He stated that since his election 10 months ago he had undertaken major consultation and identified many people had not been happy with the service they were receiving from the police, and he had instituted a plan to improve services.</p>

	<p>He stated it would shortly be announced that Wiltshire Police was to be placed into special measures. He said that he and the Chief Constable had already started to put in place mitigating strategies to address concerns, which was already having an effect. He also discussed operations focusing on drug dealers in the community, and cross agency work to develop bespoke packages to target anti-social behaviour.</p> <p>Inspector Tina Osborn then spoke to the written update from the agenda, noting an increase in burglaries of non-dwellings in the area.</p> <p>John Derryman on behalf of Speedwatch provided an update on efforts to improve performance, data and recruitment, with data now being accepted into police systems to enable deployment decisions.</p> <p>The Board discussed the above updates and sought details from the speakers, including on the logging of non-injury accidents, getting communications into very local publications and the Commissioner’s plans to improve services.</p> <p>A presentation was then received from the Bakehouse Mental Health & Wellbeing Support Group, Mental Elf. The group had been running from locations in Amesbury for 12 years and was now set up in Durrington, working with local groups to reduce the stigma of mental health and provide support.</p> <p>After the Health and Wellbeing Group item Councillor Robert Yuill then provided an update on the Environment and reducing carbon footprint. He emphasised the importance of the new subgroup, and to delivery on achievable and measurable outcomes, and noted council measures such as upgrading its housing stock. There was discussion of projects in Amesbury to increase biodiversity.</p> <p>There was then an extended discussion on methods of travel in the countryside, speed limits, and areas where it was not safe to walk. Members discussed the process for seeking to implement changes, with concerns raised that accidents would need to occur for changes to be actioned. The Chairman sought additional details to look into the matter further.</p>
36	<p><u>Appointments to Outside Bodies and Working Groups 2022/23</u></p> <p>Following presentation of proposals it was,</p> <p><u>Resolved:</u></p> <p>To appoint Members as Lead representatives to Outside Bodies as follows:</p> <ul style="list-style-type: none"> ○ Stonehenge World Heritage Site Steering Group: Cllr Kevin Daley ○ A303 Stonehenge Steering Group: Cllr Kevin Daley

Engagement and Partnerships Team

The new staffing structure for the Engagement and Partnerships team comes into place from 1 September and introduces three officer levels of support to local communities and Area Boards. Officers will work collaboratively across community areas, however, locally named contacts remain available for Councillors, partners and residents to directly engage with. The service will work with communities in an innovative and proactive way and empower them to do even more for themselves and to deliver to the Wiltshire Council Business Plan. A brief overview of the respective duties are set out below.

- **Strategic Engagement and Partnerships Manager**

The six Strategic Engagement and Partnership Managers (SEPMs) will hold overall responsibility for Area Board delivery and the development of the local Area Board work plan in conjunction with the local Councillors. The SEPMs are the main points of contact for local Councillors, strategic partners, community volunteers and leaders. Each SEPM will lead an organisational theme, which includes children and young people, equality, diversity and inclusion, the environment, economic regeneration and older and vulnerable adults, however, this is not an exhaustive list and will be reviewed regularly. The SEPMs will drive this area forwards across communities and develop exciting link ups between council services and the community to provide excellent information, insight and evidence sharing between parties.

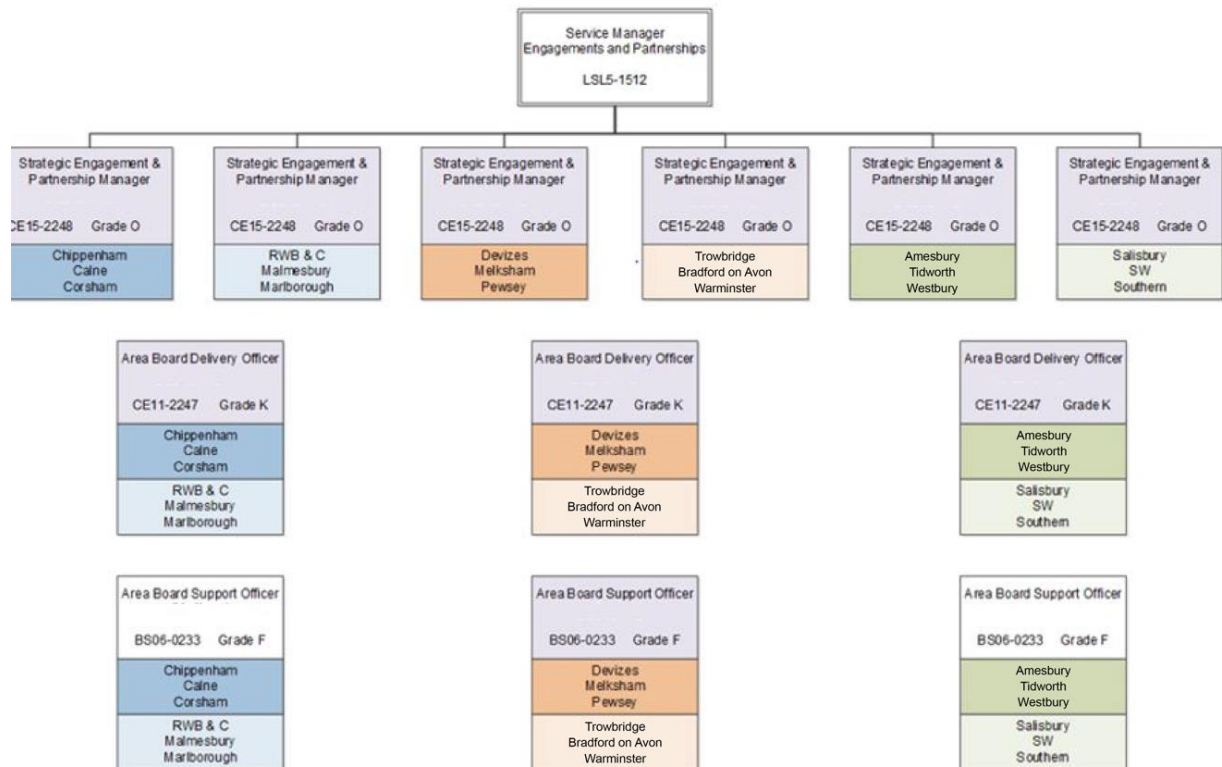

- **Area Board Delivery Officer**

Three dedicated officers that facilitate and support Area Board delivery in an innovative way. The delivery officers will build exceptional relationships with the voluntary and community sector and other key local partners to facilitate projects and initiatives that support the objectives of the Area Board work plans. They will be actively involved in Area Board business meetings, engagement activities, events and working groups to deliver exceptional local and organisational outcomes.

