We have kindly been given permission for the siting of the defibrillator to go on the boundary of a resident's property, they have also agreed for the cabling to be hard wired up to their property for the defib safe box. As a village who has recently experienced a tragic incident we know how valuable these devices can be and if we can have one situated in the heart of the village then as a Parish Council i feel we will have provided good coverage for ease of access should it need to be used. ## 1. Background

The Area Board will be advised of the funding available prior to their first meeting of each financial year.
