HIGH LEVEL PCC UPDATES

- **Recruitment** - Police officer recruitment continues with more than 500 applications received so far since the campaign launched on 23 September. Wiltshire Police is accepting applications until Sunday 13 October.
- **Community work** - In September PCC Angus Macpherson awarded a total of £22,500 from the Police Property Act to projects across the county which make a difference in their communities. Beneficiaries include a drop-in service for homeless people, a 12-week personal development course for unemployed young people and a pilot project using photography to engage with young people at risk of offending or exploitation. Full details are available on our website.
- **Herbert Protocol** – The PCC was proud to join Wiltshire Police, Swindon Borough Council, healthcare partners, Swindon Carers Centre and the Alzheimer's Society at the launch of the Herbert Protocol last month. It comprises of a document in which carers, family and friends of vulnerable adults can fill out key details about the individual as a pre-emptive measure in case they later go missing. This will enable the police to start their initial enquiries sooner with the aim of finding the missing person safe and well.

HIGH LEVEL FORCE UPDATES

- **County Lines** – The issue of gangs transporting Class A drugs from major cities such as London and Manchester into rural counties, is one which is attracting significant media attention. Here in Wiltshire we are raising awareness of the problem, and specifically the impact these crimes have on the wider community, as they are often linked to modern slavery and organised crime, with children and vulnerable adults being exploited. Please look out for local media coverage, or go to our website for more information.
- **Domestic abuse** – This month we are highlighting the work Wiltshire Police is doing to tackle domestic abuse, including educating the public about the support that is available for victims. This campaign will include a young mother, who has been the victim of domestic violence, speaking out about her story in the hope that she can encourage other victims to come forward and get support.
- **Rural crime** - During the beginning of October we are taking part in a national week of action targeting rural crime. Our work will include providing crime prevention advice and encouraging residents to report all incidents to the police, as well as having our Community Policing Teams and the Rural Crime Team out and about engaging with our rural communities.