- **Area Board Support Officer**

Three Area Board Support Officers will oversee and effectively implement all grant funding processes. This includes eligibility assessment, reporting, payments, impact analysis, budget monitoring and audit. The Area Board Support Officers will collate and assess data on behalf of the team, facilitate regular communication through online platforms such as Our Community Matters and respond to resident enquiries. They report to the Strategic Engagement and Partnership Managers.

Area Board Briefing Note – Annual Canvass

Service:	Electoral Services
Date prepared:	20 June 2022
Further enquiries to:	Caroline Rudland Head of Electoral Services
Direct contact:	elections@wiltshire.gov.uk

Each year the statutory Annual Canvass process takes place between June - November. This is an audit to ensure the electoral register is accurate and all those people entitled to vote are registered.

Forms will be sent to all properties in July. We encourage everyone to check the information is correct and use the contact details on the form to update their details as appropriate, preferable by using the online or telephone service as this is a quicker and efficient option.

Some households will be **required** to respond where other households only need to if there is a change in the information shown on the form. Full details will be explained on the form.

If you can disseminate the information within your parishes, and encourage households to respond as soon as possible, it will save further reminders being sent.

The final process for those households that do not respond to the initial and reminder form, is to employ canvassers to door knock to encourage a response. This will take place during September.

However, hopefully the number of properties to door knock can be significantly reduced if households respond to the forms so, please encourage your communities to do so.

**Area Board Briefing Note –
Post 16 Skills and Participation Offer**

Service:	Post 16 Skills and Participation
Date prepared:	8th August 2022
Further enquiries to:	Catherine Brooks – Employment and Skills Officer
Direct contact:	Catherine.brooks@wiltshire.gov.uk

The Post 16 Skills and Participation team are on hand to support young people aged 16 – 17 years who are NEET (Not in Education, Employment or Training) or at risk of becoming NEET.

The EET (Education, Employment or Training) service will work 1-1 with young people to support them and help them understand the local offer, whether that is Sixth Form, College, Traineeships or Apprenticeships. Or other local programmes which offer employability support, confidence building, life skills, functional skills in Maths and English for example.

With the aim to re-engage them back into Education, Employment or Training.

You can find more information and how to refer a young person – or yourself on our Work Wiltshire website – www.workwiltshire.co.uk/young

The Work Wiltshire website also holds a vast amount of information around all things Employment and Skills, for the wider community, no matter your age for example apprenticeship information or for those with barriers to work and support for Ukraine refugees.

Follow our Social Media pages for fresh content and local opportunities.

Wiltshire Centre for Independent Living is a Disabled People’s user led organization.

Our aim is to ensure that all people in Wiltshire can live the life they choose as valued members of their community.

We support people to live independently and well and to have a voice. Our main activities are:

- Supporting people who receive direct payment from Wilts Council to employ their own care
- Promoting PA opportunities, with a PA register and promotional events (PAs provide paid care and support so that people can live independently)
- Providing varied opportunities for disabled people to have a voice and co-produce local services.
- Supporting all our communities to be inclusive and welcoming through the Make Someone Welcome campaign
- Providing awareness raising sessions on disability issues and wider community development work
- Providing a community connector service, working alongside people in the community who want to get back to living well after they have experienced issues that have prevented this

We have several partners who commission us to do this work, including Wiltshire council, Wilts CCG and local Primary Care Networks (G.P practices)

All our work starts with this question: ‘what does a Good life look like to you and what do you need to live it’. We have used this question in our forums, consultations and all our 1:1 work, and we now have over 2000 responses from disabled people in Wiltshire. Disability is defined broadly and includes physical disability, dual sensory, mental health issues, learning disability and Autism.

The PowerPoint slide pack is a synthesis of all the responses to this question, providing a unique knowledge base for decision makers and planners. The messages are simple, yet we know that we aren’t achieving these things for all our residents. Please do use the findings in whatever way you find useful and contact us if you would like any further information/ conversations:

What do people need to live their good
life?

In groups, in the community and in one-to-one conversations we have asked over 2000 people these 3 questions:

- What does a good life look like to you?
- What have you got to live that life?
 - What do you now need?

We want what you want

Everyone wants the same things to live well: a home, equal and meaningful relationships, to be valued and have purpose, to be hopeful about the future.

People need choice and control to live good, independent lives.

Everyone can be supported to live their good life.

Homes not institutions

People want to live in a place called home, where they have choice and control over all aspects of their daily lives.

The homes people live in need to fit with who they are, this might mean living with others or on their own.

A house is not a home if people don't feel that they belong and are safe in the place they live.

Relationships REALLY matter

At the heart of a good life are meaningful relationships.

Having people around us that we trust, and love can support us all to live well

Relationships work best when people value each other as equals.

Real connection in real communities

Community is people not places.

People want to be part of their community; a valued and active member.

People might need some support to 'Access their community'. Support works best when it helps people to meet with others, help each other out, and enjoy each others company.

Communities need to be fully accessible, accepting and safe for people

We may well need support, but we want the right support

Independent living does not mean living without support.

Support works best when provided by people that are liked, known, and trusted and is led by the people receiving it, enabling them to get on with their day to day lives.

Support to help people get back on track works best when its about relationship building and maintaining.

The right support at the right time can stop people finding themselves in a crisis or unable to cope.

We are not there yet

‘Written off for being different’

There are many examples of people feeling excluded from normal everyday life, which includes our places of work and our communities.

We now need to act and ensure that every Wiltshire resident and every professional involved in the health and social care system play their part to ensure that people get to live the lives they deserve.

We start today!

You have the power to create positive change!

As local change makers you can influence, design and develop your 'community' and make sure everything in it works for you.

We are here to make a difference

Be hopeful, be ambitious...

We need BIG IDEAS

Think risky, think 'good trouble'

Performance – Hate Crime Overview

Force

Hate Crime is reporting as stable, with a slight loss of seasonality since the impact of Covid. Volumes are now reporting flatter across the year. Year on year reporting increases in Transgender and Sexual Orientation related hate which follows National trends.

Work by the Hate Crime Silver Scrutiny Panel on hate crime video to raise awareness of Hate Crime and how to report it, including details surrounding how the Criminal Justice System responds to it is ongoing. There is an increased focus on Out of Court Disposal outcomes relating to Hate Crimes.

Local Priorities & Updates

Priority	Update
ASB	Officers have carried out targeted patrols in and around Holders Field, Sidbury Circular and Forest Court over the last month following complaints regarding ASB and excessive noise. We have engaged with a number of youth and appropriate and proportionate action has been taken when dealing with any related offences.
Non dwelling burglaries	Whilst we have seen a significant reduction in reported non-dwelling burglaries across the area, we have continued to carry out a number of proactive operations throughout the summer months. These proactive operations will continue in the coming months, to disrupt possible offending and gathering intelligence where possible.
Community Speed Watch	Officers from the neighbourhood and response teams have continued to support our CSW colleagues where possible out in the community.
Rural Crime	High visibility patrols conducted targeting Rural Crime, Poaching, Hare Coursing & Dog attacks on livestock at Viney's Farm, Rattfyn Farm, Park Farm & Countess Farm. Heightened patrols at present due to increased national threat level in thefts of fertilizer & diesel.

