youth Offending and Emerging Gang Culture

As has been the case in previous iterations of the Control Strategy, there are clear themes running through all the priority areas – ‘Cyber Capabilities’ and ‘Vulnerability and Exploitation’. Digital technology is used to carry out offending in all the above areas and at the heart of all the above there are vulnerable victims, witnesses or offenders that are often being exploited.

Below is our control strategy for your reference. This focuses on where how we conduct our operational Policing based on the Police & Crime Plan. We will continue to align our resources with the threat/harm/risks presented in line with the control strategy.

Whilst the report below gives a summary of Key Impact Crimes in your area such as Burglaries, the interactive element will allow you to see the statistics of the reports for your area and your local Police contacts. The website address remains unchanged and the interactive map can be found by following the below link.

<http://www.wiltshire.police.uk/article/832/Your-Area>

Our CPT priority: Persistent offenders and ongoing issues affecting the Community in line with our Force Control Strategy. Priority Offenders are established at a weekly Sector meeting, as a result priorities and taskings are raised as a way to effectively manage live intelligence and priorities that are developing in the northern hub.

The right healthcare, for you, with you, near you

NHS Wiltshire Clinical Commissioning Group (CCG) is responsible for commissioning a broad range of healthcare for the population of Wiltshire. We are led by experienced local GPs drawn from across the county, who provide clear clinical leadership to the big decisions affecting the future of healthcare provision in Wiltshire, carefully tailored to meet the differing needs of people locally.

Our vision is to ensure the provision of a health service which is high quality, effective, clinically-led and local. We are committed to delivering healthcare that meets the needs of Wiltshire people, to consult and engage with our population to enable them to be involved in decisions made about health services and to deliver those services to people in their own homes or as close to home as possible.

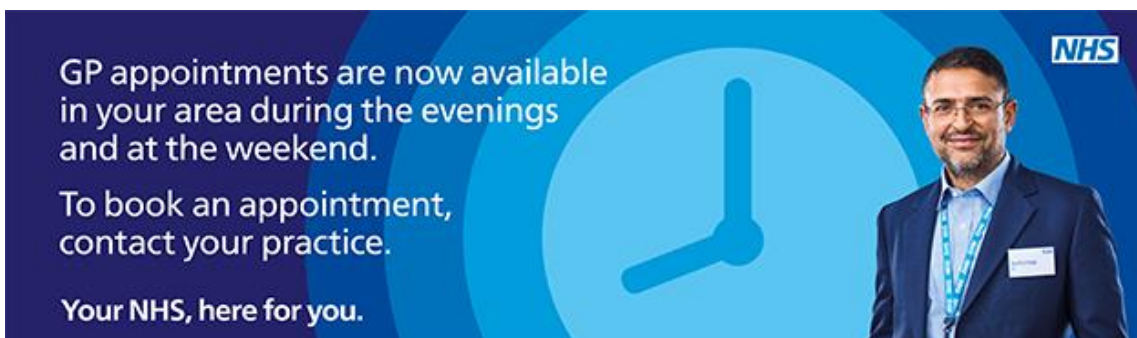

News

Improved access to GPs

From 1 October 2018 people registered with a Wiltshire practice are able to book routine appointments to see a GP, practice nurse or other health professional in the evenings from 6.30pm to 8pm, and at weekends and Bank Holidays.

Across the population of Wiltshire there is an additional 235 hours per week of clinical time in this move to improve access to health services.

You won't always be able to see your registered GP and may need to go to a different practice in your area to take up the after-hours and weekend appointments.

GP appointments are now available in your area during the evenings and at the weekend.

To book an appointment, contact your practice.

Your NHS, here for you.

GP Alliance

The Wiltshire GP Alliance (WGPA) is a not-for-profit group made up of almost all the GPs across Wiltshire. It aims to help practices work better together to improve GP resilience, and stimulate and share improvements – for instance with availability of GP appointments – across the county.

WGPA are managing the improved access provision in Wiltshire which means surgeries are now working together to provide extra appointments in the evening and at weekends.

The alliance is still in its early days but they aim to provide more services ‘at scale’ by supporting genuine cooperation between practices, and help stabilise the workforce, and facilitate transformation to solve problems in health and care.

Campaigns

Help Us Help You

This winter, NHS England and Public Health England are introducing a new overarching brand that brings together all the winter pressures campaign activity - Help Us, Help You. In recent years there has been an increasing emphasis on people taking responsibility for staying healthy and managing their own health and Help Us, Help You is a powerful new way to build on this.

**HELP US
HELP YOU**

STAY WELL THIS WINTER

The first phase of national advertising and promotion is focusing on increasing the number of people who call 111 when they have an urgent but not life-threatening medical need. The aim is reduce the number of people going to A&E departments or calling 999. The NHS 111 campaign runs from 1 October to 25 November 2018.

The next phase is Stay Well This Winter which in October is encouraging people to get a flu vaccination, and then in November includes messaging around early and effective treatment for respiratory ailments. The November campaign will focus on older people and people with long-term health conditions.

Other campaign elements in coming months will focus on extended GP access, NHS 111 online and pharmacy.

Keep Antibiotics Working

Public Health England's 'Keep Antibiotics Working' campaign returned on Tuesday 23rd October to alert the public to the risks of antibiotic resistance with the aim of reducing patient's expectation for antibiotics.

Whilst antibiotics are vital for treating many infections, there is evidence that antibiotics are often used when they are not needed, for example, for viral infections such as colds or flu where they are not effective or for illnesses that can get better by themselves. Research has shown that this is, at least in part, due to patients expecting antibiotics, without understanding that they may not be effective for their illness.

