LICENSING OBJECTIVES	EVIDENCE
The protection of children from harm	

<p>The prevention of public nuisance</p>	<p>The Bath Arms license variation application LN/000011674, would result in greatly increased noise levels when compared to historic usage. Primarily, due to the much later closing time, but also by the new outside buildings and spaces and increased music activity. The noise of departing traffic at this later time also needs to be taken into account when considering public nuisance. My experience, living up the hill on Parsons Lane, is any sound, particularly music, from the village carries up the valley, whether this is 'pub' or 'private' activity. On it's own an increase in music noise would be a nuisance, but with the much later proposed closing time this would become intolerable.</p>
<p>The prevention of crime and disorder</p>	
<p>Public safety</p>	<p>There are no street lights in the vicinity of the Bath Arms which is an issue when consider departing people and traffic late at night, particularly during the winter months, exacerbated by the requested 0030 closing time.</p>

Please list below any suggested actions that you feel the applicant could take to address your concerns:

Request an earlier closing time and commit to a limited number of music and other outside events.

If a hearing needs to be held to determine the Premises Licence Application, the Licensing Sub-committee will generally only be able to consider matters that have previously been disclosed. However, additional information in support of your Representation may be considered if all parties at the Hearing agree. We advise that you detail all matters that you wish to be considered on this initial Representation, attaching additional sheets if necessary.

If you do make a Representation you will be invited to attend the Licensing Sub-Committee Hearings and any subsequent appeal proceedings relevant to your Representation.

All Representations in their entirety, including your name and address, will be disclosed to the Premises Licence applicant. A copy of Representations will be annexed to the Licensing Officer's report, which is a public document published on the Council's website and circulated to the Licensing Sub-Committee and to all those who have made relevant Representations.