Local Priorities & Updates Continued

Priority	Update
School Visits	With the new school term commencing, the Neighbourhood team will be conducting regular schools visits and will continue to deliver schools talks on topics such as dangers of drug use, knife crime, ASB etc.
Rogue Traders	During the summer months we tend to receive reports of rogue traders operating across the area. Officers have carried out several proactive operations with our partner agencies. A number of persons have been checked with regards to the services they are advertising and providing to the community to ensure the work is legitimate.
Vulnerability Patrols / Closure Notices	A number of Closure Notices on properties have been obtained in both Amesbury and Tidworth. This is to protect those vulnerable people living there and to deter visits by criminals who may wish to exploit them. All premises have been regularly visited to provide reassurance to the residents and to enforce any potential breaches.

03	Item	Update	Actions and recommendations	Who
	Date of MS Teams meeting: 27th July 2022			
1a	CATG change to Local Highway & Footway Improvement Groups (LHFIG)			
	<p>There have been changes to the format of the CATG as agreed in the budget for 2022/23. The groups names have been changed to Local Highway & Footway Improvement Groups (LHFIG), there is additional funding and the scope of works the groups can implement has been widened. The new process has been ratified by Cabinet. The process for submitting issues is unchanged therefore continue as set out below:</p> <p>Please see link to complete the highway improvements form: https://www.wiltshire.gov.uk/article/6149/Local-Highway-and-Footway-Improvement-Groups and submit to LHFIGrequests@wiltshire.gov.uk</p>			
1b.	Attendees and apologies			
	Present:	Cllr Graham Wright (Chair, WC), Cllr Kevin Daley (WC), Cllr Mark Verbinnen (WC), Cllr Ian Blair-Pilling (WC), Cllr Monica Devendran (WC), Rhiann Surgenor (WC Highways), Richard Harris & David Hassett (Shrewton PC), Rae Owen (Woodford & Durnford PC), Andy Shuttleworth (Winterbourne Stoke PC), Steven Black (South Newton PC), Steve Cannon (Bulford PC), Peter Paul (Durrington TC),		
	Apologies:	Kate Davey (WC Highways), Cllr Robert Yuill (WC), Graham Jenkins (Bulford PC), Jacqui Abbott (WC), Spencer Drinkwater (WC), Nikki Spreadbury Clew (Shrewton PC)		

2.	Notes of last meeting			
		The notes of the last meeting held on 13 th April 2022 were accepted as a true record.	Noted and agreed.	
3.	Financial Position			
		See Finance sheet. 2022/23 allocation is £35,462.00. 2021/22 underspend was £55,425.48 and the current commitments total £50,237.74 giving a remaining budget of £49,209.17.	Noted and agreed.	
4.	Top 5 Priority Schemes			
a)	<p>1-21-13 Great Wishford – gateway/planter</p>	<p>It has been brought to the attention of Great Wishford Parish Council by villagers that the three access roads into the village could be greatly improved by a gateway / planter. The roads are narrow so they only request it on one side near the village signs. A resident has offered to be responsible for the aftercare of the planters. A councillor has already had plans drawn up.</p> <p>No representative present at the July meeting therefore this issue has been deferred. Request for representative to attend next meeting to promote this issue.</p> <p>Group agreed to support this issue. Site meeting undertaken in December 2021. Proposal plan attached to end of the agenda. Cost estimates as follows: **Prices may vary depending on style of gate chosen by PC Site 1 Langford Rd - £1,727.44 (CATG £1,295.58, PC £431.86) Site 2 West Street - £1,611.83 (CATG £1,208.87, PC £402.96) Site 3 Station Rd - £3,285.38 (CATG £2,464.04, PC £821.35)</p>	<p><u>ACTION</u> Monitor and implement</p>	KD

		<p>Group agreed funding of all sites. Great Wishford PC confirmed contribution.</p> <p>Update: Order has been placed with contractor with anticipated implementation later this calendar year.</p>		
b)	<p>1-21-15 Shrewton, London Road – Traffic Calming</p>	<p>Excessively high volume of vehicles using this route as a 'rat run' to avoid the A303. See attached PDF titled 'substantive bid application 2021' (3 attachments). Traffic calming scheme along London Road to deter non local traffic.</p> <p>Liaised with Shrewton PC to refine plan and substantive bid submission. CATG chair agreed contribution of £12,500 towards the bid. Substantive bid submitted September 2021. Awaiting outcome. Substantive bid process complete. Results now published and unfortunately London Road, Shrewton were not successful this time.</p> <p>Meeting held on 23/3/22 with Cllr Wright and Shrewton PC to discuss amendments to design ready for 2022/23 submission.</p> <p>Update: Site visit undertaken earlier this month to determine whether pedestrian facilities are achievable as part of this project. Made contact with street lighting to determine if all LED work is complete and see if this is sufficient for this project to be implemented. Street lighting assessment required to determine accurate estimate. Funding required £2,500</p>	<p>DISCUSSION LHFIG agreed to support and fund a street lighting assessment.</p> <p>ACTION Order street lighting assessment.</p>	KD
c)	<p>1-21-21 Bulford, junction 15 & 16 roundabouts</p>	<p>There are inadequate safe crossing points for pedestrians on both Junction 15 & 16 in Bulford Village. Bulford Parish Council has raised this issue with leader of the council on numerous occasions and the local Councillor fully supports our case. Council requests that pedestrian crossing surveys are carried out at both junctions. Supporting information attached to end of the agenda.</p>	<p>DISCUSSION Bulford PC have confirmed 25% contribution. LHFIG agreed to support and fund project.</p> <p>ACTION Design and implement</p>	KD

