Subject: Licence for New Inn Amesbury ref WK/202202613

I wish to object to the anyone having the licence at the New Inn so it can stay open after 12am The anti-social behaviour in Amesbury has been appalling but much better since the New Inn was closed. The new hours are not in keeping with a residential village The loud music from this pub has been dreadful Amesbury has been ruined by the drinking hrs and bad behaviour causing the residents of this village a great deal of anxiety especially considering the amount of retirement homes that have been built.

I formally object to this licence.

Best
