Update for Corsham Area Board

Headlines/Key successes

- Setting up of a Climate Strategy Engagement Working Party of the Parish Council to discuss the drawing up of a policy and plan for the future

-

-

Projects

- A grant application to be submitted to Area Board for £2500 for the restoration of footpath 18 in Box to cover the cost of timber and Mendip Dust for the resurfacing of the footpath. This is an important and very well used footpath by the By Brook in Box

-
- The Parish Council is working with the Corsham Area Transport Group to look at improvements to the B3109 by the Broadwood School to make this safer to encourage children to walk to school.