		<p>GW conducted site visit with PC to assess pedestrian issues surrounding mini roundabouts. Bulford PC confirmed this is the No 1 priority.</p> <p>Update: KD attended site on 23/5/22 with Cllr Verbinnen and Graham Jenkins to discuss proposals for informal crossing points. Please see attached proposal plans for discussion. Cost estimate is in the region of £9,000 (LHFIG = £6,750, 25% contribution = £2,250)</p>		
d)	<p>1-21-24 Amesbury Church Street</p>	<p>Residents entrance is blocked by cars parking for hours on end in front of the gates in the "KEEP CLEAR" Zone and deliveries park across the gates (double Yellows lines and "Keep Clear" Area) when delivering to the Dunkirk club and the Antrobus Arms Hotel. This can take two hours to find the driver sometimes. Second issue is that, cars wait in the "KEEP CLEAR" zone to go into the traffic calming so its difficult to gain access to the driveway. Request for bollards in the carriageway to ensure vehicles wait behind them before entering the traffic calming area along with no waiting sign in front of bollards.</p> <p>Duputy Major confirmed this is Amesbury TC No 1 priority. Issues with on street parking on both sides of Church Street. Obstruction is for the police to enforce. Site meeting arranged for 12/04/22 to discuss options.</p> <p>Update: Please see list of waiting restriction requests attached to end of agenda for discussion and funding approval to assess a batch for the Stonehenge area. Full batch Cost estimate in the region of £6,000-£7,000. Further correspondence received from Cllr Devendran in relating to providing a more extensively engineered solution to this issue to be discussed further by the group.</p>	<p>DISCUSSION Ongoing parking and access issues, consider temporary solutions and move forward with waiting restrictions. LHFIG agreed to support and fund waiting restriction batch.</p> <p>ACTION Progress waiting restrictions to legal consulation stage.</p>	KD

5	Priorities already agreed, not yet implemented			
a)	<p>1-21-5 B3083 between A303 and Berwick St James</p>	<p>The southern B3083 runs from the A303 in the north at Winterbourne Stoke and travels in a general southwards direction through Berwick St James and onwards towards Stapleford where it joins the A36. The subject of this letter is the section between Winterbourne Stoke and Berwick St James and, the area either side of the junction between the B3083 and the public footpaths known as WST01/BSJA6.</p> <p>Please refer to item attached to agenda for full details of issues and request for new infrastructure.</p> <p>At February meeting it was agreed to defer to next meeting and request a representative is present to discuss the issue further.</p> <p>At July meeting group agreed to move to top priority list and for KD to investigate signing improvements. KD and RS met with Andy Shuttleworth on site in August.</p> <p>Proposal sent to Winterbourne Stoke PC and Berwick St James PC for review. Please see attached proposal for signing and road marking improvements. The cost estimate is £2,000 (CATG 75% = £1,500, PC 25% = £500)</p> <p>Group agreed to go ahead with the scheme and for WSPC to contribute but not BSTJ PC due to it being a small parish with limited funds.</p> <p>Signing works complete. Road marking to be laid during spring 2022.</p> <p>Speed limit assessment submitted to consultant for completion. Winterbourne Stoke have confirmed contribution of the full 25% £625 for completion of the speed limit assessment.</p>	<p>ACTION Monitor and inform relevant parties once assessments are complete.</p>	KD

		<p>Update: Attended meeting with consultant during June to discuss speed limit assessments. Consultant due to complete assessment by end of August at the latest.</p>		
b)	<p><u>1-21-10, 1-21-11, 1-21-12</u> C42 Woodford Valley – speeding and lack of footways</p>	<p>Discussion at the February meeting on issues 1-21-10, 1-21-11 and 1-21-12. PC and residents explained concerns over speeding traffic and lack of footways. All agreed to take a holistic approach to combine the Woodford issues and firstly look at speed limit review throughout Woodford Valley. Group agreed to fund assessment at £2,500 subject to Woodford PC contribution of 25%, TBC.</p> <p>AC suggested PC instruct parish steward to look at clearing undergrowth by railings. It was suggested the parish build an evidence log to be submitted to the consultant for consideration when the review is conducted.</p> <p>KD arranged site meeting with Woodford Parish Council which took place on 24th June 2021. Woodford Parish Council have confirmed 25% contribution towards the speed limit assessment. Woodford PC to confirm the extent of the assessment before I instruct the consultant to start. Woodford PC also confirmed they will arrange for the vegetation on the hill at the southern end of Upper Woodford to be cleared in order for us to assess whether a virtual footway can be accommodated.</p> <p>Extent plan confirmed with PC. Speed limit assessment submitted to consultant for action. Due to Covid-19 restrictions there is still a large backlog of traffic surveys to be completed across the county. I will continue to chase this speed limit assessment and provide an update in due course.</p> <p>Update: Speed limit assessment final report and recommendation sent to Woodford Parish Council during April 2022. Subsequent correspondence between KD and Woodford PC regarding the</p>	<p>ACTION Cllr Daley to escalate to Cabinet Member to request recommendations are overturned.</p> <p>Woodford PC to instruct Parish steward to clear and clean existing signing for better visibility.</p>	<p>Cllr Daley</p> <p>Woodford PC</p>

		recommendation and virtual footway where KD outlined criteria and reasoning behind the results during May/June 2022.		
c)	Durnford Speed limits	<p>Concerns over the lack of speed limit through Great Drunford village. Request for a 30mph speed limit to be implemented.</p> <p>Durnford PC discussed issues in more details. Expressed there is no speed limit at all or any footways. Cllr Daley supports this issue and so do the rest of the group. Group agreed to progress. Contribution confirmed by Durnford PC.</p> <p>Issues highlighted with planning apps and process with highways development control. Cllr Wright committed to investigating this issue.</p> <p>Update: Attended meeting with consultant during June to discuss speed limit assessments. Consultant due to complete assessment end of August at the latest.</p>	<p>ACTION Monitor and inform relevant parties once assessments are complete.</p>	KD
d)	Enford – C32 Coombe & East Chisenbury	<p>Request for a speed limit assessment to reduce the existing 30mph speed limit to 20mph. This has been submitted as two separate requests but the Parish Council would like the group to agree for these to be combined into one assessment cost.</p> <p>No representative at the meeting. However, the chair Cllr Wright, Cllr Blair Pilling, Kate Davey and Enford PC had a subsequent meeting to discuss the speed limit assessment. It was agreed to proceed. Contribution confirmed by Enford PC.</p> <p>Update: Resource allocated to undertaking assessment, traffic surveys currently being submitted for processing.</p>	<p>ACTION Monitor and inform relevant parties once assessments are complete.</p>	KD

e)	<p>1-21-17 A345 Netheravon <u>No. 1 Priority</u></p>	<p>Road Safety and Speeding. The Parish Council would like the speed limit reduced to 40 mph. There are houses and flats along the edge of the A345 and 8 turnings to the east of the road plus a Caravan Park and other collections of houses which enter the A345. Three of the turnings to the north have very poor visibility onto the A345 and many accidents plus fatalities have occurred over several years.</p> <p>Netheravon PC promoted issue and expressed they are wanting to use CSW if the limit can be reduced. Group agreed to progress. Contribution confirmed by Netheravon PC.</p> <p>Update: Attended meeting with consultant during June to discuss speed limit assessments. Consultant due to complete assessment by end of August at the latest.</p>	<p>ACTION Monitor and inform relevant parties once assessments are complete.</p>	KD
<p>6. Other Priority schemes</p>				
a)	<p>1-20-15 Durrington 20mph speed limit assessment</p>	<p>The Roads listed below are without adequate footways and sit within the Conservation Area of the oldest parts of Durrington Village. These areas were never designed for modern traffic volumes and without footways pedestrians are at higher risk than other parts of the village.</p> <p>Roads to be included in 20mph assessment are: Hackthorne Road (full length) which leads to Church Street (full length) which leads to The Ham (no through rd). The north end of Bulford Road (from jnctn Church St to Glebe Road to include School Rd which is also a no through rd). College Rd (full length). High Street from junction of Church Street to Ridgmount.</p> <p>Group agreed to fund 20mph assessment at £2,500. Durrington TC agreed 25% contribution of £625.</p>	<p>ACTION Monitor and oversee implementation in due course.</p>	KD