**Taking ANTIBIOTICS when
you don't need them puts
you and your family at risk**

Area Board Update November 2018

Key findings from Campervan and Comments Tour 2017

Last summer's Campervan and Comments Tour saw Healthwatch Wiltshire staff and volunteers travel 400 miles around Wiltshire to gather the views and experiences of people of all ages on health and care services.

Taking to the roads in a classic 1969 VW campervan, we parked up at a variety of locations around the county, collecting 2,077 comments during the two-week tour.

Overall, we received more positive comments than negative ones.

A full report with recommendations will be available soon.

This project was conducted under Healthwatch Wiltshire's previous provider, Evolving Communities.

What people told us...

Most people were happy with the treatment they received from their GP but were unhappy about long waiting times to get appointments.

Hospital maternity, children's and cancer services were highlighted as good, but long waits to see consultants drew negative comments.

Communication between hospitals and other services came in for criticism, and experiences of using social care services appeared to be inconsistent.

Delays in accessing mental health services were the main concern for most people, but many also said staff were helpful and treated them well.

Most people told us they were happy with their dentist and the quality of treatment they received, whether NHS or private.

Update for Corsham Area Board

Name of Parish/Town Council	Corsham Town Council
Date of Area Board Meeting	21 November 2018

Headlines/Key successes

- Corsham StoryTown took place on the weekend of 19-21 October.

- Corsham Commemorates – First World War Commemorations took place on the afternoon of 11 November, following the town's traditional Remembrance Sunday march and services in the morning.

- Corsham's HubClub, for young people aged 14+, run by Innov8Sportz and funded by the Town Council is now up and running at Springfield Campus from 6.30pm on Fridays.

Projects

- 'The Majesty of Wiltshire', a second lion for the High Street, painted by local artist Jonathan Sanders, will soon be a new addition to the town's public art.

- Corsham Neighbourhood Plan - We are disappointed to have to report that the examination of Corsham's Neighbourhood Plan has been delayed for a number of weeks. The delay is to do with the Habitats Regulation Assessment Screening Report. Wiltshire Council's report concluded that a separate HRA would not be necessary for the Corsham Neighbourhood Plan. However, a recent legal case elsewhere in the country has meant that many Neighbourhood Plan examinations have been held up whilst government guidance is awaited. The guidance was expected several weeks ago but has not materialised. A number of other Planning Authorities are commissioning their own legal advice rather than wait any longer for the official government guidance. Wiltshire Council has now agreed to follow this route by getting their own legal opinion. If the advice is that the HRA Screening needs further clarification or changes, it would mean another five-week consultation with Natural England. We are hopeful that the advice will not delay Corsham's referendum on the Plan and it will be able to take place in the New Year.

Update for Corsham Area Board

Forthcoming events/Diary dates

- Wishing Tree – Saturday 1 December, 10am-1pm, High Street. Come and make a wish to go on the Christmas tree. (It's also Small Business Saturday too.)
- Christmas Lights Switch On – Friday 7 December, 5pm onwards (Lights on at 6pm), High Street and Town Hall. The usual family-friendly start to the festive season with a Christmas Market, Father Christmas and his reindeer, fairground rides, live music and entertainment and more.

Report to	Corsham Area Board
Date of Meeting	14/11/2019
Title of Report	Community Area Grant funding

Purpose of the report:

To consider the applications for funding listed below

Applicant	Amount requested
Applicant: Colerne Rugby Football Club Project Title: Colerne RFC clubhouse refurbishment View full application	£5000.00
Applicant: corsham football club Project Title: Corsham town F.C shower room upgrade View full application	£2460.00

1. Background

Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the [Area Board Grants Guidance](#)

[The funding criteria and application forms](#) are available on the council's website.

2. Main Considerations

2.1. Councillors will need to be satisfied that funding awarded in the 2018/2019 year is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

3. Environmental & Community Implications

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Financial provision had been made to cover this expenditure.

5. Legal Implications

There are no specific legal implications related to this report.

6. Human Resources Implications

There are no specific human resources implications related to this report.

7. Equality and Inclusion Implications

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

Community Area Grants will give local community and voluntary groups, Town and Parish Council's equal opportunity to receive funding towards community based projects and schemes, where they meet the funding criteria.

8. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

9. Applications for consideration

Application ID	Applicant	Project Proposal	Requested
3079	Colerne Rugby Football Club	Colerne RFC clubhouse refurbishment	£5000.00
Project Description: The existing clubhouse is a timber framed building with a tiled roof some 40 years old that has not had any major refurbishment during its life span. To make the building fit for purpose we propose to replace the timber doors and windows with UPVC to meet current insurance requirements over board and plaster the ceiling install modern LED lighting replace the kitchen units to meet current hygiene standards tiling to the toilets and provision of new furniture and cubicles replace the old hot water boiler with a modern system and construct a new patio to the rear of the building. This would allow us a modern facility which would be of benefit to both the club and the local community through low cost hire of the refurbished facilities.			
Input from Community Engagement Manager: The application meets the grants criteria			
<ul style="list-style-type: none">• The project has a high level of support from the RFU and by the bi-county governing association.• Considerable club reserves have been committed to the project and fundraising has taken place• The works will benefit the whole club including juniors			
The Sports Development Officer supports the application but raises some suggestions which include:			

<ol style="list-style-type: none"> 1. Could a % of the income from clubhouse activities be put aside for maintaining facilities/ 2. Has the club approached the MOD and the Parish Council for support?
<p>Proposal That the Area Board determines the application.</p>

Application ID	Applicant	Project Proposal	Requested
2982	corsham football club	Corsham town F.C shower room upgrade	£2460.00