		<p>Site visit undertaken by KD and traffic survey sites located. No order for the survey work has been placed yet due to Covid-19 lockdown restrictions. This work will be resumed when restrictions are eased.</p> <p>Assessments have now recommenced as Covid-19 restrictions have eased. It is anticipated traffic surveys will be undertaken over the summer period with the report being finalised in the Autumn.</p> <p>Due to Covid-19 restrictions there is still a large backlog of traffic surveys to be completed across the county. I will continue to chase this speed limit assessment and provide an update in due course.</p> <p>Group agreed to fund 20mph speed limit implementation. Total costs approx. £11,000. CATG £8,250, DTC 2,750.</p> <p>Update: Legal documents with the Traffic Regulation Order team for processing. Consultation period from 30th June – 25th July 2022.</p>		
b)	<p>5795</p> <p>A3028 from Double Hedges approaching new roundabout - No waiting at any time</p>	<p>A new path has been introduced between Bulford and Solstice Park Amesbury. Accordingly the approach pavement at the Bulford end has been widened parking bays marked on the opposite side of the road and a preferred crossing installed. People are now parking half on the kerb adjacent to this crossing vert near to the junction which is particularly dangerous.</p> <p>BPC asked for this scheme to be put on hold until the outcome of discussions with DIO regarding S106 works in the village.</p> <p>Process for requesting waiting restrictions is for the Town/Parish Council to complete request form and submit to Network Management for assessment when next review is completed. Group agreed for this issue to be left open for now.</p>	<p>DISCUSSION LHFIG agreed to support and fund waiting restriction batch.</p> <p>ACTION Progress waiting restrictions to legal consultation stage.</p>	KD

		<p>AC confirmed waiting restrictions are not proposed as part of the works. JA invited project manager from DIO to attend Area Board meeting. Group agreed to leave this on the agenda for now, Bulford PC to resolve at strategic level.</p> <p>AC confirmed double mini roundabout is now public highway. Pedestrian survey to be carried out post lockdown but currently unclear as to who will complete.</p> <p>KD has spoken with Network Management who have confirmed that the waiting restriction reviews are moving forward now Covid-19 restrictions are easing. This location is on the list ready to be assessed. In the meantime if Bulford PC can supply photo evidence of the parking issues at this site it will help determine the extent of restrictions required.</p> <p>Bulford PC to supply photographic evidence of the extent of the issues. KD chased timescale for review on 8th October 2021. This issue has been referred to Network Management for action.</p> <p>Update: Please see list of waiting restriction requests attached to end of agenda for discussion and funding approval to assess a batch for the Stonehenge area. Full batch Cost estimate in the region of £6,000 - £7,000.</p>		
c)	<p>1-21-16 Shrewton, Tanners Lane – damage to property</p>	<p>Resident of No. 1 Tanners Lane is concerned that the corner of the property keeps getting hit by passing vehicles. It is an old cob building and each time it is hit the resident is worried that it is causing structural damage as well as costing money to repair the cob and guttering. Request for bollard/pole to be installed on the corner to protect the property. Please see attached photos at the end of the agenda.</p> <p>Site visit undertaken during September 2021. Options for a solution to be discussed at the meeting.</p>	<p>DISCUSSION Chair agreed to fully fund and progress road markings as proposed and continue monitoring the situation going forwards.</p> <p>If the issue is large vehicles coming from one direction, is it worth considering the</p>	

		<p>Solutions to amend/add road markings and a bollard to be discussed at the meeting.</p> <p>Cllr Daley explained his site visit to this location with Cabinet Member for Highways Cllr Mark McClelland and the issues regarding property damage. Cllr Daley to chase option of rerouting idVerde vehicles in the other direction.</p> <p>KD to progress road marking adjustments in spring 2022.</p> <p>Further correspondence from the property owner in November 2021 received, indicating its not only refuse vehicles but other lorries delivering along Tanners Lane or using it as a short cut. Resident has suggest one tall post be installed at the corner of the property.</p> <p>Nikki Spreadbury Clew to send Cllr Wright email information on this issue. Cllr Wright to look at site and discuss options with Shrewton PC and KD.</p> <p>Update: Please see attached proposal plan for discussion. Cost estimate £1,000 (LHFIG = £750, 25% contribution = £250)</p>	<p>feasibility of a one way system along Tanners Lane in the future.</p> <p>ACTION Implement road markings as proposed.</p>	KD
d)	<p>1-21-18 C283 From Stoford bottom to A36 junction <u>No. 1 Priority</u></p>	<p>The C283 is a well known "rat-run" for traffic from the A360 to the A36; the volumes and speed of the traffic increase when there are difficulties upon the A303. There are no footpaths located on either side of the narrow road. Traffic speeds through the village in excess of the identified 30 mph restriction and is a danger to all inhabitants (both young and old) of the village.</p> <p>The traffic speed survey, performed in December 2019, identified -</p> <ul style="list-style-type: none"> i) 85th percentile speed was 37.4mph. ii) 57.4% of recorded vehicles were exceeding the posted speed limit. 	<p><u>DISCUSSION</u> Waiting on results of traffic survey.</p>	

		<p>Request for existing 30mph speed limit to be reduced to 20mph and for a pedestrian walkway from the upper entrance to the Mount Pleasant Estate to the A36 junction adjacent to the Swan public house.</p> <p>South Newton & Stoford PC discussed issues in more detail. Cllr Daley supports issue. Action with PC to submit traffic survey in location where CSW takes place to determine a more recent average speed.</p> <p>PC contacted KD to clarify traffic survey procedure and they have submitted a request. Add virtual footway to issue and investigate once survey is complete.</p> <p>Update: Chased traffic survey results during June, awaiting response.</p>		
e)	<p>1-21-20 Durrington, A3028 mini roundabout junction with Bulford Road</p>	<p>Concerns raised over the eastward travelling vehicles not giving way at the mini roundabout to traffic coming from Bulford Road. Request for road marking improvements to include give way lining and sign.</p> <p>Leave this issue until it becomes No. 1 priority for Durrington TC.</p> <p>Durrington TC to discuss top priorities locally and clarify the direction in which this issue occurs. Group agreed to proceed with this project.</p> <p>Update: Mini roundabout road markings have recently been refreshed with the existing arrangement. Additional road markings proposal attached to end of agenda. £500 (LHFIG = £375, 25% contribution = £125).</p>	<p>DISCUSSION LHFIG agreed to fully support and fund proposed road markings.</p> <p>ACTION Implement road marking as proposed.</p>	KD
f)	<p>1-21-22 Woodford, southern parish boundary between Avon Bridge and Avon Farm</p>	<p>Four vehicles have left the road here in a year. All single vehicle incidents. Two crashed into south west side bringing down same BT pole, replaced twice by Open Reach. Two crashed north east side, one demolishing hedge, repaired by Little Durnford estate, one demolished bridge parapet next to it, which is still unrepaired after a year.</p>	<p>DISCUSSION LHFIG fully support and agree to fund the project.</p>	

		<p>https://www.stratfordsubcastle.org.uk/post/off-road-towards-woodford https://www.stratfordsubcastle.org.uk/post/investigation-of-black-spot-underway</p> <p>Parish boundary confirmed as location situated with Woodford Parish. Potential to explore warning signs to highlight hazards along this route.</p> <p>Update: Please see attached proposal plan for discussion. Cost estimate in the region of £1,200 (LHFIG = £900, 25% contribution = £300).</p>	<p>ACTION Woodford PC to confirm 25% contribution before progressed.</p>	<p>Woodford PC</p>
g)	<p>1-22-1 South Newton & Stoford A36 & C283 Village gates</p>	<p>Traffic speeds through the village in excess of the identified 30mph restriction and is a danger to all inhabitants (both young and old) The Parish Council believes that the speed of vehicles entering the villages of South Newton and Stoford (A36 and C283) could be greatly improved (i.e. decreased) by the installation of village gateways. The gateways will create 'a sense of place' when drivers enter the village, and the physical measures designed such that drivers are required to slow down before entry. The village entrance and the speed limit is made more obvious to vehicle drivers.</p> <p>Request for three sets of village gates. Two along the A36 and one along C283.</p> <p>Any request for infrastructure on the A36 needs to be sent to National Highways for consideration. However, the CATG can consider village gates on C283 as a project if supported. Group agreed to proceed with this project.</p> <p>Update: Site visit during July identified feasibility of village gates on C283 as suitable. Please see attached proposal plan for discussion. Cost estimate in the region of £5,000 (LHFIG = £3,750, 25% contribution = £1,250). PC contribution confirmed via email 11.07.22.</p>	<p>DISCUSSION LHFIG agree to support and fund scheme, PC agreed contribution.</p> <p>ACTION Progress and implement.</p>	<p>KD</p>

h)	1-22-2 Orcheston 20mph speed limit	<p>Orcheston has benefited from a 30mph speed limit since 2017. Nevertheless in the past 5 years there has been a considerable increase in delivery traffic (always against the clock) as well as being the first choice for 4X4 drivers accessing Salisbury Plain. There are no pavement footpaths at all in the village and most cars are parked on the road. Where vehicles are parked off the road, access visibility is routinely poor and involves gradual “edging out”. When vehicles are parked opposite houses where residents have to “edge out”, there is no possibility of traffic avoiding vehicles “edging out”. Speed needs to be reduced.</p> <p>This matter was raised at the Parish Council in January 2022. Councillors supported a proposal to ask for a traffic survey to provide data as to the suitability of a proposed 20mph speed limit. Cllr Christopher Coats, who has been active on the Stonehenge Tunnel group, volunteered to represent the views of the parish council at the CATG. We recognise that 25% of the cost of the survey will be charged to Orcheston Parish Council.</p> <p>Group agreed to proceed with this project. PC confirmed 25% contribution.</p> <p>Update: Resource allocated to undertaking assessment, traffic surveys currently being submitted for processing.</p>	<p>ACTION Complete speed limit assessment and report recommendations in due course.</p>	KD
<p>7. New Requests / Issues</p>				
a)	1-22-6 Durrington issues	<p>1) Drop kerb required on Bulford Road East opposite Coronation Road Junction.</p> <p>2) Extension of public foot-way on A345 Netheravon Road South East side where it drops down to the old a345 road .Extend it to meet the new pedestrian crossing point that links Durrington To Larkhill.</p>	<p>DISCUSSION LHFIG agree to support and fund projects. Durrington TC agreed 25% contribution.</p>	

		<p>3) Continuation of Bollards outside the Chemists on Bulford Road (huge illegal parking issues).</p> <p>4) Numerous faded road markings a separate list is available for Cllr Graham Wright.</p> <p>5) New fixing post required for 3 Welcome to Durrington Signs.</p>	<p><u>ACTION</u></p> <ol style="list-style-type: none"> 1. Design and install 2. Look at feasibility of pedestrian wayfinding sign. 3. Design and install 4. Outstanding list to be sent to RS 5. b)	1-22-7 Amesbury Parsonage Road - road markings	Parking opposite driveways to properties 131 and 133 Salisbury Road (who access their driveways from Parsonage Road) is causing constant access issues. Request for white access protection bar marking opposite driveway access points to deter parking.	<p><u>DISCUSSION</u></p> <p>LHFIG agreed that funding should be paid by resident no further action LHFIG.</p> <p><u>ACTION</u></p> <p>Remove and close.</p>	<p></p> <p>KD</p>

c)	1-22-8/11 Amesbury waiting restrictions	1) Archers Gate in vicinity of the school. 2) Holders Road in vicinity of Stonehenge School.	<p><u>DISCUSSION</u> LHFIG agreed to support and fund waiting restriction batch.</p> <p><u>ACTION</u> Progress waiting restrictions to legal consultation stage.</p>	KD
d)	1-22-9 Amesbury speed limit requests	Request for reduction in speed limits on Porton Road (40), Countess Road (40), Holders Road (30/20zone), Pendragon Way, Salisbury Street (30), High Street (30) and Church Street (30).	<p><u>DISCUSSION</u> LHFIG requested Amesbury TC confirm top priority for 2022/23. Amesbury confirmed support to progress Porton Road this financial year and agreed 25% contribution.</p> <p><u>ACTION</u> Agree assessment extent and submit to consultant.</p>	KD
e)	1-22-10 Amesbury village gates and planters	The Town already has Historic Amesbury signage at the 8 entrance routes in to the Town, the purchasing and installing entrance gate and planters would make it more attractive to visitors and residents.	<p><u>DISCUSSION</u> LHFIG requested Amesbury TC confirm top priority for 2022/23.</p> <p><u>ACTION</u> Confirm top priority site to progress to implementation.</p>	Amesbury TC
f)	1-22-12 Amesbury Flower Lane direction signs	Request for direction signing to vet practice on Flower Lane.	<p><u>ACTION</u> Check legal requirement for providing direction sign and report back to group.</p>	KD

g)	1-22-13 Amesbury Melor View road markings	Parking issue to private car park at Melor View Amesbury. Visitors to other properties are parking at entrance to the private car park and blocking entry/exit. There used to be a yellow line across the entrance which has now faded. Customer has requested to have a yellow box painted at the entrance to the car park.	<u>ACTION</u> Request parking team to refresh markings.	KD
h)	1-22-14 Amesbury Salisbury Street signing	Request for larger taxi rank sign to indicate the area is for taxis to all road users.	<u>ACTION</u> Amesbury TC agreed to ensure legal signs are visibility at all times and not obstructed by planters. Request parking team to refresh markings.	Amesbury TC KD
i)	1-22-15 Stoford Bottom drainage	A road drain (located on the C283 Stoford Bottom, at the east end of the village) has been partly concreted over by a previous Stoford resident, preventing the grill from being raised; the drain is now completely blocked with "dross". The concrete was installed a number of years ago to protect the bank from encroaching traffic, due to the narrowness of the road. The other road drains have been cleaned but the Parish Council have been informed this particular drain is inaccessible. Large quantities of rain water wash off the road, adjacent housing estate and nearby fields; this is the first drain along the downhill slope. Request to remove concrete to ensure access to gully for cleaning.	<u>ACTION</u> Arrange for further investigate of the issue on site.	RS
j)	1-22-16 Figheldean speed limits	Requests to reduce the speed limit on the A345 from 50 MPH to 40 MPH through the village of Figheldean, to reduce the speed limit being 50 MPH to 30 MPH on the High Street entering the village of Figheldean and to reduce the general speed limit of 30 MPH to 20 MPH through the rest of the village of Figheldean and Ablington.	<u>DISCUSSION</u> LHFIG agreed to wait for outcome of A345 Netheravon speed limit assessment before agreeing a way forward for this request.	

7.	Any other business		
	Contact details	Add Cllr Damien Kuczera (Major of Amesbury) to Stonehenge LHFIG distribution list.	KD
	Traffic survey request for Bulford PC	Inform Bulford PC of process, link to request form and how to submit.	KD
	Information from the Chair	Chairman Cllr Wright provided reminder of process for reporting new issues and encouraged applications to be put forward to LHFIG.

Highways Officer – Kate Davey

1. Environmental & Community Implications

1.1. Environmental and community implications were considered by the CATG during their deliberations. The funding of projects will contribute to the continuance and/or improvement of environmental, social and community wellbeing in the community area, the extent and specifics of which will be dependent upon the individual project.

2. Financial Implications

2.1. All decisions must fall within the Highways funding allocated to Amesbury Area Board.

2.2. If funding is allocated in line with CATG recommendations outlined in this report, and all relevant 3rd party contributions are confirmed, Amesbury Area Board will have a remaining Highways funding balance of **£20,434.17**.

3. Legal Implications

3.1. There are no specific legal implications related to this report.

4. HR Implications

4.1. There are no specific HR implications related to this report.

5. Equality and Inclusion Implications

5.1 The schemes recommended to the Area Board will improve road safety for all users of the highway.

6. Safeguarding implications

6.1 There are no specific safeguarding implications related to this report.

Stonehenge LHFIG - Parking restriction requests

Road	Issue/request	Year submitted	Existing restrictitons in the area?	Notes/other considerations
Amesbury				
Holders Road	Conflict with school traffic and residential parking	2021	✗	No restrictions in the area - Day-time restrictions may be worth considering
Mills Way	Parking at HRC entrance causing access issues	2021	✓	Reported by Waste Team after we put SYL's on Mills Way. Parking still occurring at the actual entrance to the HRC, however there is a garage business in the vacinity, which seems to be the scour of the problem
Sun Rise Way	Parking causng forward visibility and access visibility issues	2020	✓	Long running issue - we did some junction protection at the roundabout on Porton Road 2018, but new buildings/businesses have arrived and no consideration given by other depts to where vehicles would park...
Church Street	Parking causing access issues alongside traffic calming	2022	✓	Long running access issue - makes sense to extend DYLS in some places to improve access and maintain the passage and repassage of the public highway
Archers Gate	Conflict with school traffic and residential parking	2022	✗	No restrictions in the area - Day-time restrictions may be worth considering
Durrington				
Bulford Road (Opposite Avondown)	Parking on inside of bend causing visibility issues and also close to the school entrance which is causing concern	2021	✓	Existing lines on opposite side of road - makes sense to cover this side too especially due to the visibility issues
Larkhill Road junction with Meads Road	DTC request to extend existing doubles into Meads Road to aid access for buses	2021	✓	
High Street junction with Windsor Road	DTC request to extend existing doubles into Windsor Road to aid access for buses	2021	✓	Visibility is poor from the access - any extension of DYLS would reduce on-street parking bays
Windsor Road junction with Downleaze	DTC request to revise junction layout, due to forward visibility issues on the bend and request centre line carriageway markings	2021	✓	Discuss further - might be something that can be added to Ad-Hoc gang
Bulford Road junction with Windsor Road (Rosie's Barbers)	DTC request to extend existing doubles both side of the junction	2021	✓	Visibility is poor from the access - any extension of DYLS would reduce on-street parking bays
Bulford Road junction with The Ham	Parking on the bend and too close to the junction is causing visibility issues and concern.	2021	✓	Parking on Bulford Road too close to The Ham junction is far from ideal. Also the parking on the left if heading south, needs addressing.
Bulford Road junction with Larkhill Road at the mini roundabout (Petrol station)	DTC request to convert existing single yellows to doubles.	2021	✓	Makes perfect sense - should have been DYL from the start
New Road junction with School Drive	DTC request to Introduce doubles as junction protection	2021	✗	Highway Safety concerns - makes sense for DYL junction protection
Meads Road junction with Coronation Road	Extend existing doubles both sides	2021	✓	Agree a short extension would aid visibility to the north from Coronation Road
Bulford				
A3028 double mini roundabout	Parking in close proximity to double mini roundabout causing a hazard to all users	2020	✗	Makes sense to protect the surrounding area of the double mini roundabout and improve visibility and safety
A3028 High Street/Orchard End roundabout	Parking in close proximity to the mini roundabout causing a hazard to all users	2020	✗	Makes sense to protect the surrounding area of the mini roundabout and improve visibility and safety

Report To Stonehenge Area Board
Date of Meeting Thursday, 22 September 2022
Title of Report Stonehenge Area Grant Report

Purpose of the Report

- To provide detail of the grant applications made to the Stonehenge Area Board. These could include; community area grants, health and wellbeing, young persons grants and Area Board initiatives.
- To document any recommendations provided through sub groups.

Area Board Current Financial Position

	Community Area Grants	Young People	Health and Wellbeing

Current Balance	£ 20,481.00	£ 21,034.00	£ 6,041.84
Balance if all grants are agreed based on recommendations	£ 17,981.00	£ 14,034.00	£ 3,066.84

Grant Funding Application Summary

Application Reference	Grant Type	Applicant	Project	Total Cost	Requested
ABG697	Community Area Grant	Figheledean Village Hall	Figheledean Village Hall Heating System Replacement	£9026.40	£2500.00
<p>Project Summary: The Village Hall is wholly separate to the Parish Council and is managed and run as an independent charity for the benefit of all villagers/parishioners. It was built over 20 years ago and the night storage heaters are reaching the end of their life. They operate on Economy7 electricity but are very inefficient and difficult to manage. We aim to replace these as part of a larger project to improve the energy efficiency of the Village Hall, which includes improving the insulation / upgrading the windows (a "fabric first" approach to energy efficiency), and replacing all lights with LED equivalents. Once all easy-win energy savings have been achieved, the longer term plan is to install solar panels to offset our electricity bill and hopefully generate additional energy for the Grid. The new system will allow us to divide the building into zones and control each zone independently via the Internet. This will enable us to use our energy far more efficiently, reduce our energy bill considerably thus helping to secure the long-term viability of the Village Hall, and contribute our small part towards Wiltshire Council's "Net Zero by 2030" strategy. We attended an online Wiltshire Council webinar on energy savings ("Village Hall Buildings and Net Zero considerations") on 16th Feb, where we gathered valuable information from the panellists and other local communities which has helped to inform the approach we are taking for our Village Hall.</p>					
ABG766	Older and Vulnerable Adults Funding	Wiltshire Music Centre	Celebrating Age Wiltshire	£11065.00	£1500.00

Application Reference	Grant Type	Applicant	Project	Total Cost	Requested
<p>Project Summary: Celebrating Age Wiltshire (CAW) will use arts & heritage activities to reach the most isolated older people in the Stonehenge area, helping to tackle loneliness and aiming to improve their health and wellbeing through creative and artistic engagement. In particular CAW will target those people who are vulnerable and socially isolated due to frailty, ill health, dementia, poor mobility or caring responsibilities. Our programme has developed four different strands of both live and online activity to meet the needs of this group. CAW is a partnership of community organisations across the county with Wiltshire Music Centre as lead organisation.</p>					
ABG784	Older and Vulnerable Adults Funding	ART GROUP	ART GROUP	£620.00	£500.00
<p>Project Summary: To provide professional tuition to enable older citizens to develop and enjoy the benefits of creating pieces of art, which will help them to deal with mental wellbeing.</p>					
ABG789	Older and Vulnerable Adults Funding	The Lady Antrobus Trust	The Hauntings brought to Amesbury	£3518.00	£975.00
<p>Project Summary: The Hauntings is a twenty feet tall statue of a World War One soldier. He is made form sheet steel and old metal tools. He will stand on the front lawn of Antrobus House Amesbury from late August until April 2023. He will be a major attraction to the town, which has had a long connection with the armed forces, surrounded aas we are by Larkhill, Bulford, and Tidworth garrisons, Netheravon camp and Boscombe Down. Many thousands of soldiers trained on Salisbury Plain prior to their journey from Amesbury railway station down to Southampton to embark for France. Facially the statue resembles Lieutenant Edmund Antrobus, who was killed in the First World War on October 24th 1914, so it seems appropriate that the statue is seen here in Amesbury. Antrobus House was built in memory of Edmund at the bequest of his mother lady Florence Antrobus. Lady Florence died in February 1923. The statue being here for the duration stated earlier means that it will mark the centennial of her death. It will also make a suitable tribute to all those killed in wars when Antrobus House hosts the starting point of the Remembrance Day parade here in Amesbury in November 2022. The intention is to have an opening ceremony on the evening of 3rd October 2022. On October 4th 1914 Lieutenant Edmund Antrobus (Grenadier Guards) embarked for France from Southampton, never to return. Hie was killed in action and his body was never recovered. The Hauntings is effectively a memorial to all those young men killed in the First World War. He represents a soldier battle weary and forlorn. the ghostly figure is on loan free, from his owners. However there are costs bear; to transport him here from the Dorset Forge near Sherborne on specialist haulage vehicles, (and the return journey), to assemble him, to provide a proper sound concrete base to stand him on and to keep him secure and insured. Once in situ, this magnificent statue will be a sight that will attract interest from various groups - members of the armed forces, ex service personnel, The Royal British Legion, the local and regional press, schools, artists etc.</p>					
ABG722	Youth Grant	Avon Valley Football Club	Avon Valley Football Club application for Equipment and Kit	£5174.24	£2000.00
<p>Project Summary: We are setting up a new community football club, Avon Valley FC. We are a local open age (16 +) football team for young adults who play at the grass roots level on the local community pitch, the Recreation Ground, Durrington playing in the local Sunday league. One of our main drives is to offer support for those who wish to continue their journey as they outgrow the -16 youth teams. We are very aware that this can be a daunting time and we strongly believe in offering and providing a safe space allowing the young adults not only to develop their skills as individuals on the pitch but also recognising their needs on a more personal level both on and off the pitch. We support these young adults with health care, mental health (cold water therapy promoting health and well-being official partner of the club). Shortly looking at creating ladies open age teams within the club and aspire in the near future to create a pathway into senior football, then creating a development team for both senior teams.</p>					
ABG793	Youth Grant	Amesbury Rugby Club	Youth Rugby project	£13623.00	£5000.00

Application Reference	Grant Type	Applicant	Project	Total Cost	Requested
<p>Project Summary: This is a new section to our club for the ages 16 through to 18 plus also building a development path through to adult rugby to keep them involved in local community sport.</p>					

1. Background

Area Boards have authority to approve funding under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the Area Board Funding and Grants Criteria. This document is available on the council's website.

Three funding streams are available to the Area Board, each with an annually awarded amount. These funding streams are as follows:

- Community Area Grants (capital)
- Young People (revenue)
- Health and Wellbeing (revenue)

The Area Board will be advised of the funding available prior to their first meeting of each financial year.

2. Main Considerations

2.1. Councillors need to be satisfied that the applications meet the requirements as set out in the Area Board Funding and Grants Criteria and that the health and wellbeing and young persons funding guidelines have been adhered to.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors need to consider any recommendations made by sub groups of the Area Boards.

3. Environmental & Community Implications

Grant funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Councillors must ensure that the Area Board has sufficient funding available to cover the grants awarded.

5. Legal Implications

There are no specific legal implications related to this report.

6. Human Resources Implications

There are no specific human resources implications related to this report.

7. Equality and Inclusion Implications

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

Community Area Grants will give local community and voluntary groups, Town and Parish Council's equal opportunity to receive funding towards community based projects and schemes where they meet the funding criteria.

8. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

No unpublished documents have been relied upon in the preparation of this report.
